ABOUT SOUTH COAST COLLEGE

OUR HISTORY
South Coast College was founded in Long Beach, California, in 1961 as the Stenotype School of Long Beach. In 1974, the College moved to Garden Grove, California, and the corporate name was changed to Whitley College. In 1980, Orange County College of Court Reporting was merged into Whitley College, and the name was changed to South Coast College of Court Reporting. In 1996, the College was granted degree-granting status and expanded its offerings beyond court/deposition reporting and related fields to include medical assistant, legal administrative assistant/secretary, and paralegal careers. In August 1999, the name was changed to South Coast College to reflect the addition of other programs.

MISSION STATEMENT
The mission of South Coast College is to provide quality education and training in a caring, student-oriented environment to individuals who are highly motivated and who wish to improve their lives.

South Coast College believes that, in this highly competitive business world, post-secondary education that trains people both in the skills and the language of specific careers is a valuable asset. South Coast College was founded on the philosophy that concentrated training in a chosen career can offer an alternative or a complement to other types of post-secondary education.

OUR PHILOSOPHY
South Coast College has a steadfast philosophy of dedicating its faculty, administration, programs, and facilities to superior training in an atmosphere that is friendly, efficient, personal, professional, and student-oriented. South Coast College is quite proud that the successful application of its philosophy has earned the College a widespread reputation for excellence; that its graduates can expect to develop skills that will help them not only in obtaining a job but in developing critical learning abilities and life skills.

STUDENT POPULATION
The training at South Coast College is intended for the following audiences:

- students upon completion of high school,
- individuals who have no prior post-secondary education, who are looking for a career change,
- individuals who possess degrees and who wish to apply their knowledge and expertise to a legal- or medical-related field,
- professionals who wish to update their skills and knowledge.

www.southcoastcollege.edu
OBJECTIVES
Our objectives are to provide our students with cognitive, performance-based, quality education and to assist them with career placement. The means of attaining these objectives are as follows:

- provide students with an exposure to academically-oriented subjects that will enhance the quality of their lives, expand their cognitive reasoning skills, and make them aware of the ethical way to handle themselves;
- train students for a given field of study;
- prepare students for a successful career by helping them to develop proper work habits, a professional attitude, and an increased level of self-esteem;
- help students to obtain entry-level positions in their chosen fields of study.

These objectives are accomplished by offering courses of study and teaching methods that are appropriate to an entry-level position in the individual's field of study. All functions of the College revolve around these objectives.

To accomplish the mission, the College monitors the needs of the relevant business and professional communities and modifies the institution's curriculum, personnel, facilities, and equipment as necessary.

South Coast College regularly upgrades its programs to do the following:

- merit the confidence of the community we serve (students, working reporters, attorneys, courts, deposition agencies, transcription agencies, colleges/universities, broadcast, and healthcare facilities),
- keep our educational programs dynamic and current with the changing times to enable our graduates to be confident of meeting the challenges of the fast-changing social, economic, and technological climate.

Specifically, South Coast College strives to do as follows:

- continuously measure the effectiveness of our institution through feedback from our graduates and the community we serve,
- provide a curriculum that stresses skills and the attainment of critical thinking and sound reasoning,
- provide quality English and career-language training,
- train students in the mechanics of court reporting and related fields, paralegal, legal administrative assistant / legal secretary, and medical assistant and related healthcare careers to be able to secure entry-level positions in these areas,
- encourage assessment by students, graduates, advisory board members, employers, and faculty to ensure continual improvement of the institution and its educational programs,
- maintain the professional development of staff and faculty by encouraging membership in professional organizations and participation in pertinent educational workshops, conferences, seminars, and in-service training,
- provide students with personal and professional guidance to assist them in satisfying their future goals and foster the development of lifetime educational growth,
- uphold admissions standards that aim toward enrolling qualified students who are capable of pursuing a post-secondary career,
- train students in the ethical and professional obligations and considerations of their chosen careers.
EXPECTED OUTCOMES
The measurable student learning outcomes that demonstrate the achievement of goals include the following:

**SHORTHAND REPORTERS**
Shorthand reporters who graduate from the certificate program (Court Reporting) meet the minimum standard set forth by the Court Reporters Board (CRB) of California (including a shorthand skill of 200 wpm) to take the Certified Shorthand Reporter Examination to work in the State of California as a court or deposition reporter. The Certified Shorthand Reporter Examination qualifies reporters for entry-level reporter positions. The program requires an apprenticeship of the minimum hours mandated by the Court Reporters Board.

Shorthand reporters who graduate from the degree program (Court Reporting) meet the additional standards set forth by the National Court Reporters Association (including a shorthand skill of 225 wpm). They will have attained the proficiencies required to take and pass a Registered Professional Reporter examination, allowing them to work in states that require only that designation for employment.

Shorthand reporters who graduate from either the AAS degree or certificate programs are qualified with skills to work in entry-level positions that include rapid-data entry, CART reporting for the hearing-impaired, hearing reporter in courts, or captioners.

**LEGAL ADMINISTRATIVE ASSISTANTS / LEGAL SECRETARIES**
Legal administrative assistants / legal secretaries who complete the certificate program (Legal Administrative / Legal Secretary) are able to work in entry-level legal administrative and legal secretarial positions in law offices and other legal-related offices. They will have computer skills, communication and office skills, legal document preparation and assembly skills, including a keyboarding skill of 50 wpm.

**PARALEGALS**
Paralegals who complete the degree program (Paralegal Studies) are able to work in entry-level paralegal positions in attorneys' offices and other legal-related offices. Students shall be competent to draft basic, routine pleadings (and other legal documents), interview clients, conduct independent research of nonlegal matters, conduct legal research of simple legal questions, and draft legal memoranda. Students shall be able to write accurately and precisely, with good grammar, and shall gain an understanding of computer applications related to the legal environment. The general education requirements are designed to increase the student's breadth of knowledge and understanding and to encourage the appreciation of life-long learning, while, at the same time, increasing the student's competence in the field of legal assisting.
Medical Assistants who complete the certificate program (Medical Assistant) will be able to perform the basic functions of a medical assistant, including both front office (billing) and back office skills. Clinical skills that the student will learn include but are not limited to giving injections; administering medications; obtaining vital signs, such as blood pressure; and recording patient history. The students will also learn to draw blood, collect and process lab specimens, and perform glucose and hemoglobin testing. Additionally, the student will develop skills such as assisting in surgery, instrument sterilization, tray preparation, and removal of sutures.

Administrative skills that the student will learn include appointment scheduling, billing and insurance procedures, and telephone techniques. After award of the certificate, the student will have developed sufficient skills and be eligible for placement in entry-level positions in hospitals, medical clinics, or doctors' offices as medical assistants or medical assistant billing specialists.

Upon completion of the program, students are prepared to take the examinations offered by the National Healthcare Association. They may receive certificates in the following areas: Billing and Coding Specialist, Medical Administrative Assistant, Clinical Medical Assistant, or Electronic Health Records Specialist.

At South Coast College, the faculty and staff take a personal interest in you as a student. The administrative offices are open for counseling on either College or personal problems. Faculty members are available upon request before and after class to offer guidance and assistance with classroom work and assignments.

The classes are designed to encourage the development of self-reliance, while laboratory instruction emphasizes a hands-on approach. Study groups and camaraderie are encouraged through class projects and practice groups. Individual differences in learning are recognized, and personal assistance is always available for those who need it. The College promotes collegiality by seeking student, faculty, and staff input for governance and decision-making.

The College promotes a synergistic approach to learning by exposing students to integrated learning situations through mock trials and integrated lab experiences.

The South Coast College staff maintains continuous, active participation in national, state, and local professional organizations, such as: the National Court Reporters Association, the Association of Reporter Training, the Deposition Reporters Association, the Orange County General Shorthand Reporters Association, the Chamber of Commerce, the State Bar of California, the Orange County Paralegal Association, the National Federation of Paralegal Associations, Inc., and the National Healthcare Association. The staff of South Coast College is encouraged to participate in occasional advisory boards and in various forms of professional development where they can interact with professionals in the fields of court reporting/captioning, law, business, computer technology, and medicine.
ACADEMIC CALENDAR  JULY 1, 2015 TO JUNE 30, 2016

Mid-Summer Quarter Begins  July 6, 2015

Mid-Spring Quarter Begins  April 4, 2016
Summer Quarter Registration  April 26/28, 2016

SUMMER QUARTER BEGINS  May 23, 2016
Memorial Day  May 30, 2016

Note: All South Coast College class sessions are conducted in residence on our campus located at 2011 West Chapman Avenue, Orange, California 92868.
ADMISSION AND TUITION

SELECTION OF YOUR COLLEGE
Your choice of a profession should be carefully made. The choice of a college should be made with even more care. The reputation and standard of quality of the college you attend will be of extreme importance to you, both before and after graduation, and you should certainly visit the campus, ask questions, and get the feel of the college atmosphere beforehand. We invite the comparison of our college with any other that you may visit. Our over 50 years of experience in creating professionals for the medical and legal fields will serve you well.

ADMISSIONS
The specific requirements and procedures for admission to South Coast College are the following:

1. A high school diploma (or proof of equivalency such as a high school transcript, GED certificate, college transcript, or college diploma) must be submitted as proof of ability to do college-level work. A Home Study certificate or transcript from a Home Study program must reflect equivalent high school level work and be recognized by the student’s home state. Home Study education and graduation must be verified.
2. All applicants must complete the required admissions documents and submit the necessary fee(s) stated on the Tuition and Fee Schedule (Addendum A) and in the Enrollment Agreement.
3. All applicants must meet with an admissions representative for an informational interview. Parents and spouses are encouraged to be present.
4. All applicants are required to tour the campus at the time of their informational interview or at any time prior to enrolling in classes.
5. All applicants must attain a score of 50 out of 100 points on an admissions standardized inventory test and score 70 out of 100 points on an admissions standardized general knowledge test, or a combined score of 60 on a computerized entrance test.
6. All applicants must complete an enrollment interview and execute enrollment documents, including the application form, the enrollment agreement, and sign other required disclosure documentation. Documentation must be signed by a parent or guardian if the applicant is under 18 years of age.
7. Recruitment is in English and all courses are taught in English. Students must be able to speak, read, and write fluently in English. English abilities will be determined through the South Coast College admissions test (noted in No. 5), an interview, and completion of necessary documents. South Coast College does not currently instruct English as a second language. South Coast College does not instruct in a foreign language.
8. South Coast College accepts credits from other recognized or accredited colleges or parallel courses when a grade of C or better has been achieved. Challenge examinations are available for certain courses. A $100 test fee is charged for each challenge examination. See Exemption From Courses. Applications for credit for previous education, training, or work experience (see Work Experience Credit) must be completed prior to the first day of the course for which the transfer credit is requested. Allowance of credit may be based upon evaluation of official transcripts or examination.
9. All applicants must complete financial arrangements prior to starting class. If applicable, financial aid applications must be completed.
10. All applicants must pay a required registration fee.
11. Medical Assistant students must have any required health examinations, pathology tests, and immunizations completed prior to beginning clinical courses, fieldwork training, or externship experience.

12. The State, employers, and various other agencies may require criminal background checks before a student can be placed in an externship or take professional licensing certification or registration exams.

13. As a prospective student, you are encouraged to review this Catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. If there is any portion of the agreement that you do not understand, please ask to have it explained to you.

For detailed admissions and procedures requirements for foreign students, see Appendix A.

NONDISCRIMINATION
South Coast College admits students of any race, religion, color, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at South Coast College.

South Coast College does not discriminate on the basis of age, sex, sexual orientation, race, religion, color, or national or ethnic origin in hiring or in administration of its educational policies, admissions policies, loan programs, or other College-administered programs.

TUITION
- Please refer to the Addendum A - Tuition and Fee Schedule for specific charges and for an estimate of total College costs.
- Books and supply costs may vary with the class schedule.
- The tuition structure is based on these class schedules:
  - Day Program - four or five days per week, depending upon the credits attempted.
  - Evening Program - three or four evenings per week, depending upon the credits attempted.

Tuition for all South Coast College programs is standardized over the year. So no tuition reduction is made for excused absences.

ACADEMIC YEAR
An academic year at South Coast College is approximately 9 months in length for day students and 12 months in length for night students. Each academic year defines full time as 36 quarter units. For day students, full time is 12 units a quarter for 3 quarters; and for evening students, full time is 9 units a quarter for 4 quarters. A student must be at least half-time (6 units for day students or 5 units for night students) to qualify for financial aid. Pell grants are prorated for less than full-time enrollment.

Academically, one credit hour is equal to 12 hours of instruction for lecture classes, 24 hours of laboratory, and 36 hours of externship. For financial aid award purposes on certificate programs, one credit hour is equal to 25 clock hours of instruction, including a minimum of 20 clock hours of classroom or direct faculty instruction. The remaining 5 clock hours may include acceptable and documented student work outside of class and/or instructional hours.

Even though students are packaged for financial aid in academic years, students are expected to attend college year-round.
APPROVALS
South Coast College is approved to operate as a private postsecondary institution in the State of California. Approval to operate means that the College is in compliance with State standards as set forth in the Education Code. An approval to operate does not imply an endorsement or recommendation by the indicated agency.

Note: The approval of South Coast College to operate as a private postsecondary institution in the State of California is based on provisions of the California Private Postsecondary Education Act (CPPEA) of 2009, effective January 1, 2010.

South Coast College is accredited by the Accrediting Council for Independent Colleges and Schools (ACICS) to award the Academic Associate's degree, Occupational Associate's degree, and Certificates.

Documentation of approvals and accreditation is available for review with the Director of the Institution.

MEMBERSHIPS
- Association of Reporter Training Schools (ARTS)
- National Federation of Paralegal Associations, Inc. (NFPA)
- National Healthcare Association (NHA)

South Coast College has no pending petitions in bankruptcy, is not operating as a debtor in possession, nor has filed a petition within the preceding five years, nor has had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).
PROGRAMS OFFERED
South Coast College offers the following Associate of Applied Science degrees, Associate of Arts degree, and certificate programs:

DEGREE PROGRAMS
- AAS Court Reporting
- AA Paralegal Studies

CERTIFICATE PROGRAMS
- Certificate Court Reporting
- Certificate Medical Assistant
- Certificate Legal Administrative Assistant / Legal Secretary

GENERAL EDUCATION FOR AA AND AAS DEGREE-GRANTING PROGRAMS

PARALEGAL STUDIES
Paralegal Studies students must complete EN100, HU101, HU102, NS101, NS102, SS101, and SS102 (or SS104 in place of SS102).

COURT REPORTING AND RELATED FIELDS
Court reporting students must follow the requirements of the Court Reporters Board (CRB) of California and the National Court Reporters Association (NCRA) to meet their requirements for certification and graduation.

Note: The CR and PR Courses are defined under the court reporting curriculum in the catalog. Other courses may be substituted at the College’s discretion to fulfill the General Education or elective requirements.

For course descriptions and general education offerings for Paralegal, see Paralegal Studies sections.

BASIC LIFE SKILLS
COURT REPORTING PROGRAM
- CR101 Composition and Sentence Structure 5 Cr.
- CR102A Grammar and Usage - Noun Emphasis 5 Cr.
- CR102B Grammar and Usage - Verb Emphasis 5 Cr.
- CR103 Analysis of the Rhetoric of Oral Communications 5 Cr.

LEGAL PROGRAMS
- EN100 English Composition 4 Cr.

HUMANITIES
LEGAL PROGRAMS
- HU101 Survey of Literature 4 Cr.
- HU102 Introduction to Philosophy 4 Cr.

SOCIAL SCIENCES
COURT REPORTING PROGRAM
- CR104 Critical Reading of Local and National Current Events 5 Cr.
- CR105 Critical Reading of International Current Events 5 Cr.
- PR104 Introduction to Computers and Management Information Systems 2.5 Cr.
- PR105 Court Reporting CAT and Realtime Software 2.5 Cr.

LEGAL PROGRAMS
- SS101 Critical Reading of Current Events 4 Cr.
- SS102 Introduction to American Government (or SS102) 3.5 Cr.
- SS103 Introduction to Psychology 4 Cr.

CALIFORNIA COURT REPORTER LAW

COURT REPORTING IS A STATE-LICENSED PROFESSION

In order for a person to qualify from a school to take the State licensing examination to be able to work as a court or deposition reporter, the person shall complete a program at a recognized school. For information concerning the minimum requirements that a court reporting program must meet in order to be recognized, contact:

COURT REPORTERS BOARD OF CALIFORNIA
2535 Capitol Oaks Drive, Suite 230
Sacramento, CA 95833
www.courtreportersboard.ca.gov

Phone Number: 916-263-3660

The Court Reporters Board of California (State of California Department of Consumer Affairs) administers three examinations yearly and issues State licenses to the successful applicants. The State Board requires applicants from a reporting school to furnish proof of successful completion of the entire school reporting program, including the ability to write stenographically at 200 wpm 4-voice testimony for 10 minutes with an accuracy of at least 97.5 percent.

South Coast College is approved by the National Court Reporters Association and as such must meet or in areas exceed the minimum requirements of the Court Reporters Board of California. See the comparison of the CRB (Court Reporters Board) requirements and the South Coast College requirements in the enrollment packet.

The minimum requirement of the CRB for the Certified Shorthand Reporter (CSR) examination is as follows:

COURT REPORTING PROGRAMS

PROGRAM OBJECTIVE
The objective of the Court Reporting Program at South Coast College is to prepare students for a wide array of careers that employ the use of the stenotype skill. Students may use this skill in many careers, including: data entry specialist, hearing reporter (in courts), CART reporting for the hearing-impaired, and captioner.

The demand for reporters in these areas is increasing as more and more of the Americans with Disabilities Act is being implemented.

To work as a court reporter in a state court or deposition reporter in the State of California requires certification by the Court Reporters Board (CRB) of California. Working in a federal court in the state does not require state licensure but may require attaining the Registered Professional Reporter (RPR) Certification by the National Court Reporters Association (NCRA).

South Coast College prepares students to take and pass both examinations.

