Mission Statement

The mission of South Coast College is to provide quality education and training in a caring, student-oriented environment to highly motivated individuals who wish to improve their lives.
South Coast College — Founded 1961

Purpose of the Consumer Handbook

The information in this handbook is to help current and prospective students make informed decisions concerning their educational goals. Post-secondary education requires a serious commitment of time, concentration, and resources for a student to be able to succeed, and the faculty and staff at South Coast College are dedicated to helping you succeed. All enrolled students receive a copy of the Consumer Handbook on the first day of school and an acknowledge of receipt is maintained in the student file. Subsequently, on a yearly basis, the student is reminded to review updates in the Consumer Handbook, which is available on the South Coast College website.

Any questions or comments concerning the information contained in this handbook should be directed to the Financial Aid Office at (714) 867-5009 or by speaking to a Financial Aid Officer during the following hours:

Monday	8:00 am – 6:00 pm
Tuesday	8:00 am – 8:00 pm
Wednesday	8:00 am – 6:00 pm
Thursday	8:00 am – 8:00 pm
Friday	8:00 am – 4:00 pm

Misrepresentation

The Department of Education may fine, limit, suspend, or terminate the participation of any school that substantially misrepresents the nature of its educational program, its financial charges, or the employability of its graduates.

Misrepresentation is any false, erroneous, or misleading statement made to a student or prospective student, to the family of an enrolled or prospective student, or to the Department of Education. Substantial misrepresentation is any misrepresentation on which the student or family member could be reasonably expected to rely on or has reasonably relied on to that person's detriment.

South Coast College has a commitment to integrity and transparency with regard to all aspects of its operation. South Coast College personnel are committed to answering any questions that you may have regarding its programs, any of the disclosures presented, or any financial concerns that you may have.

South Coast College has a total open-door policy, and students have access to managers of all areas: admissions, educational, financial, and financial aid.

Institutional Information

School Costs

Cost of Attendance (COA)

The Cost of Attendance (COA) includes both direct and indirect costs associated with attending South Coast College. Direct costs include tuition, fees, and books and supplies. Indirect costs include room and board (based on living situation), transportation costs, and personal expenses.

NOTE: The following is an example of the Court Reporting Program for first-year, full-time students who live with their parents. This is an example of how a COA is calculated. It does **not** represent your actual costs:

Example:	
Direct Costs*	
Tuition	\$ 11,954
Books	\$ 740
Machine Rental	\$ 875
Subtotal for Direct Costs:	\$ 13,569
Indirect Costs	
Room and Board	\$ 8,780
Transportation	\$ 938
Loan Fees	\$ 110
Personal Expenses	\$ 3,225
Subtotal for Indirect Costs:	\$ 13,053
Total Cost of Attendance (Direct Costs Plus Indirect Costs):	\$ 26,622
*South Coast College encourages students to borrow <u>only</u> what they need to meet their <u>direct costs</u> . Direct costs are what you would pay for your education at South Coast College. Indirect costs are what the Department of Education estimates your living expenses to be while you are attending school. Getting loans for indirect costs increases student debt, and the student should keep in mind that the loans have to be repaid. However, students may get financial aid for indirect costs upon request and eligibility.	

Students' financial aid awards cannot exceed their Cost of Attendance.

The most current COA is posted on the South Coast College web site at:
<http://southcoastcollege.edu/admissions/financial-aid-resources/>

Net Price Calculator

Access South Coast College's Net Price Calculator at www.southcoastcollege.edu/netcalc.

Academic Programs

Degree Programs and Other Training and Education Offered

All degrees and programs are listed in the South Coast College Catalog. A copy of the catalog is given to each new student before the student is considered enrolled. The catalog can be downloaded from the South Coast College website. A link to the website is as follows:

<http://southcoastcollege.edu/student-resources/program-catalog/>

Change of Program

If students wish to change from one program to another at South Coast College, they need to do so in writing. Requests are reviewed by the program director to see if any classes are transferable from the students' prior program into their new program.

- Only the courses that are transferred into the new program are used to calculate the students' SAP in the new program.
- All units and grade points that are not accepted into the new program are closed and no longer used in the students' SAP calculation.
- All program requirements for South Coast College students are outlined in the South Coast College catalog.

Additional Degree

If students wish to work toward an additional degree, they need to apply in writing. Requests are reviewed by the program director to see if any classes are transferable from the students' prior degree or certificate into their new degree or certificate.

- Only the courses that apply to the additional degree or certificate are used to calculate the students' SAP in their new program.
- All units and grade points that are not accepted into the new program will be closed and no longer used in the students' SAP calculation.
- All program requirements for South Coast College students are outlined in the South Coast College catalog.

Program Graduation

A minimum of a CGPA of 2.0 or greater is required for graduation in all programs at South Coast College.

Instructional, Laboratory, and Other Physical Plant Facilities Related to Academic Programs

South Coast College is located at 2011 West Chapman Avenue in Orange, California. The land encompasses approximately three acres and includes a two-story Mediterranean architecture building

consisting of approximately 30,000 square feet. The structure is located in a landscaped setting separated from an adjoining building by an attractively landscaped island. A comfortably furnished patio and balcony with park benches provide a place for students and staff to enjoy the outdoors while on break.

The building is composed of 18 classrooms that are used for lecture purposes only and several resource centers equipped with computers for students in all programs. The medical program also has a medical laboratory. In addition, the College has a bookstore, a library with computers, a library reading room, a courtroom, a skill test transcription/grading resource center, a conference room, a media resource center, a student lounge with vending machines, refrigerator, sink, and a staff lounge.

Faculty and Other Instructional Personnel

South Coast College currently has approximately twenty part-time faculty members and four full-time faculty members. All faculty are listed with titles, credentials, and biographies, in the South Coast College catalog. The catalog can be downloaded from the South Coast College. A link to the website is as follows: <http://southcoastcollege.edu/student-resources/program-catalog/>

Plans to Improve Program

South Coast College has plans to automate more of our record keeping to reduce paperwork.

Written Arrangements

South Coast College has written arrangements with the following entities:

American Medical Technologists

10700 W. Higgins Rd., Suite 150
Rosemont, IL 60018
Phone Number: 847-823-5169
www.americanmedtech.org

South Coast College students are able to take the Registered Medical Assistant Examination for Registered Medical Assistant (RMA) certification.

