Overview

History

South Coast College was founded in Long Beach, California, in 1961 as the Stenotype School of Long Beach. In 1974, the College moved to Garden Grove, California, and the corporate name was changed to Whitley College. In 1980, Orange County College of Court Reporting was merged into Whitley College, and the name was changed to South Coast College of Court Reporting. In 1996, the College was granted degree-granting status and expanded its offerings beyond court/deposition reporting and related fields to include medical assistant and paralegal careers. In August 1999, the name was changed to South Coast College to reflect the addition of other programs.

Mission Statement

The mission of South Coast College is to provide quality education and training in a caring, student-oriented environment to individuals who are highly motivated and who wish to improve their lives.

South Coast College believes that, in this highly competitive business world, post-secondary education that trains people both in the skills and the language of specific careers is a valuable asset. South Coast College was founded on the philosophy that concentrated training in a chosen career can offer an alternative or a complement to other types of post-secondary education.

Philosophy

South Coast College has a steadfast philosophy of dedicating its faculty, administration, programs, and facilities to superior training in an atmosphere that is friendly, efficient, personal, professional, and student oriented. South Coast College is quite proud that the successful application of its philosophy has earned the College a widespread reputation for excellence; that its graduates can expect to develop skills that will help them not only in obtaining a job but in developing critical learning abilities and life skills.

Student Population

The training at South Coast College is intended for the following audiences:

- students upon completion of high school,
- individuals who have no prior post-secondary education who are looking for a career change,
- individuals who possess degrees and who wish to apply their knowledge and expertise to a legal- or medical-related field,
- professionals who wish to update their skills and knowledge.

College Objectives

Our objectives are to provide our students with cognitive, performance-based, quality education and to assist them with career placement. The means of attaining these objectives are as follows:

- provide students with an exposure to academically oriented subjects that will enhance the quality of their lives, expand their cognitive reasoning skills, and make them aware of the ethical way to handle themselves.
- train students for a given field of study.
- prepare students for a successful career by helping them to develop proper work habits, a professional attitude, and an increased level of self-esteem.
- help students to obtain entry-level positions in their chosen fields of study.

These objectives are accomplished by offering courses of study and teaching methods that are appropriate to an entry-level position in the individual's field of study. All functions of the College revolve around these objectives.

To accomplish the mission, the College monitors the needs of the relevant business and professional communities and modifies the institution's curriculum, personnel, facilities, and equipment as necessary.

South Coast College regularly upgrades its programs to do the following:

- merit the confidence of the community we serve (students, working reporters, attorneys, courts, deposition agencies, transcription agencies, colleges/universities, broadcast, and healthcare facilities).
- keep our educational programs dynamic and current with the changing times to enable our graduates to be confident of meeting the challenges of the fast-changing social, economic, and technological climate.

Specifically, South Coast College strives to do as follows:

- continuously measure the effectiveness of our institution through feedback from our graduates and the community we serve,
- provide a curriculum that stresses skills and the attainment of critical thinking and sound reasoning,
- provide quality English and career-language training,
- train students in the mechanics of court reporting and related fields, paralegal, and medical assistant and related healthcare careers to be able to secure entry-level positions in these areas,
- encourage assessment by students, graduates, advisory board members, employers, and faculty to ensure continual improvement of the institution and its educational programs,
- maintain the professional development of staff and faculty by encouraging membership in professional organizations and participation in pertinent educational workshops, conferences, seminars, and in-service training,
- provide students with personal and professional guidance to assist them in satisfying their future goals and foster the development of lifetime educational growth,
- uphold admissions standards that aim toward enrolling qualified students who can pursue a post-secondary career,
- train students in the ethical and professional obligations and considerations of their chosen careers.

*Expected Outcomes***A Word about South Coast College**

At South Coast College, the faculty and staff take a personal interest in you as a student. The administrative offices are open for counseling on either College or personal problems. Faculty members are available upon request before and after class to offer guidance and assistance with classroom work and assignments.

The classes are designed to encourage the development of self-reliance, while laboratory instruction emphasizes a hands-on approach. Study groups and camaraderie are encouraged through class projects and practice groups. Individual differences in learning are recognized, and personal assistance is always available for those who need it. The College promotes collegiality by seeking student, faculty, and staff input for governance and decision-making.

The College promotes a synergistic approach to learning by exposing students to integrated learning situations through mock trials and integrated lab experiences.

The South Coast College staff maintains continuous, active participation in national, state, and local professional organizations, such as: the National Court Reporters Association, the Association of Reporter Training, the Deposition Reporters Association, the Orange County General Shorthand Reporters Association, the Chamber of Commerce, the State Bar of California, the Orange County Paralegal Association, the National Federation of Paralegal Associations, Inc., and the National Healthcare Association. The staff of South Coast College is encouraged to participate in occasional advisory boards and in various forms of professional development where they can interact with professionals in the fields of court reporting/captioning, law, business, computer technology, and medicine.

Admissions

Admission and Tuition

Selection of Your College

Your choice of a profession should be carefully made. The choice of a college should be made with even more care. The reputation and standard of quality of the college you attend will be of extreme importance to you, both before and after graduation, and you should certainly visit the campus, ask questions, and get the feel of the college atmosphere beforehand. We invite the comparison of our college with any other that you may visit. Our 60 years of experience in creating professionals for the medical and legal fields will serve you well.

Admissions Requirements for All Programs

The minimum requirements for admissions are an interview, campus tour, admissions tests, proof of ability to do college-level work, completion of paperwork and required fee. The **admissions procedures** for admissions are to do the following:

1. Meet with an admissions representative for an informational interview. Parents and spouses are encouraged to be present.
2. Tour the campus at the time of their informational interview or at any time prior to enrolling in classes.
3. Submit a high school diploma (or proof of equivalency such as a high school transcript (official or unofficial), a recognized high school equivalency test (GED certificate), college transcript, or college diploma as proof of ability to do college-level work before signing an enrollment agreement. A Home Study certificate or transcript from a Home Study program must reflect equivalent high school level work and be recognized by the student's home state. Home Study education and graduation must be verified. South Coast College does not admit ability-to-benefit students.
4. Take the required admissions tests and attain a score of 65 out of 100 points on an admissions-standardized inventory test that consists of an admissions-standardized general knowledge test and an English proficiency test. The test has the following sections:
 - (1) General knowledge 1-20 (20 points)
 - (2) Choosing the correct word 21-29 (9 points)
 - (3) Choosing the correct sound-alikes 30-46 (17 points)
 - (4) Attaching prefixes 47-56 (10 points)
 - (5) Choosing the correct spelling 57-80 (24 points)
 - (6) Choosing the correct word based upon the meaning 81-90 (10 points)
 - (7) Choosing the correct synonym 91-100 (10 points)

If the student does not satisfactorily pass the English proficiency tests, then he or she will be given one chance to retest in the following six weeks.