PROGRAM DESCRIPTION
Although certification is not necessary to work in many of the fields in which the stenotype skill is involved, the courses in the Court Reporting Program are highly specialized and intensive to prepare students for the rigorous examination administered by the Court Reporters Board of California (CRB).

The newly licensed reporter is expected to be competent to perform reporting assignments that involve the welfare of others. Upon certification, the student will be qualified to work in a court or deposition where certification is required.

South Coast College has designed a training program that provides the opportunity for students to move through skill levels as fast as their skill development allows them. Students must acknowledge that they (not the College) must assume the responsibility for their progress in court reporting, as progress from one skill level to another generally requires approximately 72 hours of practice outside of class.

Students within our Day School program are required to spend a minimum of 25 hours a week in machine shorthand skill building classes, academic classes, and related practice. Students within our Night School program are required to spend a minimum of 19 hours a week in machine shorthand skill building classes, academic classes, and related practice. Hours that are missed must be made up in order for the student to be considered as following the program requirements.

# COURT REPORTING DAY PROGRAM

## YEAR 1

### QUARTER 1
- **CR201A** Shorthand Theory Part I  
  2.5 Cr.  30 Hrs.
- **CR201B** Shorthand Theory Part II  
  2.5 Cr.  30 Hrs.
- **CR202AA** Court Reporting Theory Part I  
  2.5 Cr.  30 Hrs.
- **CR202AB** Court Reporting Theory Part II  
  2.5 Cr.  30 Hrs.
- **CR202BA** Computer Tutorial Part I  
  2.5 Cr.  60 Hrs.
- **CR202BB** Computer Tutorial Part II  
  2.5 Cr.  60 Hrs.

### QUARTER 2
- **CR101** Composition and Sentence Structure  
  5 Cr.  60 Hrs.
- **PR118A** Skill Building 40 wpm (Elective)  
  2.5 Cr.  30 Hrs.
- **PR118B** Skill Building 50 wpm (Elective)  
  2.5 Cr.  30 Hrs.
- **CR203** Skill Building 60 wpm  
  5 Cr.  120 Hrs.
- **CR204** Skill Building 70 wpm  
  5 Cr.  180 Hrs.
- **PR115A** Document Preparation: Formatting  
  2 Cr.  24 Hrs.
- **PR115B** Document Preparation: Speaker Identification  
  1.5 Cr.  30 Hrs.

### QUARTER 3
- **CR102A** Grammar and Usage - Noun Emphasis  
  5 Cr.  60 Hrs.
- **CR104** Critical Reading of Local and National Current Events  
  5 Cr.  60 Hrs.
- **CR205** Skill Building 80 wpm  
  5 Cr.  180 Hrs.
- **CR206** Skill Building 90 wpm  
  5 Cr.  180 Hrs.

### QUARTER 4
- **CR102B** Grammar and Usage - Verb Emphasis  
  5 Cr.  60 Hrs.
- **CR109** Integrated Medical Science  
  5 Cr.  60 Hrs.
- **CR207** Skill Building 100 wpm  
  5 Cr.  180 Hrs.
- **CR208** Skill Building 110 wpm  
  5 Cr.  180 Hrs.

## YEAR 2

### QUARTER 1
- **CR103** Analysis of the Rhetoric of Oral Communications  
  5 Cr.  60 Hrs.
- **CR209** Skill Building 120 wpm  
  5 Cr.  180 Hrs.
- **CR210** Skill Building 130 wpm  
  5 Cr.  180 Hrs.

### QUARTER 2
- **CR110** Medical Terminology with Steno Emphasis  
  5 Cr.  60 Hrs.
- **CR211** Skill Building 140 wpm  
  5 Cr.  180 Hrs.
- **CR212** Skill Building 150 wpm  
  5 Cr.  180 Hrs.
- **CR220A** Live Multi-Voice 150-160-170 wpm Part I  
  2.5 Cr.  30 Hrs.

### QUARTER 3
- **CR105** Critical Reading of International Current Events  
  5 Cr.  60 Hrs.
- **CR213** Skill Building 160 wpm  
  5 Cr.  180 Hrs.
- **CR220B** Live Multi-Voice 150-160-170 wpm Part II  
  2.5 Cr.  30 Hrs.

GRADUATION REQUIREMENTS
To receive the South Coast College degree in court reporting, students must do the following:
1. Complete 192 credit hours required for graduation, as described in this catalog.
2. Pass two 5-minute typing tests at 60 wpm gross with a maximum of 5 errors.
3. Pass three (3) literary material tests at 180 wpm for five minutes, transcribed at 95 percent accuracy. Pass three (3) jury charge material tests at 200 wpm for five minutes, transcribed at 95 percent accuracy. Pass three (3) testimony tests at 225 wpm for five minutes, transcribed at 95 percent accuracy.
4. Complete 60 hours of apprenticeship reporting with a licensed reporter. A minimum of 10 hours must be deposition hours, 10 hours must be court proceedings hours, and 10 hours must be observation hours. Of the 60 hours, 50 hours must be actual writing time.
5. Transcribe a minimum of 40 pages from notes taken at court or a deposition (salable quality).
6. Return all College materials.
7. Complete a financial aid exit interview.
8. Be free of indebtedness to the College.
9. Maintain a minimum CGPA of 2.0.

Note: The number of hours and pages required may be increased to satisfy Court Reporters Board (CRB) of California and National Court Reporters Association (NCRA) requirements upon their request.

EXPLANATION OF COURSE NUMBERING SYSTEM
CR100s  Court Reporting Academics
CR200s  Skill Building
PR100s  Professional Courses/Electives
RT200s  Realtime Courses - Skill Development
COURSE DESCRIPTIONS Court Reporting Programs

| CR201A | MACHINE SHORTHAND THEORY PART I |
| CR201B | MACHINE SHORTHAND THEORY PART II |
| Part I: | 2.5 Credits |
| Part II: | 2.5 Credits |
| Class: | 2.5 lecture |

Machine Shorthand Theory is an introductory study of machine shorthand that includes learning the steno keyboard and a phonetic-based system for representing words, phrases, punctuation, and other symbols. It is the basis for the machine shorthand skill required for the Certified Shorthand Reporter examination for court and other verbatim reporter positions.

| CR202AA | COURT REPORTING THEORY PART I |
| CR202AB | COURT REPORTING THEORY PART II |
| Part I: | 2.5 Credits |
| Part II: | 2.5 Credits |
| Class: | 2.5 lecture |

Court Reporting Theory is a reinforcement class in machine shorthand that provides practice in writing challenging material. The course includes an introduction to two-voice testimony. Students receive hands-on realtime practice. Concurrent Enrollment in Machine Shorthand Theory is required.

Note: Students attend mandatory laboratory to practice transcription from steno notes and laboratory media.

| CR202BA | COMPUTER TUTORIAL PART I |
| CR202BB | COMPUTER TUTORIAL PART II |
| Part I: | 2.5 Credits |
| Part II: | 2.5 Credits |
| Class: | 2.5 lecture / 2.5 laboratory |

Computer Tutorial is a machine shorthand class that uses a computer to measure a student’s speed and accuracy in writing shorthand and transcribing steno notes. Students write shorthand using the steno keyboard from English material viewed on the screen and transcribe using the QWERTY keyboard on the computer from steno notes provided in each lesson. Emphasis is placed on developing typing and shorthand accuracy.
SKILL BUILDING COURSES  
(CR203-CR221B)

The skill building program at South Coast College is a well-designed program that consists of coordinated materials for homework, in-class dictation/practice, laboratory practice, and testing.

Day students are required to sign up for a block of a minimum of 16-25 hours a week in machine-related courses, depending upon the student's current speed. This time is divided up among various activities: testing at current speed (goal), practicing accuracy for realtime purposes (trail), evaluating ability to write a higher speed (push), reinforcing theory for skill development, taking dictation on medical or legal dictation, practicing two- to four-voice live dictation. One hour a week is dedicated to the application of the academic subject that corresponds to the academic course in which the student is enrolled.

At 150 wpm, students are required to take a multi-voice course to meet the requirements of a minimum of 16 hours a week on the machine. At 180 wpm, students are required to take an additional multi-voice course, which increases the required time on the machine to a minimum of 20 hours a week.

Students up to 170 wpm are required to attend theory reinforcement at 8 a.m. or 12 p.m., depending upon their goal speed.

At each skill level, students are required to do one hour of daily homework practice material from hard copy and to type a minimum of two tests per week from dictation material dictated in the goal class for which the student receives attendance credit. Students are encouraged to transcribe every test. Test requirements are five-minutes in duration at 97.5 percent accuracy. (Tests at speeds of 170 wpm, 180 wpm, 190 wpm, 200 wpm are longer tests).

Note: Tests are not repeated within a six-month period.

CR217  SKILL BUILDING 200 WPM

5 Credits
Class:  5 lecture / 5 laboratory*
Prerequisite:  CR216

Concurrent enrollment in CR220 and CR221 Live Multi-Voice Testimony is required.
Skill Building 200 wpm consists of dictation, read-back, and transcription of two- to four-voice court/deposition and literary material. The course provides new vocabulary (from general, legal, medical, and/or current events) and a reinforcement in most frequently used words, phrases, word families, punctuation, numbers, and speaker identification. Transcription of test dictation and homework are part of the requirement. The skill goal is 200 wpm for 10 minutes. To meet degree requirements, the student must transcribe dictated materials that consist of a minimum of 10 pages of transcript in two hours or less. Open enrollment is possible upon completion of 180 wpm. Open exit is possible upon completion of skill requirements.

CR218  SKILL BUILDING PROFICIENCIES PART I

5 Credits
Class:  5 lecture / 5 laboratory*
Prerequisite:  CR217

Concurrent enrollment in CR220 and CR221 Live Multi-Voice Testimony is required.
Skill Building Proficiencies Part I consists of dictation, read-back and transcription of two- to four-voice court/deposition and literary material. The course provides new vocabulary (from general, legal, medical, and/or current events) and a reinforcement in most frequently used words, phrases, word families, punctuation, numbers, and speaker identification. Transcription of test dictation and homework are part of the requirement. This course is a sequential course in the court reporting program toward the AAS degree. The skill goal is the passage of the two parts of the NCRA required proficiency tests (simulated RPR skills tests): three literary tests at 180 wpm and three jury charge tests at 200 wpm. Open enrollment is possible upon completion of 190 wpm. Open exit is possible upon completion of skill requirements.

**Live Multi-Voice Testimony 180-190-200 WPM**

- **Part I**: 2.5 Credits
- **Part II**: 2.5 Credits
- **Class**: 2.5 lecture each
- **Prerequisite**: Concurrent enrollment in other skill building courses is required.

Live Multi-Voice Testimony 180-190-200 wpm consists of dictation of live multiple-voice court/deposition proceedings. Transcription is encouraged. The skill goal ranges from 180-200 wpm with emphasis on building sustained dictation for periods of up to 30 minutes. This class begins to prepare students for the California Certified Shorthand Reporter (CSR) Examination. Open enrollment is possible upon completion of 170 wpm. However, to fulfill degree requirements, students must transcribe dictated material at 180, 190, or 200 wpm consisting of a minimum of 10 pages in three hours or less with 95 percent accuracy.

**Composition and Sentence Structure**

Composition and Sentence Structure is a thorough, fundamental study of English sentence structure. Parts of speech; sentence parts including phrases, clauses, appositives; and simple, compound, and complex sentence structures are emphasized; and composition skills are studied and practiced in depth. Various methods of paragraph development are covered along with the techniques to enhance paragraph effectiveness (arrangement of sentences for paragraph coherence, transitions between sentences, paragraph length). One hour a week is spent in the application in a machine shorthand setting. See **Skill Building Classes** description.

**Grammar and Usage - Noun Emphasis**

Grammar and Usage - Noun Emphasis is a thorough study of grammar and usage acceptable in business and academic communications, in preparation for CSR and other professional exams, as well as in transcript and transcription editing. This is a systematic study of compound and collective nouns, pluralization, possessives, foreign nouns, pronouns in phrases and subordinate clauses, antecedents, personal and possessive and relative and interrogative and demonstrative and reflexive and indefinite pronouns, subject/predicate/pronoun agreement, adjective and adverb forms and usage, articles, and all related usage problems. Students are required to demonstrate knowledge of principles learned through written assignments, and one hour a week is spent in the application in a machine shorthand setting. See **Skill Building Classes** description.

Intermediate Typing is an independent progress course using a computer that includes class drills on straight copy to achieve typing skills of 40-50-60 wpm respectively on unfamiliar material. The emphasis is placed on keystroking rhythmic patterns and performing manipulative skills. Completion of two typing tests at 60 wpm gross with a maximum of five errors on unfamiliar material is required for the AAS degree.

Introduction to Computers and Management Information Systems provides an introduction to computers and computer-aided transcription (CAT). This course includes a study of hardware, Windows file management, and an overview of the computer-aided transcription cycle. It is designed to help students gain basic computer literacy and be able to make informed decisions about software and equipment.

</tbody>
</table>

Court Reporting CAT and Realtime Software is a class that provides hands-on experience with the following parts of the computer-aided transcription (CAT) cycle: building a dictionary, reading in notes, using Note Scope, translating notes, editing notes, using the editor as a word processor, spell checking a document, and printing a document. It also provides introduction to Microsoft Windows commands used in reporting.
PR106 INTRODUCTION TO CAT CONCEPTS (DICTIONARY BUILD)

2.5 Credits
Class: 5 lecture
Duration: 6 weeks
Prerequisite: 120 wpm skill speed or consent of the instructor

Introduction to CAT Concepts is a class that enables students to develop a familiarity with the CAT system and build a starter dictionary suitable for a working reporter.

PR107 APPRENTICESHIP - TRAINING FOR COURT/DEPOSITION REPORTING

3 Credits
Class: 1 lecture / 2 laboratory and 50 hours of internship
Prerequisite: Shorthand skill of 180 wpm

The student is required to have 60 hours of externship and observation. Of the 60 hours, a minimum of 50 hours must be actual writing time; 10 hours must be observation hours. The actual writing time must be under the direct supervision of a licensed CSR, who will sign the student's apprenticeship hour form. The student must write a minimum of 10 hours in a courtroom setting and 10 hours in a deposition setting. The remaining 40 hours may be from either discipline.

Note: The student is not permitted to serve in the capacity of an actual reporter during apprenticeship.

The Court Reporters Board (CRB) states a student should begin apprenticeship hours at 180 wpm or above. The Board suggests 5 hours of observation between the skills of 80 wpm and 120 wpm and a second 5 hours of observation between the skills of 120 wpm and 180 wpm.

In addition, the class consists of 9 weeks of laboratory under the supervision of an instructor in which the students will produce their transcripts.

The Court Reporters Board (CRB) requires that students produce a 20-page courtroom transcript and a 20-page deposition transcript from these apprenticeship hours to be eligible to take the California CSR examination.

To meet the NCRA/South Coast College degree requirements, the student is required to produce a 40-page, salable quality transcript (for classroom use only) that will be evaluated by an instructor. These 40 pages must be in addition to the Court Reporters Board (CRB) requirement.

PR108 CSR/RPR EXAM PREPARATION

3 Credits
Class: 6.67 lecture / 6 weeks
Prerequisite: CSR Qualification at South Coast College

The CSR/RPR Exam Preparation course is a thorough course in test-taking techniques and extensive review of grammar, spelling, vocabulary, medical and legal terminology, and CSR law in preparation for both the California CSR exam and National Court Reporters Association RPR exam. The classes are based on the content of the South Coast College degree program.
### COURT REPORTING PROGRAMS

#### PR115A  DOCUMENT PREPARATION: FORMATTING
- **A-Formatting:** 2.5 Credits
- **B-Speaker ID:** 1 Credit
- **Class:** 5 lecture / 4 laboratory
- **Duration:** 6 weeks (A and B)
- **Prerequisite:** CR201, CR202, or equivalent

These courses provide a basic foundation in multiple-speaker identification and in preparation of transcripts for test-taking at South Coast College, according to the Minimum Transcript Requirements mandated in the Code of Regulations. The course includes: multi-voice practice using software; introduction to the light board and speaker identification; transcription techniques, including: spelling, basic punctuation, hyphenation, and proofreading. The production of professional-quality work is emphasized. Skill building techniques are also presented. Students must have a typing skill of 30 wpm to complete this class.

#### PR115B  DOCUMENT PREPARATION: SPEAKER IDENTIFICATION

#### ELECTIVE COURSES FOR PROFESSIONAL DEVELOPMENT

**Note:** Any course taken in its entirety can be used for professional development.

### PR116A  
**SKILL BUILDING 240 WPM**  
5 Credits  
Class: 5 lecture / 5 laboratory*  
Prerequisite: CR219  
Skill Building 240 wpm consists of dictation and transcription of multiple-voice court proceedings, jury charge, congressional and other literary material, colloquy, expert testimony, depositions, and legal opinions. The skill goal is 240 wpm. Open enrollment is possible upon completion of CR219. Open exit is possible upon completion of skill requirements.

### PR117A  
**SKILL AND ACCURACY (DIRECTED PRACTICE)**  
**60-110 WPM**  
1-1-1-1 Credits  
Class: 5 lecture  
Prerequisite: CR201 and CR202  
Skill and Accuracy (Directed Practice) 60-110 wpm is an instructor-directed class that emphasizes accuracy in writing for skill-development purposes for students in speeds lower than 110 wpm. This class can be repeated as a student requires for the accuracy of skill building.

### PR117B  
**SKILL AND ACCURACY (DIRECTED PRACTICE)**  
**120-UP WPM**  
1-1-1-1 Credits  
Class: 5 lecture  
Prerequisite: CR201 and CR202, and a completion of 120 wpm  
Skill and Accuracy (Directed Practice) 120-Up is an instructor-directed class that emphasizes accuracy in writing for skill-development purposes for students in speeds of 120-up wpm. This class can be repeated as a student requires for the accuracy of skill building.