National Court Reporters Association (NCRA)

12030 Sunrise Valley Dr., Suite 400
Reston, VA 20191
Phone Number: 800-272-6272
www.ncra.org

NCRA recognizes South Coast College as an NCRA Certified Training Program.

Please refer to the Approvals section of the South Coast College for more details on these entities.

The catalog can be downloaded from the South Coast College. A link to the website is as follows:

<http://southcoastcollege.edu/student-resources/program-catalog/>

Accreditation and Licensure

Accreditation

South Coast College is accredited by the Accrediting Council of Career Schools and Colleges (ACCSC).

Approvals

Bureau for Private Postsecondary Education (BPPE)

2535 Capitol Oaks Drive, Suite 400
Sacramento, CA 95833
(916) 431-6959 or (888) 370-7589
www.bppe.ca.gov

California Student Aid Commission (CSAC)

Washington, D.C. 20420
(800) 827-1000
www.va.gov

South Coast College is approved for the training of veterans pursuant to Title 38, United State Code. This institution will conduct an evaluation of previous education and training for all veterans and eligible persons, grant appropriate credit, shorten the training period proportionately, and notify the VA and student accordingly.

Procedures for Review

South Coast College has most of its accreditation, approval, licensure, and documents involving written arrangements with other entities posted in the lobby of the college for review. Questions regarding these or any other documents can be posed to the Dean of Operations.

Contact Information for Filing a Complaint

A student or any member of the public may file a complaint about the institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form which can be obtained on the Bureau's website at www.bppe.ca.gov.

A complaint can be filed by contacting any of the previously mentioned entities.

Cancellation/Withdrawal Procedures

A student has the right to cancel as explained in the Notice of Cancellation provided to the student at the time of enrollment. The student must cancel in writing. A withdrawal at any point after the period of cancellation may be effectuated by the student's written notice or by the student's conduct including but not necessarily limited to a student's lack of attendance for ten (10) consecutive days. Students who have not attended classes for ten consecutive class days (excluding holidays) without excused absence is considered an unofficial withdrawal.

The Requirements for Officially Withdrawing from School

Students have the right to withdraw from school at any time.

While written notification of withdrawal is not required for withdrawal, the procedure to withdraw from South Coast College is to obtain a withdrawal form from the Financial Aid Office, complete the form, have the appropriate personnel sign the form, and complete an Exit Interview for your student loans. A fee of fifty dollars (\$50) will be assessed. A fee of one hundred dollars (\$100) is assessed for unofficial withdrawals where the student does not properly notify the College of departure and attend an Exit Interview.

Federal Refund Policy and Return of Aid

Federal regulation states that up through the 60-percent point in the payment period, a pro rata schedule is used to determine the amount of Federal Student Aid funds the student has earned at the time of withdrawal. After the 60-percent point in the payment period, student has earned 100 percent of the Title IV funds. For a student who withdraws after the 60-percent point in time, there are no unearned funds.

Amount of Title IV aid disbursed	minus	Amount of Title IV aid earned	equals	Amount to be returned to the Department of Education by the school
-------------------------------------	-------	----------------------------------	--------	--

The amount of Title IV aid disbursed minus the amount of Title IV aid earned equals the total amount to be returned to the Department of Education by the school. In order to determine whether Title IV funds must be returned, the school must calculate the following:

- To determine the percentage of the payment period completed, the number of days attended in the payment period (PP) is divided by the total days in the payment period. *Days = calendar days for purposes of this formula and therefore include weekends and holidays. Only scheduled breaks of 5 days or more and approved leaves of absence are excluded.
 - Example: 25 calendar days attended in the PP / 82 total days in the PP = 30%.
- The net amount of Title IV funds disbursed and that could have been disbursed for the payment period is multiplied by the percentage of the payment period completed. The result is the amount of earned Title IV aid.
 - Example: \$4,000 Title IV aid disbursed X 30% of PP = \$1,200 earned
- The earned aid is subtracted from the aid that was actually disbursed to or on behalf of the student.

Policies on Treatment of Title IV Funds When a Student Withdraws

- The institution will return the lesser of the total unearned aid or the unearned institutional charges for the payment period.

- Example: \$4,000 disbursed - \$1,200 earned = unearned (amount of return)

5. Unearned aid is allocated back to the Title IV programs in the following order as specified by law:

- 1) Unsubsidized Stafford Loan Program
- 2) Subsidized Stafford Loan Program
- 3) Stafford PLUS Program

6. If excess funds remain after repaying all outstanding loan amounts, the remaining excess shall be credited in the following order:

- 4) Federal Pell Grant Program
- 5) Federal SEOG Program
- 6) Other assistance awarded under this title for which return of funds is required.

NOTE: After the institution has allocated the unearned aid, any amount owed by the student to a grant program is reduced by 50 percent. Unearned loan funds received by the student are paid back as per the terms of the borrower's promissory note.

State Refund Policy

South Coast College is also required to comply with the State of California refund policy.

Facilities and Services for Students with Disabilities

All administrative and educational facilities are accessible to the physically and intellectually disabled. Students with disabilities may discuss any special educational needs with their Program Director, and South Coast College will make every attempt to accommodate these requests. Disabled parking and a campus elevator are provided for accessibility.

Student Body Diversity

South Coast College does not discriminate on the basis of race, color, age, religion, national origin, sexual orientation, gender identity, genetic information, sex, marital status, disability, or status as a U.S. veteran. Our most current student body breakdown is as follows:

Male	10.6%
Female	89.0%
Self-identify as a member of a racial/ethnic group	86.0%
Federal Pell Grant recipients	67.0%

Copyright Infringement—Policies and Sanctions

Copyright is a form of legal protection that protects an owner's right to control the reproduction, distribution, performance, display, and transmission of a copyrighted work.

Peer-to-peer (P2P) file sharing is a term that describes software programs that allow computer users utilizing the same P2P software to connect to each other and directly access digital files from one another's hard drives.

The unauthorized distribution of copyrighted material by one student to another is prohibited by law, and sanctions for violation of the law may include both civil and criminal liabilities. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or statutory damages affixed at not less than \$750 and not more than \$30,000 per work infringement. For willful infringement, a court may award up to \$150,000 per work infringement. A court can, at its discretion, also assess costs and attorneys' fees. Willful copyright infringement can also result in criminal penalties including imprisonment of up to five years and fines up to \$250,000 per offense.