Complete the required admissions documents and submit the necessary fee stated on the Tuition and Fee Schedule (Addendum A) and in the Enrollment Agreement.

5. Complete an enrollment interview and execute enrollment documents, including the application form, the enrollment agreement, and sign other required disclosure documentation. Documentation must be signed by a parent or guardian if the applicant is under 18 years of age.

Note that recruitment is in English and all courses are taught in English. Students must be able to speak, read, write, and understand fluently in English. English abilities will be determined through the South Coast College admissions test (as noted in No. 4), an interview, and completion of necessary documents. South Coast College does not currently instruct English as a second language. South Coast College does not instruct in a foreign language. Please note that for the enrollment agreement, disclosures, and statements to students if English is not the student's primary language and if the student is unable to understand the terms and conditions of the enrollment agreement, then the student shall have the right to obtain a clear explanation of the terms and conditions and all cancellation and refund policies in his or her primary language. Students have the right to have the information translated to them at their own expense, through a family member, or through other means.

All applicants must complete financial arrangements prior to starting class. If applicable, financial aid applications must be completed.

As a prospective student, you are encouraged to review this Catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. If there is any portion of the agreement that you do not understand, please ask to have it explained to you.

The school catalog is online at www.southcoastcollege.edu; however, the institution shall provide the school catalog to any person upon request. South Coast College does not have any program-specific student brochures.

Although not required for admission, the applicant must be aware of the following:

- Some externships, primarily hospital externships, require that medical assistant students have any required health examinations, pathology tests, and immunizations completed prior to beginning clinical courses, field work training, or externship experience.
- The Court Reporters Board requires fingerprinting before a student can take the Certified Shorthand Reporter (CSR) examination, and the State, many employers, and various other agencies may require criminal background checks before a student can be placed in an externship.

For detailed admissions and procedures requirements for foreign students, see Appendix A.

Nondiscrimination

South Coast College admits students of any race, religion, color, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at South Coast College.

South Coast College does not discriminate with regard to age, sex, sexual orientation, race, religion, color, or national or ethnic origin in hiring or in administration of its educational policies, admissions policies, loan programs, or other College-administered programs.

Students with Special Needs

South Coast College makes every effort in the admissions process to accommodate potential students with special needs. South Coast College is Americans with Disabilities Act (ADA) compliant. The admissions representative will ask potential students what assistance they need to complete the admissions process. Additional assistance will be provided by administrative staff, instructors, and/or management staff should the student enroll at South Coast College.

Tuition

- Please refer to the Addendum A - Tuition and Fee Schedule for specific charges and for an estimate of total College costs.
- Books and supply costs may vary with the class schedule.
- The tuition structure is based on these class schedules:
 Day Program - four or five days per week, depending upon the credits attempted.
 Evening Program - three or four evenings per week, depending upon the credits attempted.

Tuition for all South Coast College programs is standardized over the year. No tuition reduction is made for excused absences.

Academic Year

An academic year at South Coast College is approximately 9 months in length for day students and 12 months in length for night students. Each academic year defines full time as 36 quarter credits. For day students, full time is 12 credits a quarter for 3 quarters; and for evening students, full time is 9 credits a quarter for 4 quarters. A student must be at least half-time (6 credits for day students or 5 credits for night students) to qualify for financial aid. Pell grants are prorated for less than full-time enrollment.

Academically, one credit hour is equal to 12 hours of instruction for lecture classes, 24 hours of laboratory, and 36 hours of externship. For financial aid award purposes on certificate programs, one credit hour is equal to 25 clock hours of instruction, including a minimum of 20 clock hours of classroom or direct faculty instruction. The remaining 5 clock hours may include acceptable and documented student work outside of class and/or instructional hours.

Even though students are packaged for financial aid in academic years, students are expected to attend college year-round.

Accreditation and Approvals

Accreditation

Accrediting Commission of Career Colleges and Schools (ACCSC)

South Coast College is accredited by the Accrediting Commission of Career Colleges (ACCSC). ACCSC is a recognized agency by the U.S. Department of Education.

Location: Accrediting Commission of Career Colleges and Schools (ACCSC)

Physical Address: 2101 Wilson Boulevard, Suite 302, Arlington, VA 22201

Phone Number: (703) 247-4212

Why Accreditation is Important

Accreditation is important when choosing a college. When considering any type of educational program, always ask whether the institution offering services is accreditation by an accrediting agency recognized by the Department of Education. When you attend an accredited institution, you are attending a school that undergone a rigorous process that evaluates educational quality. It is not easy to become or remain an accredited institution. The rules and regulations are strict, precise, and designed to protect students.

Approvals

Bureau for Private Postsecondary Education (BPPE)

South Coast College is *approved to operate** as a private postsecondary institution in the **State of California**. Approval to operate means that the college is in compliance with state standards as set forth in the Education Code. An approval to operate does not imply an endorsement or recommendation by the indicated agency.

* "Approval" or "approval to operate" means that the Bureau has determined and certified that an institution meets minimum standards established by the Bureau for integrity, financial stability, and educational quality, including the offering of bona fide instruction by qualified faculty and the appropriate assessment of students' achievement prior to, during, and at the end of its program.

Note: The approval of South Coast College to operate as a private postsecondary institution in the State of California is based on provisions of the California Private Postsecondary Education Act (CPPEA) of 2009, which is effective January 1, 2021."

South Coast College **complies** with the requirement that a prospective student should not be required to provide personal contact information in order to obtain, from the institution's Internet Web site, educational program information that is required to be contained in the school catalog or any information required pursuant to the consumer information requirements of Title IV of the Federal Higher Education Act of 1965, and any amendments thereto.

"The catalog with all its addenda and all disclosure information required by the State, Department of Education, and various other governing agencies is available at www.southcoastcollege.edu. The catalog section is located under the Student-Resources/Program-Catalog. As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to

review the School Performance Fact Sheet, which is provided to you prior to signing an enrollment agreement.”

California Court Reporters Board (CCRB)

The South Coast College Court Reporting program is approved by the California Court Reporters Board (CCRB) under the Department of Consumer Affairs (DCA).

South Coast College complies with and meets the **Criteria for Recognition of Court Reporting Schools** set forth in the Professional and Vocational Regulations of the California Court Reporters Board. (CCR, Title 16, Division 24, Article 2, Section 2411)

The *minimum* requirements of the CRB that a school must offer to be approved by the Certified Shorthand Reporter (CSR) examination are as follows:

Subject/Skill Areas	Hours of Instruction
English	240
Legal	150
Medical	120
Transcript Preparation	25
Court Observation	10
Apprenticeship Training	50
Technology	60
Resource Materials	5
Keyboarding Skills	45 wpm
Total Academic Hours	660
Approximate Machine Hours	2300

California Court Reporter Law

The California Court Reporters Board (State of California Department of Consumer Affairs) administers three examinations yearly and issues State licenses to the successful applicants. The State Board requires applicants from a reporting school to furnish proof of successful completion of the entire school reporting program, including the **ability to write stenographically at 200 wpm 4-voice testimony for 10 minutes with an accuracy of at least 97.5 percent**. The decision to participate in the licensing examination administered by the State of California is entirely up to the student.