### PR118A  
**SKILL BUILDING 40 WPM**  
40 wpm: 2.5 Credits  
Class: 2.5 lecture / 2.5 laboratory  
Prerequisite: CR201  
Skill Building 40 wpm consists of dictation and transcription of two-voice court proceedings and literary material. It introduces students to the skill building process. The course provides a reinforcement in most frequently used words, phrase review, word families, punctuation, number drills, legal terms, and speaker identification. Transcription from new material is emphasized. This course is a sequential course in the court reporting program. The skill goal is 50 wpm. Open enrollment is possible upon completion of CR202. Open exit is possible upon completion of skill requirements.

### PR118B  
**SKILL BUILDING 50 WPM**  
50 wpm: 2.5 Credits  
Class: 2.5 lecture / 2.5 laboratory  
Prerequisite: CR201 and CR202; completion of PR118A is required for PR118B.  
Skill Building 40/50 wpm consists of dictation and transcription of two-voice court proceedings and literary material. It introduces students to the skill building process. The course provides a reinforcement in most frequently used words, phrase review, word families, punctuation, number drills, legal terms, and speaker identification. Transcription from new material is emphasized. This course is a sequential course in the court reporting program. The skill goal is 50 wpm. Open enrollment is possible upon completion of CR202. Open exit is possible upon completion of skill requirements.

### RE202  
**THEORY REINFORCEMENT**  
2.5 Credits  
Class: 2.5 lecture  
Prerequisite: CR201 and CR202  
Theory Reinforcement is designed to provide hands-on reinforcement of a concentrated number of theory outlines for the purpose of automating those outlines. The focus is on selected theory concepts with an emphasis on the weekly vocabulary presented in the homework packets. The course is to be taken in conjunction with the skill building courses until the student reaches 170 wpm. The student may receive hours to meet skill building hour requirements or credits for taking the course.
RT215  REALTIME ACCURACY (A-E) PART I

1-1-1-1-1 Credits
Class:  24 laboratory per credit
Prerequisite:  120 wpm or consent of the instructor
Realtime Accuracy Part I consists of entering each word of a specified accuracy drill into the dictionary and practicing it until it can be performed with no less than 96 percent accuracy at the required wpm per program. Open exit is possible upon completion of skill requirement.

RT216  REALTIME ACCURACY (A-E) PART II

1-1-1-1-1 Credits
Class:  24 laboratory per credit
Prerequisite:  RT215
Realtime Accuracy Part II consists of entering each word of a specified accuracy drill into the dictionary and practicing it until it can be performed with no less than 96 percent accuracy at the required wpm per program. Open exit is possible upon completion of skill requirement.

RT217  REALTIME ACCURACY (A-E) PART III

1-1-1-1-1 Credits
Class:  24 laboratory per credit
Prerequisite:  RT216
Realtime Accuracy Part III consists of entering each word of a specified accuracy drill into the dictionary and practicing it until it can be performed with no less than 96 percent accuracy at the required wpm per program. Open exit is possible upon completion of skill requirement.

RT218  REALTIME ACCURACY (A-E) PART IV

1-1-1-1-1 Credits
Class:  24 laboratory per credit
Prerequisite:  RT217
Realtime Accuracy Part IV consists of entering each word of a specified accuracy drill into the dictionary and practicing it until it can be performed with no less than 96 percent accuracy at the required wpm per program. Open exit is possible upon completion of skill requirement.

### GRADUATION REQUIREMENTS

To receive the South Coast College certificate in court reporting, students must do the following:

1. Complete 177 credit hours required for graduation, as described in this catalog.
2. Pass one 45 net wpm typing test.
4. Complete 60 hours of apprenticeship reporting with a licensed reporter. A minimum of 10 hours must be deposition hours, 10 hours must be court proceedings hours, and 10 hours must be observation hours. Of the 60 hours, 50 hours must be actual writing time.
5. Transcribe a minimum of 20 pages from notes taken at court and 20 pages from notes taken at a deposition.
6. Pass "qualifier" exam.
7. Return all College materials.
8. Complete a financial aid exit interview.
9. Be free of indebtedness to the College.
10. Maintain a minimum CGPA of 2.0.
11. Cease enrollment at South Coast College.
REALTIME REPORTER PROGRAMS
ASSOCIATE OF APPLIED SCIENCE (A.A.S.) DEGREE

Realtime: Steno-interpreting Program
Skill Requirement: 180 wpm
Credit: 195

The program eligibility requirements for all programs at South Coast College are the following:
1. High school transcript or GED or equivalent
2. Take and pass the admissions tests

PROGRAM DESCRIPTION
The Steno-interpreting Program is designed to prepare students for a successful career as a realtime writer for the field of steno-interpreting.

PROGRAM ELIGIBILITY
The Steno-Interpreting Program is designed to prepare students for a successful career as a realtime writer for the field of Communication Access Realtime Translation (CART Reporting). This program employs overlapping skills but different skill requirements and different subject matter emphasis.

STENO-INTERPRETERS/COMMUNICATION ACCESS REALTIME TRANSLATION (CART) report meetings for the hearing-impaired, classroom lectures on various levels from elementary to graduate school, medical consultations, community meetings, conference or telephonic calls, webinars, webcasts, and so on. The entry-level skill requirement for a CART provider is approximately 180 wpm. The realtime skill requirement of the Steno-interpreting Program for graduation is proficiency at 180 wpm.
REALTIME REPORTING PROGRAM

To be proficient as a high-skill realtime writer requires skills different from that of an entry-level certified court reporter. For this purpose, the realtime writing curriculum has been developed to provide skills specific to Communication Access Realtime Translation (CART) reporting for the deaf and hard of hearing.

REQUIRED CLASSES
The required classes for Steno-interpreting are as follows:

- RT104  Introduction to System/Software Commands
- RT202A  Realtime Concepts I
- RT202B  Realtime Concepts II
- RT202C  Realtime Concepts III
- RT202D  Realtime Concepts IV

Note: The lecture portion of Realtime Concepts I, II, III, and IV is the same for all four degree programs. The laboratory portion varies depending upon the degree.

ACCURACY CLASSES
The following classes are totally laboratory classes and provide an opportunity for students to specialize in their particular disciplines.

For Steno-interpreting, the emphasis will be on the discipline in which the student is intending to work and the educational level.

- RT215  Realtime Accuracy (A-E) Part I  1-1-1-1 Credit
- RT216  Realtime Accuracy (A-E) Part II  1-1-1-1 Credit
- RT217  Realtime Accuracy (A-E) Part III  1-1-1-1 Credit
- RT218  Realtime Accuracy (A-E) Part IV  1-1-1-1 Credit

Each class may be repeated four times should a student wish to pursue a degree in and Steno-interpreting.
**SKILL CLASSES**
The Skill Classes are designed to provide an opportunity to test individuals on their levels of skill achievement. The skill requirements depend upon the degree program being pursued. The skill requirements for Steno-Interpreting are as follows:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Description</th>
<th>Credits</th>
<th>Skill Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>RT220A</td>

</tr>
<tr>
<td>RT220D</td>
<td>Realtime Reporting Skill Part IV</td>
<td>1</td>
<td>Steno-interpreting 180 wpm</td>
</tr>
</tbody>
</table>

**EXTERNSHIP**
The externship for the Steno-Interpreting degree may be done in any one of the following places: classrooms at any educational level, medical facilities, churches, or anywhere steno-interpreting is used for individuals who are deaf or hard of hearing.
REALTIME REPORTING PROGRAM

SPECIAL GRADUATION REQUIREMENTS FOR THE STENO-INTERPRETING PROGRAMS
The graduation requirements for the Steno-Interpreting program are as follows:

STENO-INTERPRETING
1. Complete the selected required (51 credits) courses from the court reporting program.
2. Complete the entire 64 credits from the realtime core, with an emphasis on steno-interpreting subject matter.
3. Attain a skill of 180 wpm realtime.

CART (STENO-INTERPRETING) ADDITIONAL REQUIREMENTS
Specific graduation requirements for Communication Access Realtime Translation (CART) students shall include the following minimum standards:
1. Write three (3) five-minute, 180 wpm (word count) literary material takes with 96 percent verbatim accuracy.
2. Prepare a realtime translation of two (2) 30-minute segments of CART services on varied topics for course evaluation taken from the internship experience.
3. The student shall complete 15 hours of research and dictionary preparation and 25 hours of writing for a total of 40 hours of internship experience.

REALTIME REPORTING PROGRAM

COURSE DESCRIPTIONS Realtime Reporting Program

Realtime: Steno-interpreting Associate of Applied Science (A.A.S.) degree

RT104 INTRODUCTION TO SYSTEM/SOFTWARE COMMANDS

5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: None
Introduction to System/Software Commands provides an introduction to computers and systems/application software. It includes a study of hardware, basic system commands, and an overview of the basic commands that are necessary when using a realtime software that interfaces with other software. It is designed to help students gain basic knowledge of computer operations, systems, and software.

RT106A REALTIME REPORTING I: OVERVIEW

5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: PR104, PR105, PR106, or permission of the instructor
Realtime Reporting I is the class that enables students to explore different software used in the various areas of realtime reporting.

RT106B REALTIME REPORTING II: EXTERNSHIP

5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: RT106A
Realtime Reporting II is the class that enables students to overview different uses of realtime and more sophisticated techniques. Students learn to apply techniques for steno-interpreting. Students must complete no fewer than 40 hours in a work environment in addition to their laboratory hours.

RT113 INTRODUCTION TO RAPIDTEXT ENTRY (ELECTIVE)

5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: RT104 or consent of the instructor
Introduction to Rapid-Text Entry is a course that provides hands-on experience in using RapidText software to input directly into other software. The course includes instruction in using formatting symbols for the purpose of formatting documents directly from the shorthand machine keyboard and hands-on experience in writing realtime.
RT202A   REALTIME CONCEPTS I
5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: None
Realtime Concepts I explores the use of realtime writing in the computer-integrated court (CIC) environment. It introduces students to the parts of the CIC system, the various types of CIC systems, and the changing roles of reporters in the CIC environment. In addition, students will master a number of realtime writing principles that will enable them to perfect their writing skills by eliminating conflicts and word boundary problems.

RT202B   REALTIME CONCEPTS II
5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: RT202A
Realtime Concepts II explores the use of realtime writing in the deposition environment. It introduces students to the various types of realtime systems for depositions and to the changing roles of reporters in the realtime deposition environment. In addition, students will master a number of realtime writing principles that will enable them to perfect their writing skills by eliminating conflicts and word boundary problems.

RT202C   REALTIME CONCEPTS III
5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: RT202B
Realtime Concepts III explores the use of realtime writing in the classroom, seminar, conference, and convention environments. It introduces students to the various types of realtime systems in use for classrooms where there are hearing-impaired students and to the role of the reporter in the realtime classroom environment. In addition, students will master a number of realtime writing principles that will enable them to perfect their writing skills by eliminating conflicts and word boundary problems.

RT202D   REALTIME CONCEPTS IV
5 Credits
Class: 2.5 lecture / 5 laboratory
Prerequisite: RT202C
Realtime Concepts IV explores the use of realtime writing in the broadcast environment. It introduces students to the various types of captioning systems. In addition, students will master a number of realtime writing principles that will enable them to perfect their writing skills by eliminating conflicts and word boundary problems.

RT215   REALTIME ACCURACY (A-E) PART I
1-1-1-1 Credits
Class: 10 laboratory
Prerequisite: 120 wpm or consent of the instructor
Realtime Accuracy Part I consists of entering each word of a specified accuracy drill into the dictionary and practicing it until it can be performed with no less than 96 percent skill accuracy at the required wpm per program. Open exit is possible upon completion of skill requirement.

GRADING STANDARDS
Academic classes are graded according to the same standards as the court reporting program. An accuracy of 96 percent realtime writing is required on skill tests.
PARALEGAL STUDIES PROGRAM (AA DEGREE)

PROGRAM OBJECTIVE
The overall objective of the Paralegal Studies Program is to prepare students to be paralegals who can work in any paralegal setting and complete any paralegal assignment in a competent and professional manner.

Some possible job titles for which students will be prepared are the following: Litigation Paralegal, Business or Corporate Paralegal, Family Law Paralegal, Intellectual Property Paralegal, Immigration Paralegal, Real Estate Paralegal, Bankruptcy Paralegal, Collections Paralegal, Environmental Law Nonlawyer Staff, Labor and Employment Paralegal, Probate and Estates Paralegal, Criminal Law Paralegal.

Other related titles are the following: Legal Investigator, Legal Nurse Consultant, Legal Technology Specialist / IT Staff, Document Examiner, Work-Life Balance Administrator, Patent Agent, Trial Graphics and Animation Support Specialist, Forensics Specialist, Title Examiner, Agent, and Abstractor, Litigation or Trial Consultant, Freelance, Contract, or Independent Paralegal, Legal Recruiter, Process Server, Legal Researcher/Writer.

These titles are only a portion of the titles to which a paralegal may apply. A more comprehensive list with job descriptions is available in the Admissions Office.

PROGRAM DESCRIPTION
The Paralegal Studies program is designed to provide students with a basic understanding of the core areas of law and the court systems. Students shall be able to draft basic routine pleadings and other legal documents, interview clients, conduct independent research of nonlegal matters, conduct legal research of simple legal questions, and draft legal memoranda. Students will also develop writing skills and shall gain an understanding of computer applications related to the legal environment.

The general education requirements are designed to increase the student's breadth of knowledge and understanding and to encourage the appreciation of life-long learning, while at the same time, increasing the student's competence in the field of legal assisting.

ASSOCIATE OF ARTS DEGREE – PARALEGAL STUDIES PROGRAM
The Associate of Arts Degree Program in Paralegal Studies consists of a total of 1344 contact hours, 96 quarter credit hours of study.

LA200s  Legal Specialty Courses taken after the LA100s
LA300s  Courses that require LA100s and/or some LA200s
        as prerequisites
LA400   Externship

GENERAL EDUCATION
EN   English/Life Skills
HU   Humanities
NS   Natural Sciences / Mathematics
SS   Social Sciences
COURSE DESCRIPTIONS Paralegal Studies Program

LA100  PROFESSIONAL DEVELOPMENT
2 Credits
Class: 24 lecture
Prerequisite: None
This course is designed to help students discover their emotional, intellectual, physical, and social potential. While gaining practical knowledge and skills, students will discover their natural resources and gain the knowledge that they can improve their lives by changing the way they think about themselves and act accordingly. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA110  INTRODUCTION TO PARALEGAL / LEGAL ADMINISTRATIVE ASSISTANT STUDIES
4 Credits
Class: 48 lecture
Prerequisite: None
This course is an introduction to the paralegal / legal secretary professions and how paralegals / legal secretaries are utilized in the delivery of legal services. This course provides the students with an overview of the major areas of law and includes a discussion of the skills necessary for paralegals / legal secretaries: legal analysis, legal writing, interviewing, and investigation. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA120  LEGAL ETHICS AND PROFESSIONAL RESPONSIBILITY
2 Credits
Class: 24 lecture
Prerequisite: None
This course examines the working relationship of the paralegal / legal assistant / legal secretary and the attorney through a detailed description of rules of ethics for attorneys and how those rules apply to nonlawyers. The course covers the areas of unauthorized practice of law, diligence and competence, conflicts of interest, financial concerns, advertising, misconduct, and confidentiality. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA200  CONTRACT LAW
4 Credits
Class: 48 lecture
Prerequisite: LA100, LA110, LA120
This course covers concepts of contract law essential to drafting agreements in business and private life. The elements of valid contracts, including formation, defects in formation, and enforcement of contracts, are covered. This course provides an overview of the theory of contracts and the legal consequences of enforcing or remedying breaches of contract. Out-of-class preparation time (homework) consists of reading and workbook assignments.

</tr>
</tbody>
</table>
**LA310  WORKERS’ COMPENSATION (ELECTIVE)**

3.5 Credits

Class: 36 lecture / 12 laboratory

Prerequisite: LA100, LA110, LA120

The principles of Workers’ Compensation are presented to prepare applications for adjudication of claims, answers, liens, declarations of readiness to proceed, stipulated findings and awards, and compromise and release forms. This course presents an analysis of the law and detailed description of the day-to-day duties of a Workers’ Compensation paralegal. The student will be exposed to the claim process, hearings, and appeals, in addition to substantive law surrounding this area.

**LA320  LEGAL SOFTWARE APPLICATIONS**

2.5 Credits

Class: 12 lecture / 36 laboratory

Prerequisite: LA100, LA110, LA120

This course is designed to provide students with a strong knowledge of calendaring and accounting technology. The course offers an overview of a software program and application. The students will experience the practical aspects of the software by learning to track appointments, set reminders, and use a to-do list on a calendar. Student will also track billable hours and organize a law office’s accounts receivable. The student becomes experienced in data entry and is able to calculate and schedule deadlines, as well as learn how to access a client’s information.

**LA330  CIVIL LITIGATION I**

3.5 Credits

Class: 36 lecture / 12 laboratory

Prerequisite: LA100, LA110, LA120, LA200 (may be taken concurrently with LA200)

This course provides the concepts of civil litigation, covering both federal and state systems. This course guides the student through the litigation process by covering the basic phases of a lawsuit, including client interviewing, interoffice memorandums, initial pleadings, calendaring, discovery, motions, pre-trial and post-trial motions and appeals. Out-of-class preparation time (homework) consists of reading and workbook assignments.

**LA340  CIVIL LITIGATION II**

3.5 Credits

Class: 36 lecture / 12 laboratory

Prerequisite: LA100, LA110, LA120, LA200, LA330

This course continues to develop the procedural skills and substantive knowledge of Civil Litigation I with emphasis on the specific rules and skills relative to preparing documents such as: motions to compel, motions to suppress, motions for summary adjudication, demurrers, and orders to show cause. In addition, the course covers the areas of pretrial practice, trial setting procedures, judgments, post-trial motions, appeals, and writs. Emphasis is placed on rules and strategies of quality construction of moving and responding papers. Out-of-class preparation time (homework) consists of reading and workbook assignments.
### LA350 ADVANCED LEGAL PROCEDURES

| 2.5 Credits | 12 lecture / 36 laboratory | LA100, LA110, LA120, LA230, LA240 |

This course provides students with an in-depth, practical, hands-on experience with advanced legal research, legal analysis, and legal writing. In response to a hypothetical fact pattern, the students will prepare the initial client interview questions and interoffice memorandum of law with proper citations and Shepardizing.