South Coast College takes this law very seriously, and any student found sharing or distributing copyrighted material will face disciplinary action and may be subject to censure, probation, suspension, or dismissal. The level of disciplinary action will be based on the seriousness of the situation. ***For more information, go to the U.S. Copyright Office website at www.copyright.gov.***

Transfer of Credit Policies and Articulation Agreements

Students who transfer into South Coast College may have their academic units reviewed for acceptance into their program. Courses that are transferred into a program will be counted toward the 150 percent maximum time frame that students can complete in their program. Transfer units do not count in students' 65 percent completion rate or in their CGPA.

Miscellaneous Items

Constitution and Citizenship Day

September 17 has been designated by the Department of Education as U.S. Constitution and Citizenship Day. South Coast College keeps information on the U.S. Constitution and Bill of Rights posted year round to help ensure that all students are familiar with their U.S. history and rights as Americans. All instructors are encouraged to teach at least one class session on the Constitution on that day or to participate in an activity related to the Constitution.

Emergency Response and Evacuation

In the case of an emergency such as fire, earthquake, or campus violence, South Coast College is prepared to assist students and staff to respond in a calm, organized fashion. Exits are clearly marked with neon

signs; and evacuation maps have been placed in offices, classrooms, and hallways. Fire extinguishers are clearly mounted around campus.

In an emergency or dangerous situation involving an immediate threat to the health or safety of students or employees at South Coast College, the Operations Manager, without delay, will determine the content and method of a campus-wide notification, unless such notification will compromise individual safety or otherwise compromise efforts to contain the emergency.

Once the level of the emergency has been assessed and an action plan determined, the Operations Manager will either notify the campus personnel in person or by using the broadcasting system accessible at the front desk. Students, staff, and faculty will be informed of the action plan, such as staying indoors, evacuating the building, evacuating the campus, or other.

The chain of responsibility in an emergency is as follows: (1) The Operations Manager, (2) The Director/President, (3) Managers, (4) Staff/Faculty, (5) Students.

The Operations Manager will notify and liaison with outside emergency personnel such as police or firefighters as necessary. Outside agencies will also be notified if any emergency occurring at South Coast College requires contacting the surrounding community.

The emergency response and evacuation procedure is tested annually.

Information about Vaccination Policies

South Coast College does not have any vaccination requirements.

Textbooks

South Coast College has an on-campus bookstore that stocks both required and recommended texts and supplies for all programs. A cost-sheet is given to new students as an addendum to the catalog at Orientation. In cases where texts and supplies are bundled, the cost sheet breaks down the cost for each item included in the bundle. Textbooks and supplies can be purchased in the campus bookstore or off-campus sites or from other students.

The cost of required textbooks is generally included in a student's financial aid package so students can make bookstore charges against their South Coast College account. This allows all students to be able to purchase textbooks and supplies ten days prior to the start of class if their financial aid award is complete. At the time of repackaging, a student can choose not to have books and supplies included in their financial aid package and to pay for these costs out of pocket.

Voter Registration

South Coast College supplies Voter Registration forms to all students during the August Quarter Registration each year and supplies Voter Registration Materials in the front lobby or the Student Services / Financial Aid Office year round.

If you are 18 or older, a U.S. Citizen, and a resident of California and attending South Coast College, you should be eligible to register. If you have recently changed your name, address, or political party, you can also use the materials supplied to re-register.

For additional information on Voter Registration, or to register electronically, go to the following:

www.registertovote.ca.gov

Financial Assistance Information

Types of Aid Offered at South Coast College

Cal Grant

Cal Grant is a financial aid program administered by the California Student Aid Commission (CSAC) providing aid to California undergraduates, vocational training students, and those in Teacher Certification Programs. Cal Grants are the largest source of California State-funded student financial aid.

To be eligible for a Cal Grant, a student must be a U.S. citizen or an eligible non-citizen; be a California resident; attend a qualifying California college; demonstrate financial need at the college; be in a program leading to an undergraduate degree or certificate; not have a Bachelor's or professional degree.

Student must submit his/her FAFSA and GPA verification applications by March 2 of each year to be considered.

Pell Grant: Need-Based

Pell Grants are federal grants that never have to be repaid. Eligibility is based on the Estimated Family Contribution and a payment schedule that is established by the Department of Education each year. A student must have an eligible Estimated Family Contribution (EFC) to qualify. Awards are distributed quarterly and are adjusted to three-quarter time for evening programs.

Supplemental Educational Opportunity Grant (SEOG): Need-Based

SEOG is a federal grant that never has to be repaid. Students must have a zero (0) EFC and not have a prior degree to qualify.

Iraq and Afghanistan Service Grant — Non-Need-Based

For students whose parent or guardian dies as a result of U.S. military service in Iraq or Afghanistan after September 11, 2001.

If the student has an EFC that is over the maximum to be eligible and the student was under age 24 when his/her parent dies, he/she may be eligible for this grant as determined by DOE when the student files his/her FAFSA.

Veterans Benefits

Students who are applying for Veterans Benefits to help cover their costs at South Coast College need to apply for their benefits online at www.benefits.va.gov/gibill. Once a VA application is approved, the student will receive a “Certificate of Eligibility” from the Veterans Administration. They need to submit this form to the Financial Aid Office as soon as possible. Coordination of tuition payment is set up if the student has VA benefits that cover tuition and fees.

Enrollment for VA recipients is certified electronically during the second week of each quarter. Payment to the student or the student’s account varies depending on the VA Administration’s time frame. South Coast College will hold tuition payments for students pending VA benefits; however, if students have other financial aid in the form of grants or loans, their tuition will be paid from their financial aid until VA benefits are received.

Direct Loan:

- **Subsidized: Need-based.** Subsidized Direct Loans are federally guaranteed loans that begin interest and repayment six months after the student is no longer enrolled at least half-time.
- **Unsubsidized: Non-need-based.** Unsubsidized Direct Loans are federally guaranteed loans that begin accumulating interest immediately upon disbursement and begin repayment six months after the student is no longer enrolled at least half-time.

Direct PLUS Loans: Non-Need-Based

Direct PLUS Loans are federally guaranteed loans that have to be repaid. PLUS loans are for parents of Dependent students. Parents cannot have adverse credit to be able to qualify. If parents cannot qualify for a PLUS loan, students may borrow additional Unsubsidized Stafford Loan funds as a replacement in their packages.