Eligibility Requirements to Take the Certified Shorthand Reporter (CSR) Test

The eligibility requirements are as follows (Section 8020, Business & Professions Code):

- (1) Over 18 years of age;
- (2) high school education or its equivalent;
- (3) has not committed any acts or crimes constituting grounds for denial of licensure and
- (4) the applicant must submit satisfactory evidence that he or she has originally obtained one of the following:
 - (b) A verified certificate of satisfactory completion of a prescribed course of study from a **California Recognized Court Reporting School** or certification from such school evidencing equivalent proficiency.

Court Reporting is a State-Licensed Profession. In order for a person to qualify from a school to take the State licensing examination to be able to work as a court or deposition reporter, the person shall complete a program at a **recognized school**. A graduate of the degree program or certificate program who has passed a school qualifying examination will be able to sit for the licensure examination in California. However, other states may have different licensure requirements. For information concerning the minimum requirements that a court reporting program must meet in order to be recognized, contact:

Court Reporting Programs

Overview of Court Reporting Programs

South Coast College offers a (1) Certificate in Court Reporting (**CCR**) and (2) Certificate in Court Reporting Production Specialist, Emphasis Transcript/Document Production (**CCRPS**) programs. The programs have been designed to cover two important elements of court and deposition reporting: stenography—the skill needed to record the record stenographically and transcript production—the skill needed to produce the record and its exhibits in its entirety. To some extent, some reporters prefer to engage in both aspects while producing the record. Some reporters prefer to spend more time using their highly developed stenographic skills and leave the document production to others.

Program Objective: Certificate in Court Reporting

The objectives of the CCR program are to prepare graduates for both (1) careers requiring certification as an official court reporter or deposition reporter and (2) careers that do not require certification.

Careers Requiring Certification

The South Coast College CCR program is designed to produce certified court and deposition reporters. As such, it requires the attainment of both the skill of stenography and the ability to produce the record in its entirety. The California Court Reporters Board (CCRB) sets forth the program requirements necessary to achieve these skills.

“In order for a person to qualify from a school to take the state licensing examination, the person shall complete a program at a recognized school.”

Further, as the only school in California approved by the National Court Reporting Association (NCRA), South Coast College students who wish to achieve the Registered Professional Reporter (RPR) designation necessary for promotion in some courts and required to work as an official court or deposition reporter in other states meet the requirements set forth by NCRA and are prepared to take and pass the proficiency tests required for RPR designation.

Not Requiring Certification

Although the careers of court and deposition reporter require certification, there are numerous career opportunities for individuals who acquire various levels of skill in both the stenography and document production areas. Careers not requiring certification that involve stenography training include the following:

1. Careers in rapid-data entry – using stenography and translation software for producing transcription of digital recordings to produce transcripts or reports, such as police reports.
2. Careers in CART (Communication Access Realtime Translation) or captioning for the deaf and hard of hearing.
3. Careers as a hearing reporter. The Department of Industrial Relations offers a Hearing Reporter Examination to work as a hearing reporter for the Department of Industrial Relations. An

applicant does not need to possess a CSR license. In addition, there other hearing reporter position that do not require any licensure.

Description of the Certificate in Court Reporting (CCR)

The **CCR** program is designed to meet the requirements of the California Court Reporters Board (CRB) to qualify to take the Certified Shorthand Reporter (CSR) Examination. The Certificate in Court Reporting consists of the following types of courses:

The (CCR) program consists of the following types of courses:

1. Theory courses that introduce the student to the language of stenography. In these classes, learn to write the language called theory on a machine called a stenotype machine.
2. Courses that focus on the skill development of writing on the machine from 40 wpm up to 200 wpm to satisfy the CRB requirements of the State (and 225 wpm proficiency requirements of the NCRA) and transcription of tests at those speeds.
3. Four-voice courses that provide a wide variety of different scenarios that include practice in both court and deposition-type settings.
4. Courses that include the computer and software applications for court and deposition reporting.
5. Courses that cover the ethics and procedures of court and deposition reporting.
6. Academic courses required to fulfill the requirements of the CRB with an extensive CSR Review course on the academics prior to the CSR Examination.
7. Apprenticeship in both court and deposition settings.

Expected Outcomes Certificate in Court Reporting

The measurable student learning outcomes that demonstrate the achievement of goals include the following:

Shorthand Reporters/Stenographers

Shorthand reporters who graduate from the certificate program (Court Reporting) meet the minimum standard set forth by the California Court Reporters Board (CCRB) (including a shorthand skill of 200 wpm and required academic courses) to take the Certified Shorthand Reporter Examination to work in the State of California as a court or deposition reporter. The Certified Shorthand Reporter Examination qualifies reporters for entry-level reporter positions. The program requires an apprenticeship of the minimum hours mandated by the Court Reporters Board.

Shorthand reporters who graduate from the certificate program (Court Reporting) can take the proficiency tests set forth by the National Court Reporters Association (including a shorthand skill of 225 wpm) to prepare them with the proficiencies required to take and pass a Registered Professional Reporter examination, allowing them to work in states that require only that designation for employment.

Shorthand reporters who graduate from the Court Reporting Certificate program are qualified with skills to work in various entry-level positions that include rapid-data entry, captioner for deaf and hard-of-hearing clients.

Program Objective: Certificate in Court Reporting Specialist, Emphasis in Transcript/ Document Production (CCRPS)

The objectives of the CCRPS program are to prepare graduates for careers that support the official court or deposition reporter by knowing the language of stenography and the software used by reporters and by developing the skills necessary to efficiently produce documents.

Careers not requiring certification that involve the document production areas include the following:

1. Scoping is a career that involves knowing how to read stenography and utilizing the software that court and deposition reporters use for translation of their steno notes. Scopists support court and deposition reporters by allowing them the freedom to concentrate on using their stenography skills while the production portion of the document is handled by the scopists. Their skills include proofreading the document and making edits to the document that occur from either mistranslates or un-translates of steno notes and addressing punctuation errors.
2. Doing all other aspects of document production, including the entire document cycle from intake of the document to the final production of the document. This career involves working as a document production specialist in a deposition agency.

Students who complete the court reporting program are not all required to work in careers that require certification. Those who complete 120 wpm and take the required 94 credits from the CCR program and the apprenticeship in document preparation can obtain a Certificate in Court Reporting Production Specialist, Emphasis Transcript/Document Production.

The objective of the CCRPS program is to obtain the skills and knowledge to work in a document support capacity for court or deposition reporters.