### LA360 LEGAL TRANSCRIPTION

| 2.5 Credits | 12 lecture / 36 laboratory | LA100, LA110, LA120 |

This course is designed to develop legal document and correspondence machine transcription skills. Accuracy and speed development are emphasized. Students apply procedures and formats for the legal environment. Students will perform a series of transcriptions and demonstrate their word processing skills in the production of legal memoranda, legal correspondence, pleadings, motions, and law office documents. Out-of-class preparation time (homework) consists of reading and workbook assignments.

### LA370 IMMIGRATION LAW (ELECTIVE)

| 3.5 Credits | 36 lecture / 12 laboratory | LA100, LA110, LA120 |

This course explores the history and policies behind immigration law as well as the impact of current events on that body of law. Students will learn the basics of United States immigration law as found in Title 8 of the United States Code. Students will learn preparation of appropriate forms for various categories of nonimmigrant and immigrant aliens seeking entry into the United States or adjustment of status, including the obtaining of citizenship, after arrival and/or residence in the United States.

### LA380 INTELLECTUAL PROPERTY (ELECTIVE)

| 3.5 Credits | 36 lecture / 12 laboratory | LA100, LA110, LA120 |

This course examines various ways to protect intellectual creations through state and federal laws. State policies such as trade secrets, unfair competition, contract law, and related state doctrines will be briefly viewed. The main focus will be on federal copyright, trademark, and patent laws, including their extent and limitations of protection within and without the United States. New and practical aspects of this ever growing field of law will also be explored.
### LA400  EXTERNSHIP

<table>
<thead>
<tr>
<th>4 Credits</th>
</tr>
</thead>
</table>

**Class:** 144 intern  
**Prerequisite:** LA100, LA110, LA120, LA200, LA210, LA220, LA230, LA240, LA250, LA260, LA270, LA280, LA290, LA300, LA320, LA330, LA340, LA350, LA360, EN100

This course provides the paralegal student with an opportunity to further his/her legal skills in a legal environment. The student receives hands-on training and learns the duties and expectations which may be required of legal support personnel in the legal field. Students submit a weekly log of their hours. A paralegal is required to complete 144 hours of outside experience. Externship may be taken concurrently with regular classes during the final 6-week term, provided the student has completed the following courses prior to starting the externship or by approval of the Director: LA100, LA110, LA120, LA330, and LA340.

### GENERAL EDUCATION (PARALEGAL STUDIES)

**Note:** Other courses may be substituted at the College's discretion to fulfill the General Education Requirements.

### EN100  ENGLISH COMPOSITION

<table>
<thead>
<tr>
<th>4 Credits</th>
</tr>
</thead>
</table>

**Class:** 48 lecture  
**Prerequisite:** None  

Part of this course provides a fundamental yet thorough review of English sentence structure and parts of speech, which facilitates the application of these principles to composition. Simple, compound, and complex structures are examined with regard to their use in paragraph construction. Various methods of paragraph development are covered along with the techniques to enhance paragraph effectiveness (arrangement of sentences for paragraph coherence, transitions between sentences, paragraph length). Another part of the course is the application of the skills of effective sentence and paragraph construction to the development of narrative, expository, and descriptive compositions. The student will produce samples of these types of writing, culminating in a research paper that demonstrates the application of the skills learned. Out-of-class preparation time (homework) consists of reading and workbook assignments.
HU101  SURVEY OF LITERATURE

4 Credits
Class:  48 lecture
Prerequisite:  None
This course is an introduction to literary structure, sound, and sense obtained through the examination of a number of illustrative literary texts (short stories, poems, plays). In addition to reading and discussing various works, students will be expected to write short-answer responses and in-depth essays.

HU102  INTRODUCTION TO PHILOSOPHY

4 Credits
Class:  48 lecture
Prerequisite:  None
This course is a study of philosophy and the traditional concerns of ethics, epistemology and metaphysics. The course also provides the student with a study of human nature, God, and the fundamental arguments, approaches, and types of issues in philosophy.

NS101  COLLEGE ALGEBRA

4 Credits
Class:  48 lecture
Prerequisite:  None
This course provides an introduction to algebra with operations in real numbers, linear equations and inequalities, formulas and applications from geometry, polynomials and exponents, factoring trinomials, solving quadratic equations, solving equations with radical expressions.

NS102  ANATOMY AND PHYSIOLOGY

4 Credits
Class:  48 lecture
Prerequisite:  None
This is a comprehensive course covering the study of anatomy and physiology. Students will build and dissect medical terms from Greek and Latin word roots, prefixes, and suffixes. We will place a strong emphasis on spelling and defining medical terms, including surgical procedures, pathology, and pharmacology. To increase the student's knowledge of the human body, a detailed study of anatomy will be presented to cover the following systems: organization of the body, integumentary, skeletal, muscular, nervous, cardiovascular and blood, lymphatic and immunities, respiratory, digestive, urinary, and reproductive.

SS101  CRITICAL READING OF CURRENT EVENTS

4 Credits
Class:  48 lecture
Prerequisite:  None
This course is designed to develop critical reading and understanding of current issues. Controversies will be studied and discussed through articles published in periodicals. This course provides the student with information and skills to assist them in reconstructing logical arguments, communicating in conceptual patterns, and detecting fallacies. Study includes models and strategies of critical thinking and application to specific areas.

LEGAL ADMINISTRATIVE ASSISTANT / LEGAL SECRETARY PROGRAM (CERTIFICATE)

PROGRAM OBJECTIVE
The Legal Administrative Assistant / Legal Secretary program is designed to provide knowledge of the legal procedures and skills necessary to allow the graduate to secure employment as a legal administrative assistant or legal secretary in today’s sophisticated legal environment.

Graduates may work in either the private or public sectors. They may work in law firms of all sizes, government agencies, corporate legal departments, and other businesses. They will learn to assist in the preparation of legal documents, including: pleadings, motions, contracts, research, memoranda, discovery, settlement agreements, and trial briefs. They will learn to manage client files, organize records, document and calendar litigation dates, and coordinate court appearances.

Some possible job titles for which a legal administrative assistant / legal secretary would qualify are as follows: Legal Secretary, File Clerk, Law Firm Receptionist, Law Office Manager, Legislative Assistant/Aide, Probation/Parole Officer.

PROGRAM DESCRIPTION
The Certificate in Legal Administrative Assistant / Legal Secretary consists of a total of 720 contact hours, 180 class preparation hours, and 43.5 Quarter Credit hours of study.

### GRADUATION REQUIREMENTS
The student must complete the following graduation requirements to attain the Certificate in Legal Administrative Assistant / Legal Secretary:

- **Total Credits:** 43.5
- **Total Course Contact Hours:** 720
- **Total Class Prep Hours:** 180
- **Minimum CGPA of:** 2.0

### EXPLANATION OF COURSE NUMBERING SYSTEM

#### LEGAL COURSES
- **LA100s** Core Courses Upon Entering
- **LA200s** Legal Specialty Courses taken after the LA100s
- **LA300s** Courses that require LA100s and/or some LA200s as prerequisites
- **LA400** Externship

#### GENERAL EDUCATION
- **EN** English / Life Skills
- **HU** Humanities
- **NS** Natural Sciences / Mathematics
- **SS** Social Sciences
### Legal Administrative Assistant / Legal Secretary Program

#### LA100  **Professional Development**
- **Credits:** 2
- **Class:** 24 lecture
- **Class Prep:** 6 hours
- **Prerequisite:** None

This course is designed to help students discover their emotional, intellectual, physical, and social potential. While gaining practical knowledge and skills, students will discover their natural resources and gain the knowledge that they can improve their lives by changing the way they think about themselves and act accordingly. Out-of-class preparation time (homework) consists of reading and workbook assignments.

#### LA101  **Word Processing I**
- **Credits:** 2
- **Class:** 15 lecture / 30 laboratory
- **Class Prep:** 11.25 hours
- **Prerequisite:** None

This course will introduce students to word processing software on a personal computer. Students will be exposed to basic editing, document retrieval, formatting text and documents, block commands, hyphenation, tabs, column, search and replace, spell check, thesaurus, page numbering, headers and footers, working with multiple documents at the same time, copying/moving information between documents, and creating pleadings. Out-of-class preparation time (homework) consists of reading and workbook assignments.

#### LA102  **Word Processing II**
- **Credits:** 2
- **Class:** 15 lecture / 30 laboratory
- **Class Prep:** 11.25 hours
- **Prerequisite:** None

This course covers advanced word processing applications in the legal environment. The course consists of intermediate and advanced features, including: using boilerplate documents in the legal setting; merging documents; creating envelopes; tables; graphics; creating and editing styles; sorting and extracting client data; customizing settings; using macros to automate document processing; and organizing clients' files using subdirectories. The course also covers creating outlines, tables of contents, and tables of authorities. Out-of-class preparation time (homework) consists of reading and workbook assignments.

#### LA103  **Keyboarding I**
- **Credits:** 2.5
- **Class:** 12 lecture / 36 laboratory
- **Class Prep:** 12 hours
- **Prerequisite:** None

This course is a keyboarding course that includes a tutorial along with class drills on straight copy to achieve typing speeds of 30-40 wpm respectively. The emphasis is placed on keystroking rhythmic patterns and performing manipulative skills. Students are required to pass two net 40 wpm tests. Out-of-class preparation time (homework) consists of reading and workbook assignments.
LA104  KEYBOARDING II  
2.5 Credits
Class:  12 lecture / 36 laboratory
Class Prep:  12 hours
Prerequisite:  LA103 or 40 wpm keyboarding speed
This course is a keyboarding course that includes a tutorial along with class drills on straight copy to achieve typing speeds of 40-50 wpm respectively. The emphasis is placed on keystroking rhythmic patterns and performing manipulative skills. Students are required to pass two net 50 wpm tests. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA120  LEGAL ETHICS AND PROFESSIONAL RESPONSIBILITY  
2 Credits
Class:  24 lecture
Class Prep:  6 hours
Prerequisite:  None
This course examines the working relationship of the paralegal / legal assistant / legal secretary and the attorney through a detailed description of rules of ethics for attorneys and how those rules apply to nonlawyers. The course covers the areas of unauthorized practice of law, diligence and competence, conflicts of interest, financial concerns, advertising, misconduct, and confidentiality. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA110  INTRODUCTION TO PARALEGAL / LEGAL ADMINISTRATIVE ASSISTANT STUDIES  
4 Credits
Class:  48 lecture
Class Prep:  12 hours
Prerequisite:  None
This course is an introduction to the paralegal / legal secretary professions and how paralegals / legal secretaries are utilized in the delivery of legal services. This course provides the students with an overview of the major areas of law and includes a discussion of the skills necessary for paralegals / legal secretaries: legal analysis, legal writing, interviewing, and investigation. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA200  CONTRACT LAW  
4 Credits
Class:  48 lecture
Class Prep:  12 hours
Prerequisite:  LA100, LA110, LA120
This course covers concepts of contract law essential to drafting agreements in business and private life. The elements of valid contracts, including: formation, defects in formation, and enforcement of contracts, are covered. This course provides an overview of the theory of contracts and the legal consequences of enforcing or remedying breaches of contract. Out-of-class preparation time (homework) consists of reading and workbook assignments.
LA260 LAW OFFICE PROCEDURES
2 Credits
Class: 24 lecture
Class Prep: 6 hours
Duration: 6 weeks
Prerequisite: LA100, LA110, LA120
This course provides an overview of the structure and functions of a law office. In addition, legal and ethical concepts affecting law office management in day-to-day activities and procedures are emphasized. Office-client relationships, billing systems and procedures, marketing, and strategic planning as well as document preparation are addressed. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA330 CIVIL LITIGATION I
3.5 Credits
Class: 36 lecture / 12 laboratory
Class Prep: 12 hours
Prerequisite: LA100, LA110, LA120, LA200 (may be taken concurrently with LA200)
This course provides the concepts of civil litigation, covering both federal and state systems. This course guides the student through the litigation process by covering the basic phases of a lawsuit, including client interviewing, interoffice memorandums, initial pleadings, calendaring, discovery, motions, pre-trial and post-trial motions, and appeals. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA340 CIVIL LITIGATION II
3.5 Credits
Class: 36 lecture / 12 laboratory
Class Prep: 12 hours
Prerequisite: LA100, LA110, LA120, LA200, LA330
This course continues to develop the procedural skills and substantive knowledge of Civil Litigation I with emphasis on the specific rules and skills relative to preparing documents such as: motions to compel, motions to suppress, motions for summary adjudication, demurrers, and orders to show cause. In addition, the course covers the areas of pretrial practice, trial setting procedures, judgments, post-trial motions, appeals, and writs. Emphasis is placed on rules and strategies of quality construction of moving and responding papers. Out-of-class preparation time (homework) consists of reading and workbook assignments.

LA360 LEGAL TRANSCRIPTION
2.5 Credits
Class: 12 lecture / 36 laboratory
Class Prep: 12 hours
Prerequisite: LA100, LA110, LA120
This course is designed to develop legal document and correspondence machine transcription skills. Accuracy and speed development are emphasized. Students apply procedures and formats for the legal environment. Students will transcribe a series of audio tapes and demonstrate their word processing skills in the production of legal memoranda, legal correspondence, pleadings, motions, and law office documents. Out-of-class preparation time (homework) consists of reading and workbook assignments.

SS102  COMPUTERS IN SOCIETY

3.5 Credits
Class: 36 lecture / 12 laboratory
Class Prep: 12 hours
Prerequisite: None

Computers have become a part of our daily lives. This course describes the impact that computers have had on business, medical and legal areas, education, and home. Students will obtain hands-on training with a few of the more popular software applications and obtain an introduction to online services and the Internet. Out-of-class preparation time (homework) consists of reading and workbook assignments.
MEDICAL ASSISTANT PROGRAM (CERTIFICATE)

PROGRAM OBJECTIVE
The objective of the Medical Assistant Program is to prepare students for successful careers working in the medical field as medical assistants. South Coast College offers a certificate in Medical Assistant.

PROGRAM DESCRIPTION
The courses in this program offer the student an introduction to both the clinical (back office) and the administrative skills of a medical front office.

Clinical skills that the student will learn include, but are not limited to, giving injections; administering medications; obtaining vital signs such as blood pressure; and recording patient histories.

They will also learn to draw blood, collect and process lab specimens, and perform glucose and hemoglobin testing. Additionally, the student will develop skills such as assisting in surgery, instrument sterilization, tray preparation, and removal of sutures.

Administrative skills that the student will learn include appointment scheduling, billing and insurance procedures, and telephone techniques.

After award of the certificate, students will have developed sufficient skills and be eligible for placement in entry-level positions in hospitals, medical clinics, or doctors’ offices.

A graduate of the Medical Assistant program can expect to qualify for entry-level positions and may obtain employment in the following:

- medical/doctors’ offices in a number of different medical specialties, assisting the following: podiatrists, registered nurses, chiropractors, family practitioners, neuropaths, physician assistants, osteopaths, optometrists, pediatricians, dermatologists, gynecologists, obstetricians, pulmonologists, and other physicians in the many medical specialties that exist
- hospitals, including: primary care facilities, tertiary care hospitals, teaching hospitals, skilled nursing facilities, urgent care / emergency rooms, research hospitals, veterans hospitals, community hospitals, and county hospitals
- educational institutes as instructors or instructor assistants, placement coordinators, laboratory assistants
- pharmaceutical companies
- local, state, and federal governmental offices in county health departments, jails, National Guard, federal agencies requiring knowledge of medical terminology, public health departments
- other health organizations (nongovernmental agencies) as the American Red Cross, American Health Association, county health departments

A graduate of the Medical Assistant program can also climb the medical career ladder by seeking continuing education and becoming a licensed vocational nurse, registered nurse, surgical technologist, respiratory therapist, phlebotomist, ultrasonographer, X-ray technologist, and EMT technician.
South Coast College is a great place for you to gain the confidence, knowledge, and skills to work in the growing medical field.

CERTIFICATE – MEDICAL ASSISTANT
The Certificate Program in Medical Assistant consists of a total of 720 contact hours, 180 class preparation hours, and 39 Quarter Credit hours of study.

This course covers the role of the medical assistant in regard to communications and ethics, health insurance and pharmacology, bookkeeping, records management, office and personal organization, and ergonomics and safety factors.

Specifically, the course covers interpersonal / human relations (patient care, medical assistant / patient / doctor relationships, ethical consideration); oral communications (telephone and reception techniques/management); written communications (letters, memos, facsimiles); health insurance (HMO, PPO, IPA, Medicare/Medicaid, Workers’ Compensation, Disability Income Protection, CPT/ICD 9-CM codes); and pharmacology (prescription writing, Physicians’ Desk Reference, and drug dosage calculations); bookkeeping (write-it-once systems, payroll, check writing, fee collection); records management (retrieving and filing documents); office and personal organization (supplies, equipment use and maintenance, mail/postage); and ergonomics (health and safety factors).

The laboratory portion of the course will provide hands-on practice related to these areas.

Out-of-class preparation time (homework) consists of workbook assignments that the student completes outside of class.
MA103A00  INTRODUCTION TO BODY SYSTEMS PART I
MA103B00  INTRODUCTION TO BODY SYSTEMS PART II

Part A: 2.5 Credits
Part B: 2.5 Credits
Class: 30 lecture each
Class Prep: 7.5 hours each
Prerequisite: MA102A/B

This course is an overview of anatomy and physiology. It covers the cell structure and special senses, the endocrine system, the skeletal system, the muscular system, the integumentary system, the circulatory system, the respiratory system, the nervous system, the digestive system, the urinary system, and the reproductive system. Out-of-class preparation time (homework) consists of workbook assignments that the student completes outside of class.