Private Loans: Non-Need-based

Students can apply for Private Loans up to their full cost of education as determined by the financial aid office. Loan eligibility and interest rate are contingent on the applicant’s credit worthiness. Private Loans should not be considered until all other financial aid has been applied for and awarded. Contact the financial aid office for more information on Private Loans.

How to Apply for Financial Aid

New Students

All prospective students are brought in to see a Financial Aid Officer for a Tentative Award by their Admissions representative. Costs, financial aid, and payment amounts are discussed with students based on their program and start date. Students are then scheduled for a follow-up appointment where the Financial Aid Officer assists them by completing a FAFSA through FAA Access, and packages/awards their financial aid. At the appointment, students complete all necessary paperwork. This paperwork includes, but is not limited to, a South Coast College Financial Aid Information Form, an Entrance Interview form, a

receipt for the Consumer Handbook, and a Verification Worksheet. Direct Loan MPN's are printed and taken to the Financial Aid Orientation for new students to complete the first week of the quarter. Loans are processed electronically in EDEXpress and the MPN is mailed to COD for processing.

Continuing Students

All continuing students are required to complete their FAFSA online. Two months prior to the anniversary of their start date (9 months for day students and 12 months for evening students) a package/award is made. Students are notified when it is time for them to set up an appointment to repackage. At the appointment, students complete all necessary paperwork. This paperwork includes, but is not limited to, a South Coast College Financial Aid Information Form, an Entrance Interview form, and a Verification Worksheet. Direct Loans are processed electronically through EDEXpress.

Eligibility Requirements

- Meet South Coast College Admissions Requirements
- Be a U.S. Citizen or Eligible Non-Citizen
- Have a high school diploma, GED, or verification of home schooling
- Enrolled at least half-time
- Making Satisfactory Academic Progress (SAP)
- Be in compliance with Selective Service registration
- Not be in default on a Federal Student Loan
- Not owe a repayment on a federal grant

Awarding Funds

Funds are awarded on a first-come first-served basis after taking all other eligibility requirements into account. Files are reviewed and repackaged upon a student's anniversary date — every 9 months for day students and 12 months for evening students. SEOG is only awarded to students with a 0 EFC.

After all grant aid is awarded, loan aid is offered based on academic grade level and aggregates used. As awarding is done with the students present, they determine how much subsidized and/or unsubsidized loan they want to borrow based on their individual needs. If there is still a balance due, PLUS loans are discussed or payments are set up at the time of awarding. Conversely, if the student qualifies for living-expense funds, this is set up at the time of awarding. The South Coast College award letter shows all funds awarded and balances by quarter with the payment arrangements or living expense checks (stipends).

Private loans are never part of students' initial financial aid award and are only brought up if the students indicate they need more funding than they are being offered.

Estimated Family Contribution (EFC) and Need

Financial aid applicants must file a Free Application for Financial Aid (FAFSA) online each year so that the Department of Education can determine their estimated family contribution. The Financial Aid Office then determines student eligibility for need-based aid by subtracting the estimated family contribution from the cost of attendance.

Example:	
Cost of Attendance	\$26,622
Minus Estimated Family Contribution	\$ 5,000
Equals Total Need	\$21,622

If students are Dependent by the federal definition outlined in the FAFSA, parental income and assets are also used in calculating the estimated family contribution.

A student who has a financial situation that cannot be adequately reflected in the FAFSA (e.g., loss of job, loss of benefits, divorce) should make an appointment to discuss his or her individual case with a Financial Aid Officer.

Children of soldiers who died as a result U.S. military service in Iraq or Afghanistan after September 11, 2001, may be eligible for an automatic zero EFC. The student must be eligible for a Pell Grant and must have been under age 24 when his/her parent died. The student is notified directly by the Central Processing System if he/she meets the criteria for this waiver of EFC.

Need vs. Non-Need Financial Aid

Need-based financial aid cannot exceed students' need as determined by the "Cost of Attendance minus Estimated Family Contribution" formula given previously. The awarding formula for non-need-based financial aid is as follows:

Example:	
Cost of Attendance	\$26,622
Minus Need-Based Aid	\$ 9,050
Equals Eligibility For Non-Need-Based Aid	\$17,572

Non-need-based aid can be used in place of the estimated family contribution in some cases. Examples of non-need-based aid are Unsubsidized Direct Loan, PLUS Direct Loans, and Private Loans.

Verification

South Coast College verifies all financial aid applicants that the Central Processing Service (CPS) selects for verification. The school may also choose to place a financial aid application into a verification status on a case-by-case basis. Verification means the students must provide documentation of the information they submitted on the FAFSA in the form of federal tax returns, a Verification Worksheet, and any additional forms the financial aid office deems necessary. Funds will not be released to students who are selected for verification until they complete the verification process. Students who do not or cannot fulfill the verification requirements will not be awarded financial aid.

Any conflicting information must also be reviewed and resolved prior to packaging. Failure to submit any needed verification information and documentation within two weeks may result in a late award.

Federal Work Study (FWS): Need-Based

Federal Work Study (FWS) is a federal program where students earn money to help them with living expenses. Federal Work Study at South Coast College is utilized for two types of jobs: 1) A tutor or literacy non-profit program that is off-campus or 2) an on-campus job that benefits students. The program in which the South Coast College students engage in off-campus is the America Reading Tutor for Children or Performing Family Literacy Activities and the on-campus jobs are primarily for graders in the Court Reporting Program. Students complete all necessary paperwork in the Accounting Department and are paid twice a month by South Coast College. FWS is not part of an original award package and is generally available to upper classmen only.

Federal Work-Study Policies and Procedures

Federal Work-Study

The FWS Program provides funds for part-time employment to assist students in financing the costs of their educational expenses. Federal Work-Study jobs may be on or off campus.

Off-Campus employers must be pre-approved for participation.

Student Eligibility

1. A student must have financial eligibility to qualify for FWS funding every year by completing the Free Application for Federal Student Aid (FAFSA).
2. A student must meet Satisfactory Academic Progress standards every quarter.
3. The FWS award is not input into the student's award letter until the end of the award period.
4. A student must have financial need of at least \$500.00 a quarter to qualify.
5. The FWS amount cannot exceed unmet need.
6. South Coast College posts the position and interested students come into the Financial Aid Office to apply.
7. A student must sign the Job Description and Agreement as well as an Application and Referral Form for the Off-Campus jobs.
8. The Off-Campus agency must complete their section of the referral form.