Description of the Certificate in Court Reporting Production Specialist, Emphasis in Transcript/Document Production (CCRPS)

The CCRPS program is designed to be an entry-level career in the court reporting area. A Court Reporting Production Specialist may be employed in a variety of document production areas. The Court Reporting Production Specialist may specialize in the production of documents for a court reporting agency or may be involved in the various of aspects of the document cycle, including the transcription of documents, proofreading of documents, scoping of documents either as an employee or as an independent contractor. The Production Specialist will be able to do the following:

Schedule and track transcripts through the production cycle and do all aspects of transcript assembly including minor editing, scanning exhibits, copying and making CDs, binding, printing, preparing and shipping of transcripts;

Transcribing audio files with a high degree of accuracy;

Proofreading transcripts produced transcripts produced by court/deposition reporters;

Scope transcripts using computer-aided translation scoping software to ensure an error-free final product.

The program consists of the following types of courses:

1. Theory courses that introduce the student to the language of stenography. In these classes, students learn to write the language called theory on a machine called a stenotype machine.
2. Courses that focus on the skill development of writing on the machine from 40 wpm up to 120 wpm.
3. Courses that include the computer and software applications for court and deposition reporting.
4. Academic courses required to produce salable documents.
5. Apprenticeship in transcript/document production.

Course Descriptions

CCR/CCRPS Programs

Shorthand Theory Courses

CR201A	Machine Shorthand Theory Part I	(CCR, CCRPS)
CR201B	Machine Shorthand Theory Part II	(CCR, CCRPS)

Part I: 2.5 Credits

Part II: 2.5 Credits

Machine Shorthand Theory is an introductory study of machine shorthand that includes learning the steno keyboard and a phonetic-based system for representing words, phrases, punctuation, and other symbols. It is the basis for the machine shorthand skill required for the Certified Shorthand Reporter examination for court and other verbatim reporter positions.

CR202AA	Court Reporting Theory Part I	(CCR, CCRPS)
CR202AB	Court Reporting Theory Part II	(CCR, CCRPS)

Part I: 2.5 Credits

Part II: 2.5 Credits

Court Reporting Theory is a reinforcement class in machine shorthand that provides practice in writing challenging material. The course includes an introduction to two-voice testimony. Students receive hands-on realtime practice. Concurrent Enrollment in Machine Shorthand Theory is required. **Note:** Students attend mandatory laboratory to practice transcription from steno notes and laboratory media.

CR202BA	Computer Tutorial Part I	(CCR, CCRPS)
CR202BB	Computer Tutorial Part II	(CCR, CCRPS)

Part I: 2.5 Credits

Part II: 2.5 Credits

Computer Tutorial is a machine shorthand class that uses a computer to measure a student's speed and accuracy in writing shorthand and transcribing steno notes. Students write shorthand using the steno keyboard from English material viewed on the screen and transcribe using the QWERTY keyboard on the computer from steno notes provided in each lesson. Emphasis is placed on developing typing and shorthand accuracy.

Skill Building Courses

Skill Building Courses

(CR203-CR221B)

The skill building program at South Coast College is a well-designed program that consists of coordinated materials for homework, in-class dictation/practice, laboratory practice, and testing.

Day students are required to sign up for a block of a minimum of 16-20 hours a week in machine-related courses, depending upon the student's current speed. This time is divided up among various activities: testing at current speed (goal), practicing accuracy for realtime purposes (trail), evaluating ability to write a higher speed (push), reinforcing theory for skill development, taking dictation on medical or legal

dictation, practicing two- to four-voice live dictation. One hour a week is dedicated to the application of the academic subject that corresponds to the academic course in which the student is enrolled.

At 150 wpm, students are required to take a multi-voice course to meet the requirements of a minimum of 16 hours a week on the machine. At 180 wpm, students are required to take an additional multi-voice course, which increases the required time on the machine to a minimum of 20 hours a week.

Students up to 170 wpm are required to attend theory reinforcement/realtime writing laboratory at 12 p.m., depending upon their goal speed.

At each skill level, students are required to do one hour of daily homework practice material from hard copy and to type a minimum of two tests per week from dictation material dictated in the goal class for which the student receives attendance credit. Students are encouraged to transcribe every test. Test requirements are five-minutes in duration at 97.5 percent accuracy. (Tests at speeds of 170 wpm, 180 wpm, 190 wpm, 200 wpm are longer tests).

Note: Tests are not repeated within a six-month period.

Apprenticeship Courses

PR107 Apprenticeship - Training for Court/Deposition Reporting (CCR)

3 Credits / 144 hours

Prerequisite: Shorthand skill of 180 wpm

The student is required to have **60 hours** of apprenticeship at a location. Of the 60 hours, a minimum of 50 hours must be actual writing time; 10 hours must be observation hours. The actual writing time must be under the direct supervision of a licensed CSR, who will sign the student's apprenticeship hour form. The student must write a minimum of 10 hours in a courtroom setting and 10 hours in a deposition setting. The remaining 40 hours may be from either discipline.

The Court Reporters Board (CRB) states a student should begin apprenticeship hours at 180 wpm or above. The Board suggests 5 hours of observation between the skills of 80 wpm and 120 wpm and a second 5 hours of observation between the skills of 120 wpm and 180 wpm.

In addition to the actual 60 hours at a location, a minimum of **10 hours** must be spent in production of the documents. The Court Reporters Board (CRB) requires that students produce a 20-page courtroom transcript and a 20-page deposition transcript from these apprenticeship hours to be eligible to take the California CSR examination. The class also consists of 9 weeks of laboratory under the supervision of the Director of Court Reporting in which the students will revise and produce their transcripts.

To meet the NCRA requirements, the student is required to produce a 40-page, salable quality transcript (for classroom use only) that will be evaluated by an instructor. These 40 pages must be in addition to the Court Reporters Board (CRB) requirement.

Note: The student is not permitted to serve in the capacity of an actual reporter during apprenticeship.

PR107TR Apprenticeship - Training for Court Reporting Production Specialist, Emphasis Transcript/Document Production (CCRPS)

2 Credits

Prerequisite: Shorthand skill of 120 wpm

The student is required to have 70 total hours of sitting out during the apprenticeship. The student will perform various stages of document preparation and production while under supervision. The apprenticeship may be under the direct supervision of a scopist or in a deposition agency.

Medical Assistant Program

Medical Assistant Program (Certificate)

Program Objective

The objective of the Medical Assistant Program is to prepare students for successful careers working in the medical field as entry-level medical assistants. South Coast College offers a Certificate in Medical Assistant.

Description of the Certificate in Medical Assistant Program

The Medical Assistant Program prepares students for careers working in the medical field as medical assistants. The South Coast College Certificate in Medical Assistant offers the student an introduction to both the administrative skills of a medical front office and clinical skills (back office). After award of the certificate, students will have developed sufficient skills and be eligible for placement in entry-level positions in hospitals, medical clinics, or doctors' offices.