MA104A00  HUMAN DISEASES PART I
MA104B00  HUMAN DISEASES PART II

Part A: 2.5 Credits
Part B: 2.5 Credits
Class: 30 lecture each
Class Prep: 7.5 hours each
Prerequisite: Concurrent with MA103A/B

This course is an overview of human diseases. It covers pathology and oncology, diseases of the eyes/ears, skeletal system diseases and disorders, muscular system diseases and disorders, endocrine diseases and disorders, skin diseases, diseases of the blood and immune systems, respiratory diseases and disorders, neurological disorders, gastrointestinal disorders, diseases of the urinary systems, and disorders of the reproductive systems. Out-of-class preparation time (homework) consists of workbook assignments that the student completes outside of class.

MA105A00  CLINICAL PROCEDURES PART I
MA105B00  CLINICAL PROCEDURES PART II

Part A: 2.5 Credits
Part B: 2.5 Credits
Class: 60 laboratory each
Class Prep: 15 hours each
Prerequisite: MA104A/B

This course consists of performing eye and ear lavages, performing complete physical examination (CPX), bandaging and wound care, handling emergencies using mobility assisting devices, using clinical charting abbreviations, using universal precautions and sterile techniques, performing electrocardiography and mounting the results record, performing cardiopulmonary resuscitation (CPR), performing pulmonary function tests, performing hemoglobin and glucose testing, performing throat cultures, assisting with pap and pelvic examinations, performing pregnancy tests, setting up rectal trays, performing pediatric assisting, and preparing special diets. Out-of-class preparation time (homework) consists of workbook assignments that the student completes outside of class.
MA106A00  MICROBIOLOGY
MA106B00  SURGICAL ASSISTING

Microbiology: 2.5 Credits
Surgical: 2.5 Credits
Class: 15 lecture / 30 laboratory each
Class Prep: 11.25 hours each
Duration: 6 weeks (taken concurrently)
Prerequisite: MA105A/B

This course is a hands-on course covering the following: using various methods to achieve asepsis to control growth of microbes, performing strep tests and throat cultures, including instructions for culture and sensitivity, obtaining specimens, using a microscope and other medical office instruments, identifying surgical instruments and their uses, sanitizing and disinfecting surgical instruments with special emphasis on autoclaving, setting up sterile trays for minor office surgeries, surgical assisting, scrubbing and gloving, preparing the skin, preparing the patient. Out-of-class preparation time (homework) consists of workbook assignments that the student completes outside of class.

MA107-00  EXTERNSHIP

4 Credits
Class: 150 externship
Class Prep: 37.5 hours
Prerequisite: Completion of all classwork (MA101, MA102, MA103, MA104, MA105, MA106)

Externship provides experience in a selected physician's office or healthcare facility. Students are supervised and evaluated by qualified medical personnel. Medical Assistant students must have an opportunity for an equal exposure to administrative and clinical experience. A list of skills to be evaluated will be presented to the supervisor of the healthcare facility. Students are required to meet and discuss what they have learned with the instructor on a regular basis. The externship coordinator will visit the site periodically. Out-of-class preparation hours will be devoted to having students prepare for and then take a comprehensive exit examination to validate the knowledge and skills students obtained from the Medical Assistant program.
STUDENT SERVICES INFORMATION

FACILITIES AND EQUIPMENT
South Coast College is located at 2011 West Chapman Avenue in Orange, California. The land encompasses approximately three acres and includes a two-story Mediterranean architecture building consisting of approximately 30,000 sq. ft. The structure is located in a landscaped setting separated from an adjoining building with an attractively landscaped island. A comfortably furnished patio and balcony with park benches provide a place for students and staff to enjoy the outdoors while on break.

The building is composed of 18 classrooms that are used for lecture purposes only and 3 resource centers equipped with computers. In addition, the College has a bookstore, a library with computers, a library reading room, a courtroom, a skill test transcription / grading resource center, a conference room, a media resource center, a student lounge with vending machines, refrigerator, sink, and staff lounge. In addition to classrooms, the facility has a large reception area, staff offices for administrative, admissions, and teaching staff, and a hub for student services / financial aid.

SUMMARY OF STUDENT SERVICES/ACTIVITIES
South Coast College provides an abundance of student services including:
• a staffed grading resource center;
• dedicated staffed computer learning centers equipped with software tutorials; job search assistance and resume preparation;
• a campus bookstore for easy access to educational materials and supplies;
• a library with online research capabilities, a library reading room, and several resource centers with online research capabilities;
• a staffed student services / financial aid hub;
• program directors who coordinate student events and provide internal communication to students on student activities;
• a student lounge equipped with vending machines, sink, microwave oven, refrigerator;
• numerous student activities including speakers, career days, technology days, CSR celebrations/luncheon and graduation exercises;
• access to all managers, including the president, for consultation and advisement;
• research assistance via computers and wireless hotspot;
• alumni gatherings/visits;
• externship programs;
• a courtroom for mock trials;
• a deposition room for mock depositions;
• free parking;
• facilities accessible for disabled.

BOOKSTORE
The college bookstore has textbooks, stenotype paper, ink, ribbons, and supplies for all courses. Students are encouraged to suggest items that the bookstore can carry to help them in their classes. It is staffed mornings and evenings.
POLICIES AND PROCEDURES

CAR POOLING
If you are interested in driving or participating in a car pool, you may post your information on the bulletin board in the Student Lounge area for help in making contact with other students living in your area.

CAMPUS SAFETY
South Coast College is entirely enclosed. Nonstudents are not allowed to use the facilities. In addition, a night security guard is present during the evening hours. The front office can summon the guard when needed. The student population is predominately female. No assaults have ever occurred on campus. South Coast College has a safety policy and a government-required procedure for victims of on-campus assault. (Both are posted in the Bookstore and outside the Student Lounge.)

Campus Crime Report: A requirement of the federal government is that we provide for you our campus crime statistics. The front receptionist has been designated to compile records for the facility of all reported incidents or arrests for crimes involving violence, theft, or destruction of property, or illegal drugs or alcoholic intoxication. The Student Information Board located upstairs in front of the student lounge contains current reports and security information.

COMPUTER LEARNING CENTERS
South Coast College provides a wireless hot spot for students who have their own computers to access online resources throughout the college.

In addition, the computer learning resource centers are the hub of numerous activities involving the computer. The downstairs Court Reporting Resource Center contains computers and writers for student use in learning and practicing machine shorthand theory, building realtime skills, developing speed using speed tutorials, using a variety of tutorials for building speed/accuracy, learning professional software used by court reporters, and completing computer assignments. Another mini-resource center is located in the library where there is access to Lexis / Nexis, online research, practice 4-voice videos, and dictionary build software.

The Online Computer Resource Center contains medical research software and spell checks, medically-related English and formatting tutorials, anatomy and physiology learning tutorials, a medical billing and insurance program, typing tutorials, and word processing programs. The Online Computer Resource has full access to online resources.

The Legal Programs computer resource centers contain various programs used for research and document preparation by the paralegal community. Both are located upstairs.

COUNSELING
South Coast College provides supportive counseling based upon the individual needs of the student. Students who are encountering difficulties that interfere with their education are encouraged to seek help from their instructor, the designated counselor, or the College director.

DISABLED STUDENTS
Reserved parking spaces and all administrative, educational, and restroom facilities are accessible to the disabled.

IDENTIFICATION CARDS
Each student is issued a numbered student body identification card. This card may be used to qualify the student to obtain reduced student admission rates for theaters and public events. The ID number is to be used on all documentation.
LIBRARY / LEARNING RESOURCE CENTERS
The Library contains a collection of supplementary course materials, current periodicals, and reference books. An online cataloguing system is used to locate reference works. Students have access to the library and other resources from 8 a.m. until 10 p.m. Monday through Friday and to the Computer Resource Center 10 a.m. to 4 p.m. on Saturdays when announced.

The Instructor Learning Resource Center complements the main library. It contains a library of test materials for instructors to use, instructor lesson plans, and dictation materials.

LIFETIME BRUSH-UP PROGRAM Court Reporting Only
South Coast College instructional service to students does not end at graduation. Brush-up privileges for all speed levels are offered without charge or fees to all licensed graduates.

MEDIA LIBRARY
A media library is available for student use, containing theory reinforcement practice and medical steno practice. Medical review for the CSR examination is also available in the media library room.

PARKING
The College provides free parking for all students and staff, an added service that we are pleased to provide you.

PLACEMENT ASSISTANCE SERVICES
The South Coast College career placement assistance services are a vital part of your total education program.

Through continued association and contact over the last 20 years with reporting agencies and law firms, South Coast College is in a position to serve our graduates with strong placement assistance. The reputation of South Coast College is of unquestioned value in the area of placement. South Coast College also has a Medical Internship/Placement Coordinator for assistance in obtaining a medical assistant position and provides a career development program to assist paralegal students in finding employment.

Student assistance may include any or all of the following:

a. direct referral to reporting agencies or employers,
b. assistance with resume preparation, cover letters, and thank you letters,
c. reference sources for use in locating firms in specific geographic locations,
d. information regarding current job market and employment trends,
e. list of prospective employers,
f. employment placement data and starting salaries available on request from the College director,
g. advice and resource materials regarding applications and interview techniques,
h. scheduled career days for on-site visits from agency and court representatives,
i. seminars on job-seeking and interviewing techniques,

Please keep in mind that State law forbids any school from guaranteeing job placement.
PRIOR EDUCATION TRANSCRIPTS
South Coast College is required to have transcripts or equivalency documentation in your student file for your prior education. To receive college credit evaluation, you are requested to submit official college transcripts. You may sign a waiver of evaluation for miscellaneous college credits that do not apply to your subject area.

Transcript request forms are available in the College office for your use in requesting these transcripts. These requests should be made prior to your enrollment in South Coast College. Please use Certified Mail when sending for transcripts.

STENOTYPE MACHINE RENTAL
Students furnish their own stenotype machine and tripod. Most students make arrangements with South Coast College at the time of enrollment to rent a machine. The rental price is nominal. Stenotype machine rental charges are separate from tuition.

STUDENT HOUSING
South Coast College does not provide dormitories or student housing. There are numerous apartments in a wide price range near the College. The College staff is always available to assist out-of-town students in obtaining suitable accommodations.

STUDENT LOUNGE
A full complement of vending machines is located in the student lounge. The student lounge is equipped with tables and comfortable chairs to encourage study groups and student interaction.

STUDENT RECORDS
An official record is maintained for you from your first day of class. Your record contains a detailed summary of all tuition and other charges paid, grades, speed levels, attendance, and counseling interviews. It is retained in the Registrar’s Office and is available for your review with your program director at any time.

A reasonable number of unofficial grade reports of your South Coast College grades will be supplied to you at no charge. No transcript will be furnished in those cases where the student is currently indebted to the College. To receive an official transcript of your grades, you must be withdrawn from the college. A student may not be enrolled in other court reporting schools simultaneously.

The College maintains records relating to students for various academic purposes. The right to inspect these records is in accordance with the Family Educational Rights and Privacy Act of 1974, Public Law 93-380 as amended.

Student transcripts are maintained indefinitely. Other documents may be purged after 5 years or after the required date for compliance by the various governing agencies. Students will be given a copy of any documents from their files that they request after reviewing their files at that time, free of charge. Any future requests for copies will be provided at 20¢ a copy* plus postage and handling fees. After the required date for compliance by the various governing agencies for maintaining records, no further copies will be provided.

*Copy fee may be subject to change.

TUTORIAL SERVICES
Tutors are available for students who are having difficulty learning certain subjects.
COLLEGE POLICIES AND PROCEDURES

PROCEDURES FOR ALL PROGRAMS

CELL PHONE USAGE
Please respect our policy of no cell phone use or texting in the classrooms, libraries, or learning resource centers.

CLASS HOURS AND CREDIT AWARDED
A South Coast College class hour is an instructional period of 50 consecutive minutes.

South Coast College courses are assigned quarter-hour credits. Each credit corresponds to the number of hours of lecture per week for the quarter. For example, five hours per week spent in a lecture class earns five credits for the quarter.

FOR AWARDING ACADEMIC CREDIT

<table>
<thead>
<tr>
<th>Hours of Activity</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 hours of lecture</td>
<td>1 quarter credit</td>
</tr>
<tr>
<td>24 hours of laboratory</td>
<td>1 quarter credit</td>
</tr>
<tr>
<td>36 hours of externship</td>
<td>1 quarter credit</td>
</tr>
</tbody>
</table>

The Department of Education definition for financial aid purposes is one quarter credit hour is equal to at least 25 clock hours of instruction, including a minimum of 20 clock hours of classroom or direct faculty instruction. The remaining 5 clock hours may include acceptable and documented student work outside of class and/or instructional hours.

CLASS SCHEDULES

DAY PROGRAM HOURS
Class periods are normally held between 8 a.m. and 2 p.m. They may be 50 minutes or 1 hour + 15 minutes in length, allowing either a 10-minute or 15-minute break respectively. Laboratory hours may be scheduled flexibly for your convenience before 8 a.m. or after 2 p.m. Occasionally, a class will be scheduled from 7-8:00 a.m. or from 1-3:00 p.m.

EVENING PROGRAM HOURS
The evening hours are arranged primarily for the benefit of the many students who hold full-time jobs during the daytime.

The evening program requires that you maintain 5 credits to qualify as a half-time student and 9 credits to qualify as a full-time student.

To qualify for Financial Aid, you must be attending at least half-time. The evening program has the same content as the day program.

The College reserves the right to alter class offerings at any time.

Evening lab hours begin at 5 p.m. with class periods normally between 6 p.m. and 10 p.m. They may be 50 minutes or 1 hour + 15 minutes in length, allowing either a 10-minute or 15-minute break respectively.

Note: Special classes such as Court and Deposition Procedures and CSR Review may be offered on Saturdays to accommodate evening students.
CLASSROOM ETIQUETTE
In the classroom, students are expected to be respectful toward faculty and fellow students. Students are encouraged to practice the behaviors that they need to follow in the workplace. They are encouraged to be punctual, prepared with their homework assignments, and to attend class for the duration of the period.

DRESS CODE
The College encourages professional attire to prepare students for their chosen career but permits a liberal dress code for the comfort and convenience of its students. Casual attire is acceptable, within the parameters of propriety and good taste. Students may be required to dress professionally for career days, mock court or deposition procedures classes, externships, and so on.

Medical Assistant students are required to wear uniforms and the appropriate medical attire.

DRUG AND ALCOHOL ABUSE POLICY
South Coast College prohibits the use, possession, and sale of all alcoholic or illegal drug substances by any person on campus property. Incidents violating this policy should be reported immediately to the director or administrator in charge.

Abuse of the drug or alcohol abuse policy will result in any or all of the following:
1. Anyone involved in using, selling, or possessing alcohol or an illegal substance will be asked to leave campus property immediately.
2. Students will be placed on immediate probationary status and will have to show active participation in an outpatient treatment program.
3. The police may be brought in for any serious infraction.

FOOD AND DRINK
Food and drink are not permitted in any of the classrooms, offices, resource centers, or library, in order to maintain clean and sanitary rooms. A student lounge is provided for eating and drinking, and tables are provided in the outside patio area. Please help us keep our campus inviting.

EXEMPTION FROM COURSES
If you have, through prior education, completed one or more relevant courses or have appropriate work experience, you may be exempted from certain course(s) at the discretion of the director, or in some cases challenge examinations may be required. For these courses, you will receive credit or, in the case of challenge examinations, a grade upon successful performance on the examination.

No adjustment in tuition will be made for successful challenge exams or exemptions. A fee of $100 is charged for challenge examinations. Procedures for challenging a course can be obtained from the appropriate educational department director.

Note: You must pass the examination with the same standards as the class, or you must take the course you did not pass. Transfer credits are not counted in the calculation of the cumulative grade point average.
GRADUATION REQUIREMENTS
A minimum CGPA of 2.0 or greater is required for graduation in all programs at South Coast College.

For program-specific graduation requirements, see the individual programs.

INCOMPLETE GRADES
South Coast College does not permit Incomplete as a grade in anything but externship. If the student has not completed the course work required for a passing grade according to the instructor's grading policy, he/she will be assigned a 55 (fail).

MAKE-UP WORK
Individual days of absence will require make-up work in order for the student to stay current with the class. This make-up work is the responsibility of the student.

NONCREDIT REMEDIAL COURSES
South Coast College does not offer noncredit remedial courses but remedial instruction can be obtained through on-campus tutors.

WITHDRAWING FROM COURSES
Students are permitted to withdraw from courses within the first week of the class without penalty. Effective at 8 a.m. on Monday of the second week of classes, a $25 add/drop fee will be charged for adding or dropping classes.

Adding/dropping classes must be done with a change-of-status form obtained in the Financial Aid Office and must be done only with the permission of the respective program director.

Dropping classes may change your status and may have an adverse effect on your financial aid.

Note that withdrawal from courses (or from College entirely) after the first week of the class will result in the penalty grade of W which represents 0 (zero) credits earned and 0 (zero) grade points. After three weeks, your grade will be a 55 (fail).

GRADING STANDARDS
Grading is based on pre-established course standards. No "class curve" exists that requires some students to pass and some to fail each quarter.

In all classes, the letter grade conversion is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100</td>
<td>Superior</td>
</tr>
<tr>
<td>B</td>
<td>80-89</td>
<td>Above Average</td>
</tr>
<tr>
<td>C</td>
<td>70-79</td>
<td>Average</td>
</tr>
<tr>
<td>D</td>
<td>60-69</td>
<td>Below Average</td>
</tr>
<tr>
<td>F</td>
<td>0-59</td>
<td>Fail</td>
</tr>
</tbody>
</table>

For a grade of "C" or better, you receive full credit for the class. If a grade of "D" is received, the class must be repeated. An instructor may mandate that all make-up tests must be taken within 10 school days or an automatic zero will be assigned for that test. A “TC” indicates transfer credit.