Obtaining Employment

1. Once a student qualifies for a FWS position, make sure to submit completed personnel paperwork to the Human Resources office with approved IDs.
2. South Coast College pays 100% of student earnings and requests twice a year (June and December) for the reimbursement of FWS funds from Department of Education.
3. A student must attend mandatory employee orientation.
4. Once Human Resources receive clearance for student's fingerprints, a time card will be sent to a student indicating that a student may begin to work for the Off-Campus jobs.
5. Hand written or online timecards must be submitted to the Human Resources office with supervisor approval twice a month by due dates.
6. Unsigned timesheets will be rejected and returned to a student, resulting in a delay in payment.

7. Falsification of timesheets will result in immediate student termination without grounds for appeal.

Pay Rate / Hours

1. A student is paid by the hour and pay rate may start at the federal minimum wage and it will be increase after 90 days of probation period, depending on the performance.
2. A student may not work more than 30 hours per week.
3. The paychecks will be available on the 5th (pay period from 16th until the last day of pervious month) and 20th (pay period from 1st to 15th of current month) of each month.

Note: South Coast College pays more than the total FWS authorization amount for FWS employees. South Coast College's share is exceeding 25% of federal funds.

Job Performance

1. Grading or community service tutoring are work-study positions that are contingent upon a student being in good standing at South Coast College.
2. The supervisor will do an evaluation at the end of each quarter. If a student has a poor evaluation, he/she will be counseled. If a student has a second poor evaluation, he/she is no longer eligible for work study.
3. Students are expected to dress appropriately for the type of FWS position they have been assigned.

Pell-Eligible Students

Pell-eligible students may obtain or purchase required books and supplies by the seventh day of a payment period.

General Conditions and Terms Applicable to Any Employment

Code of Conduct for Financial Aid Officers

South Coast College 1) bans revenue sharing with lenders, 2) bans steering borrowers to a particular lender, 3) bans offers of funds for private loans to students, 4) bans accepting gifts from loan agencies, 5) bans compensation for services to a lender, and 6) bans compensation for serving on any loan advisory board. All financial aid staff members adhere to this policy.

South Coast College does not offer students a preferred lender list for Private Loans. All students are referred to one lender, as there is only one lender we have found that makes Private Loans to our school.

Professional Judgment

South Coast College encourages students with a substantial change in financial circumstances to notify the financial aid office for possible reconsideration of their financial aid award. These requests are

reviewed on a case-by-case basis and will not always be allowed, nor will they always make a change to a student's financial aid award. The decision of the campus is final and cannot be appealed to the Department of Education. Some examples include but are not limited to loss of a job, retirement, separation, divorce, death of parent or spouse, extreme medical expenses, or child-care costs.

Drug and Alcohol Policies

Policy

South Coast College is committed to achieving a safe, healthy, productive work environment for all employees and students, free from effects of illegal drugs and employee/student alcohol consumption. It is the policy of South Coast College to prohibit illegal drug usage, possession, sale, and distribution on or in the South Coast College property or while performing South Coast College business and to prohibit alcohol/drug usage, which may affect a person's job performance. Having an illegal drug in the body while on or in South Coast College property and/or being under the influence of alcohol/drugs while on duty or performing South Coast College business are prohibited. South Coast College conducts a biennial review of its drug and alcohol policies and procedures for effectiveness and makes any changes deemed necessary.

South Coast College provides assistance to our employees and students in getting help. However, it is the responsibility of each employee or student to seek assistance before alcohol and drug problems lead to a violation of school policy. Once a violation of this policy occurs, subsequently seeking assistance or voluntarily entering a rehabilitation program will not necessarily lessen any disciplinary action and may be disregarded in any disciplinary decision.

Violation of this policy or any other policy of South Coast College relating to alcohol or drugs may result in disciplinary action, up to and including suspension pending termination. Because of the importance to all employees and students of enforcement of the College's drug and alcohol policies, disciplinary action involving these policies may be implemented with or without warning to the disciplined employee or student.

Students receiving Title IV funds who are convicted of a criminal drug offense during the period of enrollment for which the funds were awarded will lose eligibility for all Title IV funds. In such cases, the student will be given written information on how they can regain eligibility.

The complete drug and alcohol prevention policy including penalties for drug law violations is found in the Drug and Alcohol Abuse Prevention Program Policies booklet that is given to each new student and can be downloaded at <http://southcoastcollege.edu/images/pdf/da.pdf>. Information is provided annually to each student in separate written notice advising students of the following:

Conviction under federal or state law for any offense involving the possession or sale of illegal drugs will result in loss of eligibility for any Title IV grant, loan, or work-study.

If eligibility is lost, the following will occur:

The student will be notified in a separate, clear, and conspicuous written notification about:

- Their loss of eligibility
- Ways in which they can regain eligibility

Information regarding the Drug and Alcohol Abuse Prevention Programs Policy and is provided to each student and employee annually on October 1. All new students and new employees are informed of this policy at the time of their enrollment or employment.

Students' Rights and Responsibilities

Criteria for Continued FSA Eligibility

At South Coast College, the satisfactory academic progress standards are monitored in three areas:

1. Cumulative Grade Point Average (CGPA)
2. Maximum Time Frame for Completion of Program (150%)
3. Percentage of Credits to be Completed at Evaluation Points (67% of Attempted Credits or Clock Hours, whichever applies)

SAP standards 1-3 are monitored for degree seeking students in annual increments and for all other program students in quarterly increments. (**Note:** "Annual," as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)

Satisfactory Progress Standards

Continuing students are given their current loan balance annually when they repackage. At this time the financial aid officer advises them on how much they have borrowed and how their estimated time to degree will affect their future indebtedness. Students are also given a DOE Entrance Interview booklet when they repackage so they can stay current on all student loan information and their rights and responsibilities under the program.

2018-19 Satisfactory Academic Progress

Campus Standards

Federal regulations require all institutions that participate in Title IV aid programs to define and monitor satisfactory academic progress (SAP) for all financial aid recipients. The standards must be the same as, or at least as stringent as, the SAP standards for non-financial aid recipients. The standards must be applied to all students, both full-time and part-time.