The Certificate in Medical Assistant consists of six categories of courses: Introductory, Lecture, Clinical, Administrative, Office Procedural, and Medical Records. After taking these courses, students acquire the Certificate Program in Medical Assistant by completing a 150-hour supervised externship in a medical facility. The entire program is 720 clock hours plus 180 outside-of-class preparation hours, and 36 quarter credits. Upon completing all program requirements, graduates receive a Certificate in Medical Assistant.

The courses in this program offer the student an introduction to both the clinical (back office) and the administrative skills of a medical front office.

Clinical skills that the student will learn include, but are not limited to, giving injections; administering medications; obtaining vital signs such as blood pressure; and recording patient histories.

Students will also learn to draw blood, collect and process lab specimens, and perform glucose and hemoglobin testing. Additionally, the student will develop skills such as assisting in surgery, instrument sterilization, tray preparation, and removal of sutures.

Administrative skills that the student will learn include appointment scheduling, billing and insurance procedures, and telephone techniques.

After award of the certificate, students will have developed sufficient skills and be eligible for placement in entry-level positions in hospitals, medical clinics, or doctors' offices.

A graduate of the Medical Assistant program can expect to qualify for entry-level positions and may obtain employment in the following:

- medical/doctors' offices in a number of different medical specialties, assisting the following: podiatrists, registered nurses, chiropractors, family practitioners, neuropaths, physician assistants, osteopaths, optometrists, pediatricians, dermatologists, gynecologists, obstetricians, pulmonologists, and other physicians in the many medical specialties that exist

- hospitals, including: primary care facilities, tertiary care hospitals, teaching hospitals, skilled nursing facilities, urgent care / emergency rooms, research hospitals, veterans' hospitals, community hospitals, and county hospitals
- educational institutes as instructors or instructor assistants, placement coordinators, laboratory assistants
- pharmaceutical companies
- local, state, and federal governmental offices in county health departments, jails, National Guard, federal agencies requiring knowledge of medical terminology, public health departments
- other health organizations (nongovernmental agencies) as the American Red Cross, American Health Association, county health departments

A graduate of the Medical Assistant program can also climb the medical career ladder by seeking continuing education and becoming a licensed vocational nurse, registered nurse, surgical technologist, respiratory therapist, phlebotomist, ultra-sonographer, X-ray technologist, and EMT technician.

South Coast College provides a student-oriented environment that fosters confidence, knowledge, and skills necessary to work in the growing medical field.

Expected Outcomes Certificate in Medical Assistant

The measurable student learning outcomes that demonstrate the achievement of goals including the following:

Medical Assistants

Medical Assistants who complete the Certificate program in Medical Assistant will be able to perform the basic functions of a medical assistant, including both front office (billing) and back-office skills. Clinical skills that the student will learn include but are not limited to giving injections; administering medications; obtaining vital signs, such as blood pressure; and recording patient history. The students will also learn to draw blood, collect and process lab specimens, and perform glucose and hemoglobin testing. Additionally, the student will develop skills such as assisting in surgery, instrument sterilization, tray preparation, and removal of sutures.

Administrative skills that the student will learn include appointment scheduling, billing and insurance procedures, and telephone techniques. After award of the certificate, the student will have developed sufficient skills and be eligible for placement in entry-level positions in hospitals, medical clinics, or doctors' offices as medical assistants or medical assistant billing specialists.

Upon completion of the program, students are prepared to take the examinations offered by the National Healthcare Association. Externship provides experience in a selected physician's office or healthcare facility. Students are supervised and evaluated by qualified medical personnel. Medical Assistant students must have an opportunity for an equal exposure to administrative and clinical experience. A list of skills to be evaluated will be presented to the supervisor of the healthcare facility. Students are required to meet and discuss what they have learned with the instructor on a regular basis. The externship coordinator will engage with the site periodically. Out-of-class preparation hours will be devoted to having students prepare for and then take a comprehensive exit examination to validate the knowledge and skills students obtained from the Medical Assistant program.

Student Services Information

Campus Facilities and Equipment

South Coast College is located at 2011 West Chapman Avenue in Orange, California. The land encompasses approximately three acres and includes a two-story Mediterranean architecture building consisting of approximately 30,000 square feet. The structure is located in a landscaped setting. A comfortably furnished patio and balcony with park benches provide a place for students and staff to enjoy the outdoors while on break.

Classrooms and Other Designate Rooms

The building is composed of 18 classrooms that are used for lecture purposes only. The classrooms vary in size to accommodate the various programs. The maximum number of students ranges from 10-15 for typical smaller academic-oriented courses and beginning court reporting theory courses to 40-60 for a typical skill building dictation course. The school has several resource centers equipped with computers, a bookstore, a library with computers, a library reading room, a courtroom, a skill test transcription / grading resource center, a conference room, a media resource center, a student lounge with vending machines, refrigerator, sink, and staff lounge.

The facility has a large reception area, staff offices for administrative, admissions, and teaching staff, and a hub for student services / financial aid.

Summary of Student Services/Activities

South Coast College has facilities for an abundance of student services including:

- **Library and Resource Centers**
South Coast College has a library with online research capabilities, a library reading room, and several resource centers with online research capabilities, a staffed grading resource center, dedicated staffed computer learning centers equipped with software tutorials; research assistance via computers and wireless Internet. It also has an online Learning Resource Center (LRC) with dedicated sections for each of its programs.
- **Campus bookstore** for easy access to educational materials and supplies and delivery services for online students.
- **Financial Aid Student Services Hub**
South Coast College has a designated area consisting of a reception area and two offices staffed with financial aid personnel with day and evening hours.
- **Student/Staff Lounges:** South Coast College has a student lounge equipped with vending machines, sink, microwave oven, and refrigerator and numerous designated rooms throughout the building for relaxation and study and a staff lounge for South Coast College personnel.
- **Special Facilities:**
A courtroom for mock trials.
A deposition room for mock depositions.
A medical assistant laboratory.
Facilities accessible for disabled.
Free parking.

Staff Involved in Student Services

For information on how to access the staff for the various student services, see the Faculty/Staff Directory at the end of the catalog. The Orientation and Updates Team online also identifies the various faculty and staff members.

- **Program Directors**

Each program has a director to assist in advisement on academic/skill classes.

Students have access to all managers, including the school director, for consultation and advisement on educational matters and documentation regarding child-care services. Each Program Director oversees the externship and job placement activities. Job-related Services Assistance includes finding externship programs. Job search assistance and resume preparation. Access to alumni who mentor and help transition graduates to the work environment. See the Job Placement Assistance below.

- **Financial Aid Staff**

Two financial aid staff engage in specific student service activities to assist students with financial assistance and documentation needed for other services.

- **Bookstore Staff**

Students may visit the bookstore or have their books and supplies sent to them.