A student’s grade point average is calculated using:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>
GRIEVANCE PROCEDURES
South Coast College, in the administration of discipline, guarantees procedural fairness to an accused person, whether the person is a student, staff, faculty member, or administrator. In the pursuit of its policy of openness, accountability, and responsiveness to students, the College provides the following grievance procedures.

A file on each grievance reported, including the procedures followed and the final disposition of the case, is maintained.

DEFINITION OF A GRIEVANCE
A grievance is a complaint arising out of any alleged unauthorized, or unjustified act or decision by a student, faculty member, administrator, or staff person, which in any way adversely affects the status, rights, or privileges of a member of the student body. The burden of proof shall rest with the complainant.

If students have a grievance and wish it to be recognized as such, a written complaint must be submitted to South Coast College on the College's petition form or in letter format.

The written grievance must clearly state the student's name, the nature of the complaint, the name(s) of all parties directly involved in the complaint, and any appropriate documentary evidence and be addressed to the director of the College.

STEPS TOWARD REDRESS
Based upon the information presented in the grievance, steps toward redress shall take place as follows:
1. The student will be asked to take the matter up with the individual in question. It is hoped that the matter can be resolved at this level. If it cannot be resolved, the following step shall occur.
2. Informal discussions will take place between the complainant and the person against whom the complaint is being made and the Day/Night Instructional Administrator. Resolution shall be attempted at this level. If it cannot be reached, the following steps shall occur.
3. The grievance shall be scheduled for presentation to the Grievance Committee for hearing and appropriate action. The committee shall be comprised of two faculty members, representatives from the various departments on campus, and two students. The members on the committee will rotate.
4. A copy of the grievance shall be given in writing to the person(s) against whom the complaint is brought.
5. The committee shall review and consider documentary records which relate to the case, including the grievance and its supporting documentation, and any documentary evidence or statement by the person(s) against whom the complaint was filed. Both parties shall be present during the meeting.
6. Committee members shall arrive at a judgment in consultation among themselves. A majority vote of such qualified members may make recommendations as appropriate for disciplinary actions or for changes in policy to the appropriate administrative officials.
7. The findings of the committee are final. A written summary of the response shall be provided within 10 days of receiving the complaint.
RE COURSE A FTE AFTER HEARING
If students have exhausted these procedures and the problems
have not been resolved, they have the right to contact any of
these entities. In approaching either entity with a grievance,
students are encouraged to take the following steps:
1. Contact the ACICS or NCRA office by mail (addresses given
below). Complaints received by phone must be accompanied
by a written follow-up letter.
2. Include the following required information in the letter of
complaint:
a. the nature of the problem;
b. the approximate date(s) that the problem(s) occurred;
c. the name(s) of the individual(s) involved in the
problem(s) within the institution or other students who
were involved;
d. copies of important information regarding the problem(s)
-- facts, not rumors, lead to solutions;
e. evidence demonstrating that the institution’s complaint
procedure was followed prior to contacting ACICS and/or
NCRA. The complaint must be signed;
f. A student or any member of the public may file a
complaint about this institution with the Bureau for
Private Postsecondary Education by calling (888) 370-
7589 toll-free or by completing a complaint form, which
can be obtained on the Bureau’s Internet web site
www.bppe.ca.gov.

3. Send the complaint to:

LEAVE OF ABSENCE POLICY
Effective November 2012 Quarter, South Coast College will no longer be granting leaves of absence. If students need to be gone more than 10 consecutive days, they will need to apply for a withdrawal and pay the appropriate withdrawal fee. When students wish to resume study at South Coast College, they will need to reapply for Admissions and pay the appropriate restart fee. Students who are readmitted will also have a $75 increase in quarterly tuition from their prior tuition rate.

NONHARASSMENT POLICY
South Coast College has a policy against harassment. Harassment of one individual by another on any basis including but not limited to the following: age, race, color, disability, ethnicity, national origin, religion, sex, and/or sexual orientation is strictly prohibited.

The purpose of this policy is not to regulate personal morality. Rather, it is to assure that, on the college campus, no individual harasses another on any of these bases.

While it is not easy to define precisely what any of these bases are, they certainly include slurs, epithets, threats, derogatory comments, unwelcome jokes, teasing, sexual advances, requests for sexual favors, socially unacceptable language, and other similar verbal or physical contact.

Any individual who feels that he/she is a victim of such harassment should immediately report the matter in writing to the Director or any other member of management. Violations of this policy will not be permitted and may result in discipline up to and including discharge of an employee and suspension of a student.

OUT-OF-CLASS LEARNING ACTIVITIES
In order to receive credit for a course, students are required to complete learning assignments outside of class that will be evaluated to validate learning.

EVALUATION OF OUT-OF-CLASS LEARNING ACTIVITIES
Out-of-class learning activities will adhere to the same grading standards as in-class learning activities and will be incorporated into the determination of the overall course grade.

PARKING
South Coast College shares its parking with tenants from the adjoining building. Parking for South Coast College students is on the left side of the lot. Overflow parking is available.

REFUNDS
If the College rejects an applicant, all fees and charges are refunded. A student may cancel his/her contract with the College until midnight of the fifth business day after the day on which the student attended the first class of the course of instruction. If a student notifies the College of cancellation during the five-day period, all of the charges will be refunded except the nonrefundable registration fees. If a student withdraws after the five-day period, the institution shall remit a refund of all tuition prorated through the last calendar day of attendance less the nonrefundable registration fees.

Tuition paid in advance for periods beyond the quarter of withdrawal is refunded in full. If withdrawal for any reason occurs, the student simply notifies the College, and the official date of withdrawal is the last date of attendance.
Refunds are made within 30 days of the date the College is notified or determines the student has withdrawn. For refund purposes, attendance for one hour is considered a full day.

As per the State of California, the student may withdraw from a course after instruction has started and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60 percent or less of the instruction. For example, if the student completed only 30 hours of a 90-hour course and paid $450 tuition, the student would receive a refund of $300. The calculation for tuition refund is as follows:

\[
\text{refund amount} = \frac{\text{amount paid} \times \text{60 clock hours of instruction paid for but not received}}{\text{90 clock hours of instruction for which the student has paid}} \times \text{amount paid}
\]

If the student withdraws, the institution may retain up to $100 for administrative fees.

The refund policy of the College is stated in the Consumer Handbook / orientation booklets that the student receives at orientation and on the enrollment agreement the student signs.

**REGISTRATION Required Quarterly**

Your first quarter schedule will be prepared for you. Thereafter, you need to register for each quarter by selecting the courses you wish to take and filling out a schedule at registration. Keep in mind that you must register for your classes during the registration period to avoid a late fee.

All students must register on the two registration dates publicized on campus. A $25 late registration fee will be in effect at 8 a.m. on the morning following the last date of registration.

You must sign up for the appropriate number of credits each quarter if you are receiving financial aid. If you want to change a class, you should arrange to do so with your program director.

The College reserves the right to alter class offerings at any time.

**REPEATED COURSES**

Under special circumstances, as determined by a committee that includes the program director and college director, a student may retake a course(s) and have the grade(s) replace the original grade in order to bring the student’s GPA into compliance for graduation. Also, see Court Reporting Procedures / Repeated Courses.

**COLLEGE LIABILITY**

South Coast College is not responsible for loss or damage to your personal property while it is on the College campus.

**SMOKING**

Smoking is not permitted in any of the classrooms, library, offices, resource centers, or auditorium. The designated smoking area is the only area where smoking is permitted. If you are a smoker, ask where the designated smoking area is.
STANDARDS OF STUDENT CONDUCT
Students are expected to exercise respect and self-discipline at South Coast College. The following behaviors may result in dismissal from South Coast College.
1. defacing, removing, or mutilating any College property (library, resource centers, classrooms, restrooms, student lounge, administrative areas, and so on);
2. providing false information or misrepresenting information in any records, financial aid documents, or attendance sign-in sheets, whether inadvertently or deliberately;
3. engaging in any activity that causes a safety hazard at College, including but not limited to weapons possession;
4. disrespect toward another student, faculty/staff member or administrator, guest, or vendor;
5. engaging in a single serious incident or repeated less-serious incidents of intoxication from any substance, as well as possession of drugs or alcohol on college premises;
6. engaging in other types of unethical conduct;
7. engaging in the use of profanity on the College premises.

PROCEDURES AND APPEAL PROCESS FOR UNETHICAL STUDENT CONDUCT
A charge of unethical conduct must be made in writing, specifically stating the allegations against a student. Each instructor / staff member / administrator who has a charge must formally state the allegations in a letter to the Director. A copy of the letter will be directed to the appropriate Day/Night Instructional Administrator.

Should a student be charged by an instructor / staff member / administrator with unethical conduct, the student may make an appeal of this determination within 30 days in the following manner:

1. The student should meet with the instructor who made the allegation to discuss and attempt to resolve the problem.
2. If a satisfactory resolution is not reached, the instructor or student can petition for a meeting with the Day or Night Instructional Administrator. The petition request must be made in writing by either the student or the instructor to the Day or Night Instructional Administrator.
3. If after review by the Day or Night Instructional Administrator a satisfactory resolution has still not been reached, the matter may be appealed to the Arbitration Review Committee. This committee consists of members from the faculty and staff representing various departments. The Committee reviews all materials and prior decisions and comes to a resolution on the matter. The decision of the Arbitration Review Committee is final.

CONSEQUENCES AND RECOURSE
Should it be determined that a student has behaved in an unethical manner, the student may be subject to the following disciplinary actions, dependent upon the nature and scope of the offense as determined by the Committee:
1. The student may not receive credit for the work completed in the class.
2. The student may not receive credit for the class.
3. The student may be administratively withdrawn from the program.

TARDINESS
As in employment situations, you are expected to be ready for the class at the scheduled starting time; and once you have checked into College for the day, you are expected to continue in all classes. Continued tardiness may result in disciplinary action.
TRANSFERRING CREDITS FROM SOUTH COAST COLLEGE

Notice concerning transferability of credits and credentials earned at our institution: The transferability of credits you earn at South Coast College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree or certificate you earn in an educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits, degree, or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending South Coast College to determine if your credits, degree, or certificate will transfer.

TRANSFERRING: DAY-TO-EVENING / EVENING-TO-DAY

Students who transfer between Day and Evening programs or vice versa will be evaluated at the next appropriate evaluation increment schedule for the time frame of the program into which they have transferred. Such revision of schedule may result in an untimely evaluation for that student and such revision may be deemed by the Director to be an extenuating circumstance for that first evaluation period only. Transfers between days and nights are permitted only at the quarter start date.

TRANSFER STUDENTS FROM OTHER COLLEGES

Upon receipt of an official transcript, a student transferring from another college/university will be given credit for comparable academic courses with an earned grade of C or better as determined by the respective program director.

Students in all programs must complete 50 percent of their credits at South Coast College for graduation.

VETERANS NOTICE

If a veteran student’s GPA falls below 2.0 within the first two quarters, the student will be placed on probation until the GPA is 2.0 or higher. While on probation, the student is still eligible for VA benefits.

If the GPA is not 2.0 by the end of the second quarter, South Coast College will no longer certify to the Department of Veterans Affairs that the student is enrolled.

WITHDRAWING FROM COLLEGE

While written notification of withdrawal is not required for withdrawal, the procedure to withdraw from South Coast College is to obtain a withdrawal form from the Financial Aid Office, complete the form, have the appropriate people sign the form, and complete an Exit Interview for your student loans. Official Withdraw fee ($50) will be assessed. A fee of $100 is assessed for unofficial withdrawals where the student does not properly notify the College of departure and attend an Exit Interview. A withdrawal may be effectuated by the student’s written notice or by the student’s conduct including but not necessarily limited to a student’s lack of attendance for 10 consecutive days.
WORK EXPERIENCE CREDIT
Student exemptions for specific courses may be allowed by verified work experience. The purpose of work experience credit is to enable students to utilize past experience to earn credit toward their learning objectives. The College will grant a student prior experiential learning only if it is equivalent to college/university level learning, reflects a balance between theory and practice, and directly relates to the student’s program and is applied in satisfaction of some of the program’s requirements.

For the first 60 semester credits awarded or 90 quarter credits awarded a student in an undergraduate program, no more than 15 semester credits awarded or 22.5 quarter credits awarded may be awarded for prior experiential learning. For the second 60 semester units awarded (i.e., credits 61 to 120) or 90 quarter units awarded (i.e., credits 91 to 192) a student in an undergraduate program, no more than 15 semester credits or 22.5 quarter credits may be awarded for prior experiential learning.

Students must submit documentation including the following to apply for work-experience credit: a letter of request, letters from prior employers verifying a minimum of two years’ experience, and an assessment fee of $100. Students must authorize the College to contact employers for verification. The program director and the College director will decide the amount of credits to be accepted.

In the event a student is denied credit, the student may appeal to the College director in writing stating the reasons why the decision should be reconsidered. Additional information may be requested by the College director or an alternative solution, such as challenging the course through a competency examination.

PROGRAM-SPECIFIC PROCEDURES

COURT REPORTING PROGRAMS

ACHIEVEMENT AWARDS
Typing speed certificates are issued for the highest speed achieved. Machine shorthand achievement certificates are awarded for theory and 40 wpm and for each 10-word increment above 40 wpm.

APPRENTICESHIPS
When the reporting student reaches speed proficiency of 180 words per minute, he or she may make arrangements to sit in and report proceedings with a Certified Shorthand Reporter.

The student is to have 50 hours of court proceedings and depositions, of which a minimum of 10 hours shall be in either one.

A maximum of 10 hours of this training may be the reporting of mock proceedings sponsored by a law firm or by a law school accredited by the American Bar Association.

Note: These hours may be increased by the Court Reporters Board (CRB) of California.

ATTENDANCE
All class absences must be made up using equivalent and documented make-up time activities in order for students to achieve 100 percent attendance in all registered classes at the end of a college’s academic quarter. Several options are available to students to make up the time related to a class absence.
POLICIES AND PROCEDURES

Only a maximum of 20 percent in physical absences can be made up in a college quarter. In other words, students must have at least an 80 percent physical attendance in each of their registered classes for the college quarter.

If 100 percent attendance is not achieved by students at the end of the quarter, their financial aid eligibility could be placed in jeopardy. It should be noted that even cash-paying students are subject to this 100 percent attendance policy because the Department of Education (DOE) states that the same standards must apply to all students regardless of whether students use financial aid resources or a cash-payment method to fund their education.

AUDIT COURSES
Court Reporting students are allowed to audit the speed classes as long as they have sufficient credits to maintain the minimum number of required credit hours per quarter. Students may also audit academic classes they have passed.

GRADING OF SKILL COURSES
A skill goal class may be attempted until credit is earned.

Note: For skill classes, a numerical grade of 95 for pass or 55 for fail appears on the student’s in-house transcript.

INDIVIDUAL PROGRESS
After the initial theory courses, individuals can progress at their own pace, completing as many skill levels as they can within a quarter.

Completion of a skill course level in the Court Reporting Program is obtained upon completion of skill proficiency testing and is not based upon a quarter-to-quarter schedule.

Individual progress in a high-speed machine shorthand program can vary widely. Even so, you are expected to meet minimum standards of progress.

LENGTH OF COURSE
For students to complete the court reporting program in a timely manner, it is imperative that they attend all machine classes to which they have been assigned every day. The development of a skill depends upon consistency in building the skill. The College requires that you attend all machine classes that you have available each day.

The court reporting program is approved to be achieved within 4440 clock hours. The court reporting program is a skill-based program that can be completed before the time allotted for completion.

Because this program is a skill-based program, there are no guarantees that the student will finish the program in the previously stated length of time. Completion of the program in a timely manner is totally contingent upon the individual's effort expended and adherence to the program in its entirety.
Adherence to the program includes attending the required number of theory and related classes, completing the required number of practice hours on the skill tutorial, and completing the homework assignments.

After theory classes, the student is expected to attend the required skill classes to which they have been assigned each day, practice on the skill tutorial, complete the required homework assignments each week, and complete a minimum of two typing credits. In addition, the student is expected to follow the methodology of the College with regard to building speed.

Note that the Court Reporters Board (CRB) of California requires that students practice a minimum of one hour each day after school hours. The National Court Reporters Association (NCRA) requires that students type a minimum of one paper each week. South Coast College requires a minimum of two papers a week for attainment of the weekly hourly requirement and attendance purposes.

Students who follow the prescribed College program are allowed to progress in the skill building classes as fast as their abilities permit. Consideration will be given to students who have moved through the speed levels rapidly to help them in completing the academic portion of the program.

Students entering the program must be aware that work schedules, family demands, personal problems, and other distractions will affect their progress in College. The program demands a consistent allotment of daily time to ensure success.

NONMATRICULATING STUDENTS
A nonmatriculating student is one who has completed a court reporting program and has qualified through either South Coast College or another court reporting school and is taking only speed classes.

PRACTICE
Approximately 72 hours of practice outside of class is required to progress out of every 10 wpm skill level. Keep in mind that practice is different from evaluation.

QUALIFIERS
To qualify to go to the State CSR Examination at South Coast College, you must have met the following minimum requirements outlined in the booklet 180 to the CSR, which can be obtained from the Director of Court Reporting.

All students at 180 wpm are required to meet with the Director of Court Reporting to review and to acknowledge the requirements to complete the program. These requirements include the following:
1. All academic classes must be completed;
2. All speed requirements up to and including 200 wpm must be fulfilled;
3. All apprenticeship hours (50) and a 45 wpm typing test must be completed;
4. All tuition must be current;
5. Students must be cleared through the Registrar's Office before they sit in qualifying examinations.

If a student fulfills the above requirements at any time after the qualifying exams have started, he or she may attempt any exams that remain.
These minimum requirements will more realistically prepare the student to pass the CSR exam at 200 wpm.

The College reserves the right to review the student's notes to determine whether the Qualifier will be accepted.

**REPEATED COURSES**

South Coast College does permit the repetition of goal speed classes, which can be taken up to twelve times for credit as push and trail (laboratory) classes on a pass (95) / fail (55) basis.