Notification to Student

- Any student not meeting one or more of the SAP requirements will be notified in writing.
- The CGPA, percentage of completed credits, and maximum time frame are reviewed annually or quarterly, based on the students' start and repackaging date. At repackaging, the students are sent a letter asking them to come into the FAO for counseling.

- Written notification includes information on the consequences of not meeting SAP standards, how to reestablish eligibility, and the appeal process.
- In a situation where students regain financial aid eligibility, they will be notified in writing by the FAO and their financial aid files will be reactivated.
- The full process for each of the three SAP areas will be discussed later in this section.

Academic Norms

SAP standards for financial aid recipients are measured against the academic norms for all students in the three areas:

Cumulative Grade Point Average (CGPA)

The cumulative grade point average (CGPA) is based on a 4.0 scale as follows:

A = 4	B = 3	C = 2	D = 1	F = 0
--------------	--------------	--------------	--------------	--------------

Students must have a 2.0 CGPA at the end of each academic year and at each annual review period thereafter. A 2.0 or above is required for graduation in all programs

Students who do not have a 2.0 CGPA at the end of each academic year, or at any annual review thereafter, will be taken off of financial aid. These students can reestablish their financial aid eligibility by either 1) attending without financial aid (paying cash) and bringing their CGPA back to a 2.0; or 2) appeal due to extenuating circumstances. The appeal process is discussed later in this section. Once a student regains his or her eligibility for financial aid, he or she will be notified in writing by the FAO and his/her financial aid file will be reactivated. Students who do not wish to pay cash while reestablishing eligibility or who do not have extenuating circumstances for an appeal will be academically dismissed.

Maximum Time Frame for Completion of Program

Federal regulations require schools to set a limit to the amount of time a student can work toward any degree or certification and maintain their financial aid eligibility. At SCC we use the maximum time frame allowed, which is 150% of the normal published program length. The time frame for each program measured in credits and clock hours is as follows:

Program	Normal Time (Credits)	Maximum Time Frame (Credits)	Normal Time (Clock Hours)	Maximum Time Frame (Clock Hours)
Court Reporting (AAS Degree)	192	288	4,440	6,660
Court Reporting (Certificate)	177	265	4,272	6,408
Paralegal Studies	96	144	1,344	2,016

Medical Assisting	39	58	900	1,350
Realtime Steno Interpreting	195	292	4,440	6,660
Court Reporting Production Specialist	94	141	2690	4035

Students who do not meet the maximum time frame requirement at annual or quarterly review, will be ineligible for financial aid. Students who do not meet/reach the maximum time frame can also file an appeal if they believe they have extenuating circumstances. The appeal process is discussed later in this section. Once a student regains his or her eligibility for financial aid, he or she will be notified in writing by the Financial Aid Office and his/her financial aid file will be reactivated.

Percentage of Credits/Clock Hours Completed

To ensure that students are able to finish their program within the 150-percent time frame allowed, the FAO monitors the percentage of cumulative credits completed annually or quarterly. Students are required to complete 67% of all credits attempted during each evaluation point (annually or quarterly) depending upon the program. Students earning 67% of cumulative credits attempted are on pace to complete the program within the maximum time frame.

For court reporting students, the following credit hour to clock hour conversion will be applied:

- At least 900 clock hours per academic year divided by 25 yields 36 quarter credits per academic year.
- Daytime court reporting students are schedule to complete at least 300 clock hours per term for three terms annually (900 clock hours)
- Nighttime court reporting students are scheduled to compete at least 228 clock hours per term for four terms annually (912 clock hours)

Students who do not meet the percentage requirement at each evaluation point will be taken off financial aid. These students can reestablish their financial aid eligibility by either 1) attending without financial aid and bringing their percentage back up; or 2) appeal due to extenuating circumstances. The appeal process is discussed later in this section. Once a student regains his or her eligibility for financial aid, he or she will be notified in writing by the Financial Aid Office and his/her financial aid file will be reactivated. Students who do not wish to pay cash while reestablishing eligibility or who do not have extenuating circumstances for appeal will be academically dismissed.

Termination

Attending classes consistently is essential to the student's progress through the program. In accordance with federal requirements, if a student misses more than two weeks of school without an approved leave of absence or fails to return as scheduled from an approved leave of absence, he/she will be withdrawn from the program of study.

Evaluation of SAP Standards

The increment for SAP review varies due to the student's program and type of SAP standard being reviewed. The review increments are as follows:

Cumulative Grade Point Average (CGPA)

- Court Reporting AAS, Paralegal Studies: annually (**Note:** Annual, as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)
- All other programs: quarterly.

Maximum Time Frame for Completion of Program

- Court Reporting, AAS, Paralegal Studies: Annually.
(**Note:** Annual, as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)
- All other programs - quarterly.

Percentage of Credits Completed

- Court Reporting, AAS, Paralegal Studies: Annually.
(**Note:** Annual, as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)
- All other programs: Quarterly.

Effect of Non-Academic Grades on SAP

Course Withdrawals

Withdrawals result in a "W" grade. They are counted in credits attempted but not in credits completed and affect the student's 67-percent completion requirement as well as the maximum time frame calculation.

Incomplete Grades

SCC does not give a grade of Incomplete.

Repeated Courses

Repeated courses will be counted in the calculation toward the 67% required completion of credits and the credits that count toward reaching the maximum time frame length of a program, which is 150% of the normal program length.

Non-Punitive Grades

SCC does not have non-punitive grades.

Non-Credit

A goal class can be taken for a letter grade or non-credit.

Remedial

SCC does not have remedial classes.

Transfer of Credits

- Students who transfer into SCC may have their academic credits reviewed for acceptance into their program. Courses that are transferred into a program will be counted toward the 150% maximum time frame that a student can compete in their program. Accepted transfer credits count as both attempted and completed hours.
- Students who transfer out of SCC would need to contact their new school to see if any of their credits will transfer. SCC does not have any current articulation agreements with other schools concerning transfer of credits earned at SCC.

Probation Periods

Students may appeal for reinstatement of financial aid if they feel they have extenuating circumstances. If an appeal is approved, the student will be placed on probation and his/her SAP will be reviewed quarterly. Students placed on probation may continue to receive Title IV funds for one payment period while the student is on financial aid probation. Students must meet the institution's SAP standards or have an academic plan developed by the institution to monitor SAP. Students who fail to meet the SAP standards specified in their appeal or academic plan during their probation period will be terminated from aid until such time as they get back to the level of SAP standards required at SCC.