- **Events Planner**

An events planner coordinates student events and provides internal communication to students on numerous student activities including speakers, career days, technology days, weekly networking forum, CSR celebrations/luncheon, and graduation exercises.

Bookstore

The college bookstore has textbooks and supplies for all courses. Students are encouraged to suggest items that the bookstore can carry to help them in their classes.

Car Pooling

If you are interested in driving or participating in a carpool, you may post your information on the carpool bulletin board for help in making contact with other students living in your area. The Student Orientation is another venue where you can meet others living in your area to exchange information for carpooling purposes.

Campus Safety

South Coast College is entirely enclosed. Nonstudents are not allowed to use the facilities. When classes are in session, you can request an escort to take you to your car at night. The student population is predominately female. No assaults have ever occurred on campus. South Coast College has a safety policy and a government-required procedure for victims of on-campus assault. Information regarding safety and security and procedures for victims of on-campus assault are located on the Campus Safety and Security Information Center located across from the Student Lounge.

Campus Crime Report: A requirement of the federal government is that we provide for you our campus crime statistics. The front office has been designated to compile records for the facility of all reported incidents or arrests for crimes involving violence, theft, or destruction of property, or illegal drugs or alcoholic intoxication. The Campus Safety and Security Information Center is located upstairs in front of the student lounge and contains current reports and security information.

Computer Learning Centers

South Coast College provides Internet Access for students who have their own computers to access online resources throughout the college.

In addition, the computer learning resource centers are the hub of numerous activities involving the computer. The downstairs Court Reporting Resource Center contains computers and writers for student use in learning and practicing machine shorthand theory, building realtime skills, developing speed using speed tutorials, using a variety of tutorials for building speed/accuracy, learning professional software used by court reporters, and completing computer assignments. Another mini-resource center is located in the library where there is access to LexisNexis, online research, practice 4-voice videos, and dictionary build software.

The Online Computer Resource Center contains medical research software and spell checks, medically related English and formatting tutorials, anatomy and physiology learning tutorials, a medical billing and insurance program, typing tutorials, and word processing programs. The Online Computer Resource has full access to online resources.

The Legal Programs computer resource centers contain various programs used for research and document preparation by the paralegal community. Both are located upstairs.

Counseling

South Coast College provides supportive counseling based upon the individual needs of the student. Students who are encountering difficulties that interfere with their education are encouraged to seek help from their instructor, the designated counselor, or the College director.

Disabled Students

Reserved parking spaces and all administrative, educational, and restroom facilities are accessible to the disabled.

Library / Learning Resource Centers

The Library contains a collection of supplementary course materials, current periodicals, and reference books. An online cataloging system is used to locate reference works. When classes are held on campus, students have access to the library and other resources from 8 a.m. until 10 p.m. Monday through Friday and to the Computer Resource Center 8 a.m. to 2 p.m. on Saturdays when announced.

The procedures students use to log their use of these facilities is to sign in, select the activity in which they are going to be engaged, and then sign out when finished.

The **Instructors' Learning Resource Center** complements the main library. It contains a library of test materials for instructors to use, instructor lesson plans, and dictation materials.

Lifetime Brush-up Program (*Court Reporting Only*)

South Coast College instructional service to students does not end at graduation. Brush-up privileges for all speed levels are offered without charge or fees to all licensed graduates.

Media Library

A media library is available for student use, containing theory reinforcement practice and medical steno practice. Medical review for the CSR examination is also available in the media library room. All these media resources are currently accessible for students who are online.

Parking

The College provides free parking for all students and staff, an added service that we are pleased to provide you.

Placement Assistance Services

The South Coast College career placement assistance services are a vital part of your total education program.

Through continued association and contact over the last 20 years with reporting agencies and law firms, South Coast College serves our graduates with strong placement assistance. The reputation of South Coast College is of unquestioned value in the area of placement. At South Coast College, a Court Reporting Placement Coordinator provides assistance for court reporting graduates. A Medical Internship/Placement Coordinator assists in obtaining a medical assistant position and a Paralegal Placement Coordinator provides a career development program to assist paralegal students in finding employment.

Student assistance may include any of the following:

Referrals and References

- Direct referral to reporting agencies or employers
- List of prospective employers in others.

Job Preparation Assistance

- Assistance with resume preparation, cover letters, and thank you letters.
- Advice and resource materials regarding applications and interview techniques,
- Reference sources for use in locating firms in specific geographic locations.
- Information regarding current job market and employment trends.
- Employment placement data and starting salaries available on request,
- Comprehensive list of career titles and job descriptions to help identify areas of employment interest.
- Seminars on job-seeking and interviewing technique.

Career Networking Opportunities

- Scheduled career days for on-site visits from agency and court representatives, vendors, alumni
- Scheduled speakers
- Networking events online

Please keep in mind that State law forbids any school from guaranteeing job placement.

Prior Education Transcripts

South Coast College is required to have transcripts or equivalency documentation in your student file for your prior education. To receive college credit evaluation, you are requested to submit official college transcripts. You may sign a waiver of evaluation for miscellaneous college credits that do not apply to your subject area. Note: This waiver procedure does not apply to Veteran students.

Transcript Request

Transcript request forms are available on the South Coast College website. These requests should be made prior to your enrollment in South Coast College. Please use Certified Mail when sending for transcripts.

Stenotype Machines

Students furnish their own stenotype machine and tripod. Students can make arrangements with a machine vendor to obtain the student version of a machine that is used in the program. South Coast College will provide you with the information to contact the vendor.

Student Housing

South Coast College does not provide dormitories or student housing. There are numerous rooms for rent and apartments in a wide price range near the College. Rents can range from as low as \$500 for one room up to \$3,000 for luxury apartments. The College staff is available to assist out-of-town students in obtaining suitable accommodations.

Student Lounge

A full complement of vending machines is located in the student lounge. The student lounge is equipped with tables and comfortable chairs to encourage study groups and student interaction.

Student Records

An official record is maintained for you from your first day of class. Your record contains a detailed summary of all tuition and other charges paid, grades, speed levels, attendance, and counseling interviews. It is retained in the Registrar's Office and is available for your review with your program director at any time.

A reasonable number of unofficial grade reports of your South Coast College grades will be supplied to you at no charge. To receive an official transcript of your grades, you must be withdrawn from the college. A student may not be enrolled in other court reporting schools simultaneously. The College maintains records relating to students for various academic purposes. The right to inspect these records is in accordance with the Family Educational Rights and Privacy Act of 1974, Public Law 93-380 as amended.

Student transcripts are maintained indefinitely. Other documents may be purged after 5 years or after the required date for compliance by the various governing agencies. Students will be given a copy of any documents from their files that they request after reviewing their files at that time, free of charge. Any future requests for copies will be provided at 20¢ a copy* plus postage and handling fees. After the required date for compliance by the various governing agencies for maintaining records, no further copies will be provided.