Steno Medical and Steno Legal classes can be repeated to obtain the required number of hours per week on the steno machine. Skill and accuracy, multi-voice, advanced theory, and theory reinforcement classes may be repeated to enable students to meet hourly machine requirements.

**TESTING IN SKILL COURSES**

**REQUIRED NUMBER OF TESTS**

Three official speed tests of a 5-minute duration and 97.5 percent accuracy are required to complete a speed level successfully up to and including the speed of 160 wpm.

From 170 to 200 wpm, the requirement is three skill tests one of which must be at a length of 7, 8, 9, or 10 minutes, depending on the goal speed. All tests must be at 97.5 percent accuracy.

</tbody>
</table>
TRANSCRIPTION TIME
Each of these 10-minute tests (170-200 wpm) must be transcribed within three (3) hours.

Official skill tests are normally five minutes of dictation on unfamiliar material transcribed within 1 hour and 30 minutes.

A time clock is used to check in and out of the Test Transcription Resource Center. The completed transcript, together with the machine notes, is then turned in to the Grading Resource Center to be graded. An accuracy rate of 97.5 percent is always required for a passing grade.

TYPING CREDITS
Two typing credits a week results in attendance credit for the time spent in transcribing the notes.

*All tests are unfamiliar material (to meet NCRA requirements).*

**All tests are typed under site supervision (to meet NCRA requirements).*

***It is important to realize that approximately 72 hours of practice outside of class is required to progress out of each successive 10 wpm skill level.*
LEGAL PROGRAMS

ATTENDANCE
Legal students must maintain 80 percent of attendance at all times. Students who miss courses more than 20 percent will have to make up the work and/or do extra credit work. Instructors reserve the right to require greater than 80 percent attendance.

EXTERNSHIPS
Legal externships provide the legal student with an opportunity to further his/her legal skills in a legal environment. The student receives hands-on training and learns the duties and expectations that may be required of legal support personnel. Students are required to submit a weekly log of their hours.

The paralegal and legal administrative assistant externships are courses for which a grade will be entered on the academic transcript. Regular attendance is required as with any course. Therefore, students must submit their supervisor-initialed externship time sheets each and every week. Students will fax their time sheets to the Director of Legal Programs at (714) 867-5026.

Students who are absent ten (10) consecutive days from the College (including externship) without notifying the College will be dropped from the College, and a $100 withdrawal fee will be assessed.

If allowed to be reinstated, the student returns at an increased tuition rate. Students should avoid any potential problems by submitting (via fax) their time sheets to the Director of Legal Programs every Friday.

LENGTH OF COURSE
The paralegal studies program is an 18-month course for day students and a 24-month course for night students.

The legal administrative assistant / legal secretary program is a 9-month course for day students, and a 12-month course for night students.
MEDICAL PROGRAMS

ATTENDANCE
Medical students must maintain 80 percent of attendance at all times. In the Medical Assistant Program, the 80 percent factor allows for 4 absences for day students and 2 absences for night students a month. Students who miss more than that will have to make up the required work and/or do extra credit work.

EXTERNSHIPS
Medical externships provide the medical student with experience in a selected physician's office or healthcare facility. The student is supervised and evaluated by qualified medical personnel.

The Medical Assistant student must have an opportunity for an equal exposure to administrative and clinical experience. A list of skills to be evaluated will be presented to the supervisor of the healthcare facility. The student is required to meet and discuss learning with the instructor on a regular basis. The externship coordinator will visit the site periodically.

The medical assistant externship is a course for which a grade will be entered on the academic transcript. Regular attendance is required, as with any course. Therefore, students must submit their supervisor-initialed externship time sheets each and every week. Students will fax their time sheets to the Director of Medical Programs or Externship/Placement Coordinator at (714) 867-5026.

Students who are absent ten (10) consecutive days from the College (including externship) without notifying the College will be dropped from the College, and a $100 withdrawal fee will be assessed. If allowed to be reinstated, the student returns at an increased tuition rate. Students should avoid any potential problems by submitting (via fax) their time sheets to the Director of Medical Programs or Externship/Placement Coordinator every Friday.

LENGTH OF COURSE
The medical assistant program is a 9-month course for day students and 12-month course for night students.
CONSUMER INFORMATION  

**Student Rights**

Before attending South Coast College, you will receive an orientation packet containing the following: an enrollment agreement, refund calculation policy, notice of cancellation, drug-free workplace philosophy, campus crime statistics, procedure for scholastic course proficiency examinations, total start costs for day and night, and parking information.

All students will also receive documentation pertaining to the graduation and placement of the various programs. Court reporting students will also receive exam statistics for the court reporting program.

You will receive information packets from the Financial Aid Director and obtain default management counseling.

**Cancellation of Enrollment Agreement**

Students have the right to cancel their enrollment agreement and obtain a refund of charges paid through attendance at the first class session or the 7th day after enrollment, whichever is later, exclusive of the nonrefundable application fee.

To cancel enrollment, call or write South Coast College at the following address:

**SOUTH COAST COLLEGE**

2011 West Chapman Avenue
Orange, CA 92868
Phone: (714)867-5009
Fax: (714)867-5026

Students are advised that they have the following rights:

- You may cancel your contract with South Coast College without any penalty or obligation, as described in the Notice of Cancellation form that will be given to you at the orientation meeting. Read the Notice of Cancellation form for an explanation of your cancellation rights and responsibilities. If you have lost your Notice of Cancellation form, ask the College for a sample copy.
- After the end of the cancellation period, you also have the right to stop college at any time and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your contract, ask the Financial Aid Office for a description of the refund policy.
- If the College closes before you graduate, you may be entitled to a refund. Contact the following for information.

**DEPARTMENT OF CONSUMER AFFAIRS, CONSUMER INFORMATION DIVISION**

1625 N. Market Blvd.
Suite N112

www.bppe.ca.gov
DISCLOSURES
Students are given a track record disclosure form (School Performance Fact Sheet) on the number of graduates, placements, and starting salaries at orientation in their New Student Document Package. They also receive the required Court Reporters Board Pamphlet on selecting the career of court reporting and selecting a court reporting school.
CASH-PAYING STUDENTS
Students who pay cash for tuition are not required to pay the entire amount in advance. Tuition is charged quarterly and billed monthly.

For students who wish to pay the entire tuition and institutional charges in advance, South Coast College accepts payment in full for tuition and fees after the student has been accepted and enrolled as of the date of the first class session disclosed on the Enrollment Agreement.

Paying in full creates a credit balance on the student’s account until the student graduates. Every quarter, tuition is deducted from the credit balance. If the student withdraws, tuition charges are prorated and the remaining credit balance is refunded to the student upon graduation or departure.

STUDENT FINANCIAL ASSISTANCE
Financial aid is available to students who qualify. South Coast College offers the following types of aid:

GRANTS
Grants are financial aid you do not have to pay back.
- Pell Grant
- Supplemental Educational Opportunity Grant (SEOG)

WORK STUDY
Work Study gives you a chance to work and earn money to help pay for school.
- Federal Work Study (FWS)

LOANS
Loans are borrowed money that you must repay with interest.
- Direct Loan
- Direct PLUS Loan

If the student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan, plus interest, less the amount of any refund; and if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from the federal financial aid funds.

For student eligibility requirements and information on the application process, please read Addendum B of the Catalog (South Coast College Consumer Information Handbook). The Financial Aid Office retains a staff of professionals who are available to assist students from the time they enter South Coast College until they are through the loan repayment process.
SATISFACTORY ACADEMIC PERFORMANCE

SATISFACTORY ACADEMIC PROGRESS

CAMPUS STANDARDS
Federal regulations require all institutions participating in Title IV aid programs to define and to monitor satisfactory academic progress (SAP) for all financial aid recipients. The standards must be the same as, or at least as stringent as, the SAP standards for nonfinancial aid recipients.

At South Coast College, the satisfactory academic progress standards are monitored in three areas:
1. Cumulative Grade Point Average (CGPA)
2. Pace to Completion
3. Maximum Time Frame for Completion of Program

SAP standards are monitored quarterly for programs of less than a year and in annual increments for all other programs.

Note: Annual, as used for SAP, is 3 quarters for day students and 4 quarters for night students.

Satisfactory Academic Progress is reviewed by program as follows:

• Annually Prior to Repackaging – Court Reporting and Paralegal
• Quarterly – Medical Assistant and Legal Administrative Assistant / Legal Secretary

NOTIFICATION OF STUDENT
• Any student who is not meeting one or more of the SAP requirements will be notified verbally in person or by phone or in writing.
• Notification includes the following: informing the student of the consequences of not meeting SAP standards, explaining how to reestablish eligibility, and reviewing the appeal process.
• In a situation where students regain financial aid eligibility, they will be notified by the financial aid office and their financial aid file will be reactivated.

ACADEMIC NORMS
SAP standards for financial aid recipients are measured against the academic norms for all students in the three areas:

1. CUMULATIVE GRADE POINT AVERAGE (CGPA)
The cumulative grade point average (CGPA) is based on a 4.0 scale as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>

<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

Students must have a 2.0 CGPA at the end of their second year and at each annual review period thereafter. A 2.0 or above is required for graduation in all programs.
Students who do not have a 2.0 CGPA at the end of their second year or at any annual review thereafter will be taken off financial aid. These students can reestablish their financial aid eligibility by the following:
1. attending without financial aid by paying cash and bringing their CGPA back to 2.0 or
2. appealing due to extenuating circumstances.

The appeal process is discussed later in this section.

Once students regain their eligibility for financial aid, they will be notified by the Financial Aid Office and their financial aid file will be reactivated.

2. PACE TO COMPLETION

CREDIT-BASED EVALUATION  All Programs
To ensure that students are able to finish their programs within the 150% time frame allowed, the Financial Aid Office reviews the number of cumulative units completed (passed) against the number of units attempted for the prior award year. This is done annually for programs of more than a year and quarterly for programs of less than a year.

Students are required to complete 80% of all units attempted their first year and 65% of all units attempted for all subsequent years.

Students who do not meet the percentage requirement at review will be taken off financial aid. These students can reestablish their financial aid eligibility by:
1. attending without financial aid by paying cash and bringing their percentage back up or
2. appealing due to extenuating circumstances.

The appeal process is discussed later in this section.

Once students regain their eligibility for financial aid, they will be notified by the Financial Aid Office and their financial aid file will be reactivated.

CLOCK-HOUR-BASED EVALUATION
Court Reporting Programs for students enrolled after July 1, 2011
In a clock-hour-based evaluation, the student’s skill level is determined based upon the student’s enrolled time within the program.

<table>

Students who are not meeting their skill requirements quarterly will first receive a warning and then be placed on probation. If at the evaluation points in the previous chart they do not meet the skill level requirement, they will be taken off financial aid. These students can reestablish their financial aid eligibility by doing the following:

1. attending without financial aid by paying cash and bringing their percentage back up or
2. appealing and working out a plan with the Director or Director of Court Reporting.
Once students regain their eligibility for financial aid, they will be notified by the Financial Aid Office and their financial aid file will be reactivated.

3. **MAXIMUM TIME FRAME FOR COMPLETION OF PROGRAM**

**CREDIT-BASED EVALUATION All Programs**

Federal regulations require schools to set a limit to the amount of time students can work toward any degree or certification and maintain their financial aid eligibility. At South Coast College, we use the maximum time frame allowed, which is 150% of the normal program length.

The time frame expressed in credits for each program is as follows:

<table>
<thead>
<tr>
<th>PROGRAM</th>
<th>CREDITS REQUIRED FOR PROGRAM</th>
<th>CREDITS ALLOWED FOR SAP</th>
</tr>
</thead>
<tbody>

</tr>
</tbody>
</table>

Students who do not finish their programs within the Maximum Time Frame requirement will be taken off financial aid.

These students can become extended enrollment / nonregular students. The student must sign an “Extended Enrollment” agreement each quarter with the Accounting Department to stay enrolled.

While on extended enrollment status, students will not be eligible for Title IV funds, VA funds, or any other agency funding.

While on extended enrollment status, the student will be evaluated regularly by the program director to determine the student’s desire and ability to satisfactorily complete the program. This review is separate from the regular SAP probation process. While in this extended enrollment status, students must retake failed classes or enroll in skill classes required to be licensed in their program.
Students in an extended enrollment status cannot receive the degree/credential for which they originally enrolled when they meet the requirements for graduation.

**CLOCK-HOUR-BASED EVALUATION**

_Court Reporting Programs for students enrolled after July 1, 2011_

Federal regulations require schools set a limit to the amount of time students can work toward any degree or certification and maintain their financial aid eligibility. At South Coast College, we use a maximum clock-hour time frame allowed, which is 6,660 clock hours. All absences incurred by students in court reporting must be made up.

The time frame for each program is as follows:

<table>
<thead>
<tr>
<th>COURT REPORTING</th>
<th>CLOCK HOURS EXPENDED</th>
<th>COURT REPORTING</th>
<th>CLOCK HOURS EXPENDED</th>
</tr>
</thead>
<tbody>
<tr>

<td>87 mos.</td>
<td>6612 hrs.</td>
</tr>
</tbody>
</table>

Students who do not finish their programs within the Maximum Time Frame requirement will be taken off financial aid.

These students must become extended enrollment / nonregular students. While on extended enrollment status, students will not be eligible for Title IV funds, VA funds, or any other agency funding.

While on extended enrollment status, the student will be evaluated regularly by the program director to determine the student’s desire and ability to satisfactorily complete the program. This review is separate from the regular SAP probation process. While in this extended enrollment status, students must retake failed classes or enroll in skill classes required to be licensed in their program.

Students in an extended enrollment status cannot receive the degree/credential for which they originally enrolled.

**EFFECT OF NONACADEMIC GRADES ON SAP**

- **Withdrawals** – Withdrawals result in a "W" grade or a failing grade of 55 if done late in the quarter. These grades are counted in units attempted but not in units completed and affect the student’s 80%/65% completion requirement as well as maximum time frame calculation.
- **Incompletes** – South Coast College does not give a grade of Incomplete
- **Repeated courses** – All Programs:
  - **Academic and Theory courses** may be repeated only twice for credit.
  - **Some skill courses** may be repeated for credit within established limits. Academic courses with a grade of D or below may be repeated for a passing grade. The repeated course grade will replace the prior course grade.
- **Repeated Courses** – Court Reporting Program:
  - **Goal Course** – May be repeated until credit is earned. The student is given credit for the goal class that is passed, not attempted. The goal class is considered a lecture class as it is considered a class for testing purposes. It may be repeated until credit is earned for a total of 12 times (6 push and 6 trails) at ½ the value of the Goal Class. The student is given credit for
SATISFACTORY ACADEMIC PERFORMANCE

the push and trail speeds according to attendance regulations because they are considered practice or lab classes.

- Advanced Theory and Theory Reinforcement classes may be repeated as needed.
- Nonpunitive grades – South Coast College does not have nonpunitive grades
- Noncredit – A goal class may be taken for a letter grade or noncredit
- Remedial – South Coast College does not have remedial classes

CREDIT FOR SKILL PROGRESSION
Court reporting students who pass more than one speed in a quarter will be credited with passing one speed per quarter and given a No Credit (NC) for the other speed(s). The additional speed(s) will be credited to the following quarter(s).

ACADEMIC DEFICIENCIES
Court reporting students who started after July 1, 2011, who do not pass an academic course during the quarter, may be assigned a tutor for the following quarter to help remedy any academic deficiencies. At the discretion of the Campus Director or Program Director, they may be given an opportunity to make up work to improve their grades to a passing grade. The grade will replace the failed grade.

WARNING PERIODS
Students in all programs (even one year or less) can receive a warning period prior to losing their financial aid eligibility. This warning period allows students to continue to receive financial aid for one quarter so they can reestablish their SAP standing. This warning period is automatic for all students in a program of one year or less, and they are notified in writing if they are under a warning status. Students who have not reached the SAP standards at the end of their warning period will be placed into a probation period.

PROBATION
Students may be on probation for various reasons including but not limited to excessive absences or not achieving academic or skill progress in accordance with satisfactory progress standards. The procedure that is followed prior to placing a student in a probation status is to first counsel the student with regard to any issues that may cause a student to have to be placed on probation. Students placed on probation must satisfy the specific probationary requirements by the end of the probationary period in order to remain in the program. The final determination as to whether the requirements have been satisfied is up to the discretion of the College director.

Students in programs of one year or less who do not reestablish the SAP standards at the end of a warning period will be placed in a probation period during which they will have to have an approved appeal on file to continue receiving financial aid.

Students in programs longer than twelve months will receive warning notices. If they are not meeting the Satisfactory Academic Progress standards at the time of their annual repackaging, they will not be repackaged. Students may appeal for reinstatement of aid if they feel they have extenuating circumstances. If an appeal is approved, students will be placed on a probation period and their SAP will be reviewed quarterly. Students may receive financial aid during a probation period. Students who fail to meet the SAP standards specified in their appeal during their probation period will be terminated from
SATISFACTORY ACADEMIC PERFORMANCE

financial aid until such time as they get back to the level of SAP standards required at South Coast College.

Probation periods are for one quarter only unless the student has completed an academic contract with his/her program director, in which case his/her probation period is for one year. SAP will still be reviewed for these students quarterly, and the student will be advised about his/her progress.

**APPEAL PROCESS**
Students may file an appeal if they believe there are mitigating circumstances why they did not meet the campus SAP requirements. South Coast College defines mitigating circumstances as including but not being limited to the following:

- an act of nature that results in the displacement of students from their residences,
- a documented extraordinary medical condition / serious accident,
- death of an immediate family member,
- unusual circumstances beyond the student's control.

If students fail to meet SAP standards or fail to adhere to their academic plan while in an appeal period, they will be taken off financial aid.

**APPEAL PROCEDURE:**
- The student completes an SAP Appeal form or writes a letter that includes all mitigating circumstances involved as well as an action plan for improvement.
- Any documentation that can verify or help clarify the appeal should be attached.
- A letter of support from the program director outlining the student's academic plan for the next enrollment period is also required.

- The appeal will be taken to the campus management committee for review and action.
- Students will be notified of their appeal outcome within 10 working days.