Appeal Process

Students may file an appeal if they believe there are mitigating circumstances why they did not meet the campus SAP requirements, whether for CGPA, percentage of credits completed, or maximum time frame. SCC defines mitigating circumstances as including, but not being limited to:

- An act of nature that results in the displacement of the student from his/her residence.
- A documented extraordinary medical condition/serious accident.
- Death of an immediate family member.
- Unusual circumstances beyond the student's control

Appeal Procedure

- The student writes a letter to the attention of the Director of Financial Aid that includes all mitigating circumstances involved as well as an action plan for improvement. “I had issues,” is an insufficient explanation.
- Any documentation that can verify or help clarify the appeal should be attached.
- If the appeal is for exceeding the maximum time frame, a letter of support from your program director outlining your academic plan for the next enrollment period is also required.
- The appeal will be taken to the campus management committee for review and action. The student will be notified of their appeal outcome within 10 working days.

Appeal Approval

If an appeal is approved, the student’s financial aid will be awarded/reinstated for a probationary period. If a student fails to meet SAP standards while in their probation period, he/she will be taken off of financial aid. If, at the end of a probationary period, the student is still not meeting the SAP requirements, they will be taken off of financial aid. The student will be allowed to enroll as a cash paying student until they reestablish their SAP status. Students who do not wish to enroll in a cash payment status may be dismissed.

Appeal Denial

If an appeal is denied, the student will be taken off of financial aid. Students will be allowed to enroll as cash paying until they reestablish their SAP status. Students who do not wish to enroll in a cash payment status may be dismissed. Students who are at the maximum time frame for their program and are denied can only reestablish eligibility by transferring into a new program.

Change of Program

- If students wish to change from one program to another at SCC, they need to do so in writing. Requests are reviewed by the program director to determine whether any classes are transferable from the student's prior program into their new program.
- Only the classes that are transferred into the new program are used to calculate the student’s SAP in the new program.
- All credits and grade points that are not accepted into the new program are “closed” and no longer used in the student’s SAP calculation
- All program requirements for SCC students are outlined in the current SCC catalog.

Additional Degree

- If students wish to work toward an additional degree, they need to apply in writing. Requests are reviewed by the program director to see if any classes are transferable from the student’s prior degree into their new degree.
- Only the courses that apply to the additional degree are used to calculate the students SAP in their new degree program.

- All credits and grade points that are not accepted into the new program will be “closed” and no longer used in the students SAP calculation
- All program requirements for SCC students are outlined in this catalog.

Program Graduation

A CGPA of 2.0 or greater is required for graduation in all programs at SCC.

Methods and Frequency of Disbursing Information

Financial aid funds are disbursed to a student’s account once attendance and half-time enrollment for the quarter are verified. However, students at South Coast College can purchase textbooks and supplies on the campus bookstore ten days prior to the start of a quarter if their financial aid process is complete and an award has been made.

If students have a credit balance with no outstanding charges, they are eligible for living expense checks. Living expense checks are available in the Financial Aid Office after 1 p.m. on the second Thursday of each quarter.

Exceptions to the second-week disbursement are as follows:

- Funds not received from a lender or other funding agency on time
- Summer grants awarded from the following year’s FAFSA must be held until July 1
- Students’ files that are incomplete
- No attendance recorded

Student Loan Information: Terms and Conditions of Loans

Student award letters contain the amount of subsidized and unsubsidized loans that the student is being awarded as well as the maximum amount he/she is eligible for, for the award year. Students are required to sign the award letter, and a copy is kept in their financial aid file. All Loan information, including information on deferments, is given to students each time they package in a one-on-one Entrance Interview using the DOE Direct Loan Entrance Interview booklet. South Coast College has new students complete a paper Master Promissory Note that is processed through COD. Students are notified when their loan funds are disbursed to their account via an Accounting Statement. If the student is receiving a living expense check, he/she is notified when the check is available for pick-up in the Financial Aid Office.

Loan Entrance Counseling

Loan Entrance Counseling is required of all financial aid recipients and is done one-on-one with students at the time they are packaged/awarded. This is done annually for students in any program longer than one year. At packaging/repackaging, students are required to complete an “Entrance Interview” form. The advisor reviews the terms and conditions of the loan(s) the student is awarded and gives each student a copy of the *DOE Entrance Interview booklet*. Students receive a copy of all forms for their records.

Loan Exit Counseling

Loan Exit Counseling is required of all students who leave South Coast College whether officially or unofficially. If the student leaves officially, the counseling session is done one-on-one at the time he/she withdraws or graduates. Students are required to complete an *Exit Interview* form. The *DOE Direct Loan Exit booklet* is given to exiting students to ensure that students understand the terms and conditions of their loan repayment. If students leave unofficially, the materials are mailed to their home address with a cover letter asking them to return the Exit Interview form and the Exit Interview Checklist within two weeks.

Students' Responsibilities

Students must understand their responsibilities as well as their rights. If you borrow money for your education, you must repay your loans. You will not be allowed to not pay your loan. There are serious consequences for failing to repay loans. However, there are deferment possibilities for student loan borrowers. You cannot simply ignore your responsibilities. If you have financial hardship, you need to talk with someone who can help you. Information on repaying student loans can be found at www.studentloans.gov.

You must keep in mind the following:

- The necessity for repaying your loan
- Consequences of failing to repay loan
- Deferment possibilities for student loan borrowers

Information regarding these items and a sample repayment schedule can be found at the www.studentloans.gov website.

National Student Loan Data System (NSLDS)

All Direct Loan borrower information for both students and Parent PLUS borrowers is reported to NSLDS and will be accessible by guaranty agencies, lenders, and institutions who are authorized users of the NSLDS system.

All continuing students are given a copy of their loan history from the NSLDS database every time they repackage as well as when they leave South Coast College. This tool is used to discuss the student's total indebtedness in relation to repayment and aggregate loan limits. Loan detail pages are also printed for the student to be aware of who his/her various loan servicers are.