*Copy fee may be subject to change.

Retention of Student Records

South Coast College is required to maintain the following records:

1. The name, address, e-mail address, and telephone number of each student who is enrolled in an educational program in the institution.
 2. The degree or certificate granted and the date on which that degree or certificate was granted.
 3. The courses and credits on which the certificate or degree was based.

- (11) Complaints received from the student.

Family Educational Rights and Privacy Act (FERPA)

FERPA is a federal law that protects the privacy of students' educational records and gives them certain rights concerning those educational records. These include, but are not limited to:

1. The right to review and/or request a copy of your own educational records. At South Coast College this requires a 30-day written request to the Records Office.
2. The right to request amendment to inaccurate or misleading information in your educational record. If, after review of the request, the school decides not to amend the record, it will inform the student of the process to request a hearing on the matter.
3. The right to provide written consent before South Coast College releases any information in your record except as allowed in the law. Allowable third parties include, but are not limited to, accrediting agencies, auditors, transfer institutions, Department of Education, judicial order or subpoena, and agencies handling health or public safety emergencies.
4. The right to file a complaint with the U.S. Department of Education if you feel South Coast College is not meeting FERPA guidelines. A complaint form is located on the United States Department of Education website at www2.ed.gov.

South Coast College students are notified annually regarding educational records: right to review, right to request amendment; right to consent to disclosures of personally identifiable information: right to file complaint with ED; school's policy regarding disclosures to school officials with legitimate educational interest (if applicable).

South Coast College has implemented all available safeguards to ensure FERPA guidelines are met in both paper and electronic format. For more information about FERPA log onto:
www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html

Tutorial Services

Tutors are available for students who are having difficulty learning certain subjects. Please contact your Program Director for assistance.

College Policies and Procedures

Procedures for All Programs

Campus Decorum

College Liability

South Coast College is not responsible for loss or damage to your personal property while it is on the College campus.

Dress Code

The College encourages professional attire to prepare students for their chosen career but permits a liberal dress code for the comfort and convenience of its students. Casual attire is acceptable, within the parameters of propriety and good taste. Students may be required to dress professionally for career days, mock court or deposition procedures classes, externships, and so on.

Medical Assistant students are required to wear uniforms and the appropriate medical attire.

Classroom Etiquette

In the classroom, students are expected to be respectful toward faculty and fellow students. Students are encouraged to practice the behaviors that they need to follow in the workplace. They are encouraged to be punctual, prepared with their homework assignments, and to attend class for the duration of the period.

Cell Phone Usage

Please respect our policy of no cell phone use or texting in the classrooms, libraries, or learning resource centers.

Food and Drink

Food and drink are not permitted in any of the classrooms, offices, resource centers, or library, in order to maintain clean and sanitary rooms. A student lounge is provided for eating and drinking, and tables are provided in the outside patio area. Please help us keep our campus inviting.

Tardiness

As in employment situations, you are expected to be ready for the class at the scheduled starting time; and once you have checked into College for the day, you are expected to continue in all classes. Continued tardiness may result in disciplinary action.

Smoking

Smoking is not permitted in any of the classrooms, library, offices, restrooms, resource centers, or auditorium. The designated smoking area is the only area where smoking is permitted. If you are a smoker, ask where the designated smoking areas are located.

Drug and Alcohol Abuse Policy

South Coast College prohibits the use, possession, and sale of all alcoholic or illegal drug substances by any person on campus property. Incidents violating this policy should be reported immediately to the director or administrator in charge.

Abuse of the drug or alcohol abuse policy will result in any or all of the following:

1. Anyone involved in using, selling, or possessing alcohol or an illegal substance will be asked to leave campus property immediately.
2. Students will be placed on immediate probationary status and will have to show active participation in an outpatient treatment program.
3. The police may be brought in for any serious infraction.

Nonharassment Policy

South Coast College has a policy against harassment. Harassment of one individual by another on any basis including but not limited to the following: age, race, color, disability, ethnicity, national origin, religion, sex, and/or sexual orientation is strictly prohibited.

The purpose of this policy is not to regulate personal morality. Rather, it is to assure that, on the college campus, no individual harasses another on any of these bases.

While it is not easy to define precisely what any of these bases are, they certainly include slurs, epithets, threats, derogatory comments, unwelcome jokes, teasing, sexual advances, requests for sexual favors, socially unacceptable language, and other similar verbal or physical contact.

Any individual who feels that he/she is a victim of such harassment should immediately report the matter in writing to the Director or any other member of management. Violations of this policy will not be permitted and may result in discipline up to and including discharge of an employee and suspension of a student.

Parking

South Coast College shares its parking with tenants from the adjoining building. Parking for South Coast College students is on the left side of the lot. Overflow parking is available.

Class Schedules

Day Program Hours

Class periods are normally held between 8 a.m. and 2 p.m. They may be 50 minutes or 1 hour + 15 minutes in length, allowing either a 10-minute or 15-minute break respectively. Laboratory hours may be scheduled flexibly for your convenience before 8 a.m. or after 2 p.m. Occasionally, a class will be scheduled from 7-8:00 a.m. or from 1-3:00 p.m.

Evening Program Hours

The evening hours are arranged primarily for the benefit of the many students who hold full-time jobs during the daytime.

The evening program requires that you maintain 5 credits to qualify as a half-time student and 9 credits to qualify as a full-time student.

To qualify for Financial Aid, you must be attending at least half-time. The evening program has the same content as the day program.

The College reserves the right to alter class offerings at any time.

Evening lab hours begin at 5 p.m. with class periods normally between 6 p.m. and 10 p.m. They may be 50 minutes or 1 hour + 15 minutes in length, allowing either a 10-minute or 15-minute break respectively.

Note: Special classes such as Court and Deposition Procedures and CSR Review may be offered on Saturdays to accommodate evening students.

Registration Required Quarterly

Your first quarter schedule will be prepared for you. Thereafter, you need to register for each quarter by selecting the courses you wish to take and filling out a schedule at registration. Keep in mind that you must register for your classes during the registration period to avoid a late fee.

All students must register on the two registration dates publicized on campus. A \$25 late registration fee will be in effect at 8 a.m. on the morning following the last date of registration.

You must sign up for the appropriate number of credits each quarter if you are receiving financial aid. If you want to change a class, you should arrange to do so with your program director.

The College reserves the right to alter class offerings at any time.

Transferring: Day-to-Evening / Evening-to-Day

Students who transfer between Day and Evening programs or vice versa will be evaluated at the next appropriate evaluation increment schedule for the time frame of the program into which they have transferred. Such revision of schedule may result in an untimely evaluation for that student and such revision may be deemed by the Director to be an extenuating circumstance for that first evaluation period only. Transfers between days and nights are permitted only at the quarter start date.