**APPEAL APPROVAL**
If an appeal is approved, the student's aid will be awarded for the time frame explained previously. An appeal is for one quarter, unless the student completes an academic contract with his/her program director for the award period. SAP is reviewed quarterly to ensure the student is meeting the terms of his/her academic contract. If students fail to meet SAP standards while in an appeal period, they will be taken off financial aid. Students will be allowed to enroll as cash-paying until they reestablish their SAP status.

**APPEAL DENIAL**
If an appeal is denied, students will be taken off financial aid. Students will be allowed to enroll as cash-paying until they reestablish their SAP status.

**DISMISSAL**
If the student fails to meet the probationary requirements for other than not achieving academic standards, the student may be suspended or dismissed.
SUSPENSION
Suspension is a forced, temporary leave from South Coast College. There are three types of suspension:
1. Academic suspension is the result of poor academic performance, lack of attendance, or violation of academic regulations.
2. Disciplinary suspension is the result of serious personal misconduct.
3. Administrative suspension is the result of failure to meet South Coast College financial obligations or failure to comply with federal, state, or local regulations.

Suspended students may not:
• Register for courses
• Attend classes
• Use campus facilities
• Participate in student activities

Should a student disagree with the application of the Suspension Standards, he/she must first discuss the problem with the College director or program director. If still dissatisfied, the student may then proceed through the College grievance procedure set forth elsewhere in the catalog.

GROUND FOR DISMISSAL
South Coast College reserves the right to require withdrawal at any time of any student whose attitude or conduct is not in accordance with the ideals and standards of the College. The College does not wish to terminate any student, but such action will be necessitated in cases where the following problems are not resolved:
• Nonpayment of tuition
• Aggressive or disrespectful behavior toward students/staff
• Extended absences
• Unsatisfactory progress
• Dishonesty in any academic or skill building pursuit
• Destruction or theft of student or College property
• Any other violations of standards set forth in the catalog under Student Conduct.

South Coast College is a learning environment. All students are expected to respect the rights of other students as they pursue their course of study. Common courtesy is expected from students and staff alike.

EFFECT OF CHANGE OF PROGRAM ON SAP
If students wish to change from one program to another at South Coast College, they need to do so in writing. Requests are reviewed by the program director to see if any classes are transferable from the students' prior program into their new program.
• Only the courses that are transferred into the new program are used to calculate the students’ SAP in the new program.
• All units and grade points that are not accepted into the new program are closed and no longer used in the students’ SAP calculation.
• All program requirements for South Coast College students are outlined in this catalog.

EFFECT OF ADDITIONAL DEGREE ON SAP
If students wish to work toward an additional degree, they need to apply in writing. Requests are reviewed by the program director to see if any classes are transferable from the students’ prior degree or certificate into their new degree or certificate.
• Only the courses that apply to the additional degree or certificate are used to calculate the students’ SAP in their new program.
• All units and grade points that are not accepted into the new program will be closed and no longer used in the students’ SAP calculation.
• All program requirements for South Coast College students are outlined in this catalog.

EFFECT OF TRANSFER OF CREDITS ON SAP
Students who transfer into South Coast College may have their academic units reviewed for acceptance into their program. Courses that are transferred into a program will be counted toward the 150% maximum time frame that students can complete in their program. Transfer units do not count in students' 65% completion rate or in their CGPA.

SAP REQUIREMENT FOR PROGRAM GRADUATION
A minimum CGPA of 2.0 or greater is required for graduation in all programs at South Coast College.
BOARD OF DIRECTORS
South Coast College is owned by Orange County College of Court Reporting, Inc. The board of directors is as follows:

President/Secretary: Jean Gonzalez
Vice-President / Financial Operations / Treasurer: Leonard Skelton

**BEHdad AkbarpouR, MD**  
**Medical Programs Advisor**  
Diplomate, American Board of Internal Medicine  
MD, Tehran University School of Medicine, Tehran, Iran  
Major: Internal Medicine  
Medical License, Medical Board of California  
Federal DEA Certificate, Drug Enforcement Agency  
ECFHG Certificate, ECFHG  

Dr. Akbarpour is a California Certified Physician and has held various medical-related positions, including physician and medical directorship.  

Dr. Akbarpour is a graduate of Tehran University School of Medicine where he received his training. He has done subsequent medical residencies at Yale University School of Medicine (Preliminary Medicine Residency), Mount Sinai School of Medicine (Internal Medicine Residency), UMDNJ School of Medicine (Internal Medicine Residency).  

He has worked with Orange County Center for Special Immunology, Orange County Immune Institute, South Metropolitan Medical and Rehabilitation Clinic, Los Angeles; and Holt Clinic, Ontario.  

Dr. Akbarpour currently is in private practice at Palm View Medical Center in Irvine and is Medical Advisor to the Medical Assistant Program at South Coast College.  

**MARY Augustine, CSR, AAS**  
**Instructor**  
AAS, South Coast College, CA  
Major: Court Reporting  
CSR, Court Reporters Board of California  

Mary Augustine is a California Certified Shorthand Reporter (CSR). Ms. Augustine received her Certificate and AAS degree in Court Reporting from South Coast College.  

Ms. Augustine worked as a reporter for over 10 years and taught theory at night at South Coast College. Before returning to South Coast College, Ms. Augustine was employed with the Westminster School District as a para-educator for the Special Education Department for over five years.  

Ms. Augustine currently teaches theory and skill development classes full time in the court reporting program at South Coast College. She is also an instructor for the Paralegal Program.
### MARLIN BRANSTETTER, BSL, JD
**INSTRUCTOR**

JD, Western State University, College of Law, Fullerton, CA  
Major: Law  
BSL, Western State University, College of Law, Fullerton, CA  
Major: Law

Marlin Branstetter attended California State University, Fullerton and received his undergraduate and graduate degrees from Western State University, College of Law.

Professor Branstetter is a practicing attorney who has his own law practice where he specializes in bankruptcy proceedings. He is a member of the State Bar of California. He has taught legal classes part time at South Coast College since 1987.

### JOSEPH R. BURT, BA, MA
**INSTRUCTOR**

MA, California State University, Fullerton, CA  
Major: English  
BA, University of California, Irvine, CA  
Major: English

Joseph R. Burt earned his Bachelor of Arts degree in English from the University of California at Irvine and his MA degree from California State University, Fullerton.

Professor Burt is a part-time English instructor in the court reporting program and teaches general education classes for the Paralegal Studies AA degree at South Coast College.

### KIM CATHEY, CSR, CERTIFICATE
**INSTRUCTOR**

Certificate, California School of Court Reporting, Santa Ana, CA  
Major: Court Reporting  
CSR, Court Reporters Board of California

Kim Cathey is a California Certified Shorthand Reporter (CSR). Ms. Cathey received her Certificate in Court Reporting from California School of Court Reporting. She has been a full-time deposition reporter since 1993.

She is currently a full-time deposition reporter and a part-time instructor at South Coast College.

### EMELY CRUZ, AA, BSL, JD
**INSTRUCTOR**

JD, Pacific West College of Law, Orange, CA  
Major: Law  
BSL, Pacific West College of Law, Orange, CA  
Major: Law  
AA, Cerritos College, Cerritos, CA  
Major: Paralegal Studies

Emely Cruz attended Western State University, College of Law, and obtained her BSL and JD degrees in law from Pacific West College of Law. She received an AA degree in Paralegal Studies from Cerritos College and holds a vocational certificate from Los Angeles Trade Technical College in Plastics Technology.

Professor Cruz is currently employed as a law clerk. She is also a part-time instructor in the Paralegal Studies program at South Coast College.
JUSTINE DELL, AA, BA, JD
INSTRUCTOR
JD, Western State University, College of Law, Fullerton, CA
Major: Law
BA, California State University, Dominguez Hills, CA
Major: Interdisciplinary Studies / Sociology
AA, Cerritos College, Norwalk, CA
Major: Paralegal/General Studies

Justine Dell received her AA degree in Paralegal Studies from Cerritos College and her BA degree in Interdisciplinary Studies and Sociology from California State University, Dominguez Hills. She received her JD from Western State University, College of Law.

Professor Dell began her career as a legal assistant. Later she was employed as a paralegal. Currently, she is a practicing attorney. Professor Dell teaches Family Law at South Coast College.

WILLIAM B. DIXON, BA, JD
DIRECTOR OF LEGAL PROGRAMS / INSTRUCTOR
JD, Western State University, College of Law, Fullerton, CA
Major: Law
BA, California State University, Long Beach, CA
Major: Political Science

William B. Dixon obtained his BA degree in political science from California State University, Long Beach and JD degree at Western State University, College of Law, Fullerton, CA.

Professor Dixon was Associate Dean of Academics; Assistant Dean of Academics; Assistant Dean of Students; and Dean of Student and Alumni Affairs / Assistant Dean of Academic Administration (Part-time Division) at Western State University.

Professor Dixon is Director/Instructor of Legal Studies at South Coast College and an adjunct faculty member at Pacific West College of Law in Orange, CA.
KATHY GENEVAY, CSR, AAS
INSTRUCTOR
AAS, South Coast College, CA
Major: Court Reporting
CSR, Court Reporters Board of California

Kathy Geneva is a California Certified Shorthand Reporter (CSR). Ms. Geneva received her Certificate and AAS degree in Court Reporting from South Coast College.

She has been affiliated with South Coast College since 1989. Ms. Geneva was also a full-time court reporting instructor at CEI College, formerly Lee College, for over 10 years. She is currently a full-time court reporting instructor.

JEAN GONZALEZ, BA, MA
DIRECTOR AND INSTRUCTOR
MA, Kent State University, Kent, OH
Major: English
BA, University of Scranton, Scranton, PA
Major: English
Minor: Philosophy

Jean Gonzalez received a BA degree from the University of Scranton where she earned a General Excellence in the Arts Award and an MA degree from Kent State University. She holds community college credentials in the fields of English, Office Technologies, and Computer-related Technologies.

Ms. Gonzalez has extensive teaching experience in court reporting, computer-related courses, and English. She has taught at every level of education from high school through university level both public and private and has authored over 20 textbooks in the fields of court reporting, office automation, business communications, word processing, and programming.

Ms. Gonzalez currently teaches theory and CSR Review courses.
KATHY HETTICK, CSR, AAS
INSTRUCTOR
AAS, South Coast College, CA
Major: Court Reporting
CSR, Court Reporters Board of California

Kathy Hettick is a California Certified Shorthand Reporter (CSR).
Ms. Hettick received her Certificate and AAS degree in Court Reporting from South Coast College.

Ms. Hettick was a full-time rapid-data entry specialist at the Buena Park Police Department for many years. She taught full time for a number of years at South Coast College.

Ms. Hettick is currently an Official Reporter in the Orange County Courts and a part-time instructor at South Coast College.

TEHMINA ASHRAF KHAN, MD, MPH (IN PROGRESS)
DIRECTOR OF MEDICAL PROGRAMS / INSTRUCTOR
MPH, California State University, Fullerton, CA
Major: Public Health (In Progress)
MD, Liaquat University of Medical and Health Sciences, Pakistan
Major: Medicine
Certificate, Orange Coast College, Costa Mesa, CA
Major: Electronic Health Records Manager

Tehmina Ashraf Khan received her Doctor of Medicine degree from the Liaquat University of Medical and Health Sciences, Pakistan. She is progressing toward a Master’s degree in Public Health from California State University, Fullerton. She also holds a Certificate in Electronic Health Records Manager from Orange Coast College.

Dr. Khan was employed as a medical doctor and administrator for the Punjab Health Department in Pakistan. She has been an Electronic Health Records Trainer for the Rosemead Medical Plaza and a medical billing and coding specialist for the Foundation Medical Group.

She also has teaching experience as an instructor of Medical Programs for PCI College.
YOLANDA KRIEGER, CSR, AAS
DIRECTOR OF COURT REPORTING / INSTRUCTOR

AAS, South Coast College, CA
Major: Court Reporting
CSR, Court Reporters Board of California

Yolanda Krieger is a California Certified Shorthand Reporter (CSR). Ms. Krieger received court reporting training at Tri-Community College and an AAS degree in Court Reporting from South Coast College. Ms. Krieger had been a deposition reporter for several years.

She has been the Director of Court Reporting at South Coast College for over 8 years and teaches an occasional skill building course.

THOMAS JAMES LO, BA, JD
INSTRUCTOR

JD, Western State University, College of Law, Fullerton, CA
Major: Law
BA, California State University, Long Beach, CA
Major: Political Science

Thomas James Lo received his JD degree from Western State University and a BA degree in Political Science from California State University, Long Beach. He holds a California State Bar license.

Professor Lo has been the Senior Deputy Public Defender for the Orange County Public Defender’s office for over 14 years and has been practicing law since 1991.

Professor Lo is a part-time paralegal instructor in the Paralegal Studies program at South Coast College.

### RICK LOUIE, BSEE
**INSTRUCTOR**

BSEE, California State University, Fullerton, CA  
Major: Electrical Engineering  
Emphasis: Computer Engineering

Rick Louie received his BSEE degree from California State University, Fullerton.

Mr. Louie has over 14 years' experience in the computer-aided transcription area working for Gigatron Corporation. He has held positions in technical support, marketing, and supervision/management. His current position involves helping court reporters with their computers and software daily over the phone and in person.

His expertise extends not only to the Gigatron software but to other CAT systems as well. He regularly conducts seminars to teach computers and StenoCAT software and writes articles for both Gigatron and the StenoCAT Users Group.

Mr. Louie is a part-time instructor in the court reporting computer courses.

### KEVIN MAGNER
**DIRECTOR OF OPERATIONS AND MARKETING / MIS DIRECTOR / INSTRUCTOR**

Mount Saint Mary’s College, Emmitsburg, MD  
Major: English  
Orange Coast College, Costa Mesa, CA  
Major: Business Management  
University of Phoenix, Costa Mesa, CA  
Major: Business Administration

Kevin Magner attended Mount Saint Mary’s College (English); Orange Coast College (Business Management); and University of Phoenix (Business Administration). His course work included numerous computer technology courses including Introduction to Computers, Basic and Fortran programming, and System Analysis.

Mr. Magner has attended professional development courses during previous employment that included database implementation and management.

Mr. Magner was responsible for the implementation of a just-in-time inventory system at Ricoh Electronics copier production facility; a warehouse inventory system implementation at Shurlok, Corporation; and a tracking system for Consolidated Controls.

Mr. Magner gained additional technology experience as an account manager for Data Recall, a company specializing in automated data-entry systems.

Mr. Magner has managed the IT Department for South Coast College during which time he has attended additional technology courses including Advanced Microsoft Excel and Access courses and Adobe Golive Web Development software courses at New Horizons, a corporate software training company. Mr. Magner teaches computer-related classes part time at South Coast College.
DAVID MANZER, BA, JD  
INSTRUCTOR

JD, Western State University, College of Law, Fullerton, CA  
Major: Law  
BA, California State University, Fullerton, CA  
Major: Political Science

David Manzer received a JD degree from Western State University of Law and a BA in Political Science from California State University, Fullerton.

Professor Manzer is a member of the State Bar of California. He is the principal of the Law Office of David R. Manzer. His experience includes the position of in-house counsel at CNA Insurance, Burbank/Glendale; and associate attorney for Kern and Wooley, Los Angeles.

Professor Manzer is currently a full-time instructor in the Paralegal Studies program at South Coast College.

SUZANNE METCALF, CSR, CERTIFICATE, AAS, CRI  
INSTRUCTOR

CRI, National Court Reporters Association  
Certificate, Cypress College, Cypress, CA  
Major: Court Reporting  
AAS, South Coast College, CA  
Major: Realtime Court Reporting  
CSR, Court Reporters Board of California

Suzanne Metcalf is a California Certified Shorthand Reporter (CSR). Ms. Metcalf received her Certificate in Court Reporting form Cypress College and an AAS degree in Court Reporting from South Coast College. She is a National Court Reporters Association Certified Realtime Instructor.

Ms. Metcalf worked as a deposition reporter for several years. She has extensive practice in expert witness and percipient witness depositions.

Ms. Metcalf is currently a full-time instructor at South Coast College.
JODI MONROE, CSR, CERTIFICATE INSTRUCTOR
Certificate, South Coast College, CA
Major: Court Reporting
CSR, Court Reporters Board of California

Jodi Monroe is a California Certified Shorthand Reporter (CSR). Ms. Monroe received her Certificate in Court Reporting from South Coast College.

Ms. Monroe has been a deposition reporter for several years. She currently serves on the Board of the Deposition Reporters Association (DRA). She is currently a part-time professional studies instructor at South Coast College.

MUHAMMAD NASIR, MD, MPH INSTRUCTOR
MPH, California State University, Fullerton, CA
Major: Public Health
MD, Nishtar Medical College, Multan, Pakistan
Major: Medicine, surgery, radiology

Dr. Muhammad Nasir graduated and completed his clinical internship from Nishtar Medical College and Hospital, Pakistan.

Dr. Nasir was an active member of Medical College Blood Donor Society and was awarded with the President Scholarship for medical education. During the time between 2002 and 2009, he served in the Army Civil Health Sector and Medical Colleges where he was both clinical staff and teaching faculty. In recognition of his medical services, he was awarded a medal.

From 2007 to 2009, he was supervisor for the World Health Organization (WHO) vaccination campaigns. He holds certifications in the following areas: Health Information technology (Trainer & Implementation Manager in EMR/EHR) from Orange Coast College; Advanced Cardiac Life Support and Basic Life Support from the American Heart Association; Ultrasound (General, Vascular, Adult Echo) from the American Registry for Diagnostic Medical Sonography. He has passed the United States medical licensing exams and gained experience in the U.S. healthcare system.

Dr. Nasir received an MPH from California State University, Fullerton and was awarded an Academic Excellence Award in 2012 for maintaining the highest Graduate GPA of 4.0. Dr. Nasir is an instructor in the Medical Assistant program at South Coast College and teaches medical courses for the Court Reporting and Paralegal programs.