To access the NSLDS student site log onto: http://www.nsls.ed.gov/nsls_SA/ www.nsls.ed.gov

Privacy of Student Records: FERPA

Family Educational Rights and Privacy Act (FERPA)

FERPA is a federal law that protects the privacy of students' educational records and gives them certain rights concerning those educational records. These include, but are not limited to:

1. The right to review and/or request a copy of your own educational records. At South Coast College this requires a 30-day written request to the Records Office.
2. The right to request amendment to inaccurate or misleading information in your educational record. If, after review of the request, the school decides not to amend the record, it will inform the student of the process to request a hearing on the matter.
3. The right to provide written consent before South Coast College releases any information in your record except as allowed in the law. Allowable third parties include, but are not limited to, accrediting agencies, auditors, transfer institutions, Department of Education, judicial order or subpoena, and agencies handling health or public safety emergencies.
4. The right to file a complaint with the U.S. Department of Education if you feel South Coast College is not meeting FERPA guidelines. A complaint form can be obtained by calling (202) 260-3887.

South Coast College students are notified annually regarding educational records: right to review, right to request amendment; right to consent to disclosures of personally identifiable information: right to file complaint with ED; school's policy regarding disclosures to school officials with legitimate educational interest (if applicable).

South Coast College has implemented all available safeguards to ensure FERPA guidelines are met in both paper and electronic format. For more information about FERPA log onto: www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html

South Coast College Information Security Policy

The Information Security Plan is designed to ensure the security, integrity, and confidentiality of non-public customer information, protecting it against anticipated threats, and guarding it against unauthorized access or use. The College's policies are reviewed annually and the designated Gramm-Leach Biley (GLB) Act. Security Program Officer for the College is the Director of Operations. All correspondence and inquiries about the College Information Security Plan should be directed to this officer.

College employees are responsible for securing confidential information used in the execution of their duties and for following any additional departmental privacy and security procedures. The College's GLB Information Security Plan and departmental policies include measures to safeguard physical and electronic records and address the need for constant attention to privacy and security when using non-public information. Supervisors are expected to provide training for all staff and volunteers on the privacy and security procedures for their department.

Information that must be safeguarded includes "any record containing non-public information about a student, employee, alumni or any other third party engaged in a financial transaction with the College". The information to be protected may be in paper, electronic or other forms. Typical examples of protected information include financial information, academic records and employee personal information. Each department will ensure that third party service providers maintain appropriate safeguards for non-public information to which they have access. Contracts with service providers must include specific provisions to secure the privacy and security of information according to the GLB.

All confidential material should be kept in secure locations using locked filing cabinets or offices with locked doors. Employees should turn off their computers, lock offices and secure data when leaving their work area for an extended period of time. If an employee is unsure if their actions are in compliance with the College Information Security Plan, they should consult with their supervisor. An employee failing to comply with the security policies of the College could be subject to disciplinary action up to and including dismissal and legal action for personal liability.

South Coast College protects its online access through a firewall managed by a certified firewall technician.

Institutional Security Policies and Crime Statistics

Campus Safety and Security

South Coast College has been diligent in providing a safe environment for its students. In the event that a crime or safety threat does occur, you should immediately contact the Operations Manager who will determine if off-campus agencies (e.g., police or fire department) should be contacted.

The Operations Manager keeps the crime log, submits the annual report to DOE by October 1 and also issues any necessary warnings to the campus community in response to specific campus crimes that might pose a threat to other persons or property. Information booklets about personal safety are posted and distributed in various places on campus. Seminars on safety are provided for interested students and staff.

Each year colleges are required to report crime statistics for any crime that occurs either on campus or within the immediate area of the campus to the Department of Education and to make this information available to students and staff. This is often referred to as the "Clery Report." This report is available for viewing online at:

<http://southcoastcollege.edu/wp-content/uploads/2015/06/South-Coast-College-Policy-and-Annual-Report.pdf>

Students and employees receive annual updates regarding the Campus Safety and Security.

Violence Against Women

Each year colleges are required to report any violence against women committed on the campus. For the previous year, there have been no reported instances of violence against women. It is to be noted that South Coast College does not have any dormitories and has a predominately-female population.

Student Right-to-Know Act

Graduation and Retention Rates

The graduation and retention rate measures are defined by the National Center for Educational Statistics (NCES) as only including undergraduate degree- and/or certificate-seeking students who have never attended another institution of higher education and who began attending South Coast College in a specific cohort year. Graduation rate is defined as the percentage of graduates within 150 percent of the normal time frame. Retention rate is the percentage of students who persist in their educational program by re-enrolling the second academic year. The following information is from the most current year's report. The full report can be found on the CollegeNavigator site at <http://nces.ed.gov/collegenavigator/?id=123642#general>

The following data is from the information reported to the Integrated Postsecondary Education Data System (IPEDS) by South Coast College for 2013-2014, based on the 2010 cohort year. The cohort is first-time full-time enrollees who have no prior postsecondary education. This information is shown in total and is not program-specific. For more specific program information, see the Gainful Employment Section of this Handbook or contact the admissions office for a "School Performance Fact Sheet" for the program(s) in which you are interested.

Based on IPEDS 2018-19 Graduation Rate, Cohort 2015-2016 Data:

Graduation Rate	64%
Males	66%
Females	89%
American Indian/Alaska Native	1%
Asian/Pacific Islander	10%
Black/African American	6%
Hispanic/Latino	36%
Native Hawaiian or Pacific Islander	0%
White/non-Hispanic	31%
Non-Resident Alien	n/a
Other/Unknown	17%
Pell Grant Recipients	67%
Need-based loans, no Pell	84%
Non-need-based loans only	73%
Cash-Paying Students	27%

This rate only includes first-time full-time students. Many of our students who are not counted in these figures have prior degrees or prior post-secondary education.

Retention Rate – (began in 2017 and re-enrolled in 2018):

Full-Time Students	65%
Three-Quarter-Time Students	17%

Placement Rates

South Coast College calculates job placement rates annually for reporting to its accrediting agency and for reporting to students as part of the “Gainful Employment” disclosure requirement. The most current job placement rates by program are listed under the *Gainful Employment* grid found on the South Coast College web site. For additional information about placement, students are encouraged to meet with their program director either prior to enrolling at South Coast College or prior to graduation.

South Coast College court reporting certificate and degree graduates are employed as court/deposition reporters or as CART providers. Medical Assistant graduates are employed in medical front and back offices. Paralegal Studies graduates are employed as independent paralegals or as assistants to attorneys.