Awarding of Credit

Class Hours and Credit Awarded

A South Coast College class hour is an instructional period of 50 consecutive minutes.

South Coast College courses are assigned quarter-hour credits. Each credit corresponds to the number of hours of lecture per week for the quarter. For example, five hours per week spent in a lecture class earns five credits for the quarter.

For Awarding Academic Credit

12 hours of lecture	=	1 quarter credit
24 hours of laboratory	=	1 quarter credit
36 hours of externship	=	1 quarter credit

The Department of Education definition for financial aid purposes is one quarter credit hour is equal to at least 20 in-class clock hours of instruction.

Credit for Prior Work Experience

South Coast College **does not** offer credit for prior work experience.

Exemption from Courses

If you have, through prior education, completed one or more relevant courses, you may be exempted from certain course(s) at the discretion of the director, or in some cases challenge examinations may be

required. For these courses, you will receive credit or, in the case of challenge examinations, a grade upon successful performance on the examination.

No adjustment in tuition will be made for successful challenge exams or exemptions. A fee of \$100 is charged for challenge examinations. Procedures for challenging a course can be obtained from the appropriate educational department director.

Note: You must pass the examination with the same standards as the class, or you must take the course you did not pass. Transfer credits are not counted in the calculation of the cumulative grade point average.

Noncredit Remedial Courses

South Coast College does not offer noncredit remedial courses but remedial instruction can be obtained through on-campus tutors.

Grading Assessment System

Grading Standards

Grading is based on pre-established course standards. No "class curve" exists that requires some students to pass and some to fail each quarter.

In all classes, the letter grade conversion is as follows:

A	90-100	Superior
B	80-89	Above Average
C	70-79	Average
D	60-69	Below Average
F	0-59	Fail

For a grade of "C" or better, you receive full credit for the class. If a grade of "D" is received, the class must be repeated. An instructor may mandate that all make-up tests must be taken within 10 school days or an automatic zero will be assigned for that test. A "TC" indicates transfer credit.

A student's grade point average is calculated using:

A	=	4
B	=	3
C	=	2
D	=	1
F	=	0

Incomplete Grades

South Coast College does not permit Incomplete as a grade in any class. If the student has not completed the course work required for a passing grade according to the instructor's grading policy, the student will be assigned a 55 (fail).

Repeated Courses

Under special circumstances, as determined by a committee that includes the program director and college director, a student may retake a course(s) and have the grade(s) replace the original grade in order to bring the student's GPA into compliance for graduation.

Also, see Court Reporting Procedures / Repeated Courses.

*Veterans' Notice***Veteran Requirements for Maintaining a 2.0 GPA and Probation**

If a veteran student's GPA falls below 2.0 within the first two quarters, the student will be placed on probation until the GPA is 2.0 or higher. While on probation, the student is still eligible for VA benefits.

If the GPA is not 2.0 by the end of the second quarter, South Coast College will no longer certify to the Department of Veterans Affairs that the student is enrolled.

Veteran Requirements for Short-Term Leaves of Absence

Students are to notify their instructors of their required service-related duties and to obtain the assignments for missed work.

Since South Coast College does not have a Leave of Absence policy, Veteran students must notify the school of the reason for their absence and withdraw from school. If the student has met the Satisfactory Progress Requirements in the catalog, the student will be re-admitted immediately upon return.

*Class Policies***Out-of-Class Learning Activities**

To receive credit for a course, students are required to complete learning assignments outside of class that will be evaluated to validate learning.

Evaluation of Out-of-Class Learning Activities

Out-of-class learning activities will adhere to the same grading standards as in-class learning activities and will be incorporated into the determination of the overall course grade.

Make-up Work

Individual days of absence will require make-up work in order for the student to stay current with the class. This make-up work is the responsibility of the student. Each instructor will determine how the student will be required to make up the portions of their classes that are missed and how the time away from class will affect the student's grades.

Leave of Absence and Withdrawal Policies

Leave of Absence Policy

Effective November 2012 Quarter, South Coast College will no longer be granting leaves of absence. If students need to be gone more than 10 consecutive days, they will need to apply for a withdrawal and pay the appropriate withdrawal fee. If students wish to resume study later, they will need to reapply for Admissions, be accepted, and pay the appropriate restart fee. Students who are readmitted will restart at the then current tuition rate. See Veterans' Notice regarding Leave of Absence.

Withdrawing from Courses

Students are permitted to withdraw from courses within the first week of the class without penalty. Effective at 8 a.m. on Monday of the second week of classes, a \$25 add/drop fee will be charged for adding or dropping classes.

Adding/dropping classes must be done with a change-of-status form obtained in the Financial Aid Office and must be done only with the permission of the respective program director.

Dropping classes may change your status and may have an adverse effect on your financial aid.

Note that withdrawal from courses (or from College entirely) after the first week of the class will result in the penalty grade of W which represents 0 (zero) credits earned and 0 (zero) grade points.

Withdrawing from College

While written notification of withdrawal is not required for withdrawal, the procedure to withdraw from South Coast College is to obtain a withdrawal form from the Financial Aid Office, complete the form, have the appropriate people sign the form, and complete an Exit Interview for your student loans. Official Withdraw fee (\$50) will be assessed. A fee of \$100 is assessed for unofficial withdrawals where the student does not properly notify the College of departure and attend an Exit Interview. A withdrawal may be effectuated by the student's written notice or by the student's conduct including but not necessarily limited to a student's lack of attendance for 10 consecutive days.

Students who are absent ten (10) consecutive days from the College (including externship) without notifying the College may be dropped from the College, and a \$100 withdrawal fee will be assessed. If allowed to be reinstated, the student returns at an increased tuition rate.

Students on **externships** in either the Medical Assistant or Paralegal programs should avoid any potential problems by submitting (via fax) their time sheets to the Director of Medical Assistant or Paralegal Program or Externship/Placement Coordinator every Friday.

Refund Policies

Refunds

South Coast College adheres to both the State and Federal Refund Policies. According to the Refund Policy in the South Coast College Enrollment Agreement, the student has a right to a full refund of all charges less the amount of the registration fee/ nonrefundable fees if he/she cancels this agreement prior to or on the fifth day of instruction or the seventh day after enrollment, whichever is later. In addition, the student may withdraw from a course after instruction has started and receive a pro rata refund for the unused portion of the tuition. The refund will be calculated based on the last day of attendance of the current quarter. Any future quarters that are prepaid will be refunded. For example, if the student

completes 140 hours of a 280-hour quarter and was charged \$1,875 tuition for the quarter, the student would receive a pro rata refund of \$937.50 for the current quarter:

$$\begin{array}{rcccl}
 \text{\$1,875.00} & & 140 \text{ hours of instruction} & & \\
 \text{amount charged} & & \text{paid for but not received} & & \\
 \text{for current} & \times & \text{-----} & = & \text{\$937.50} \\
 \text{quarter} & & & & \text{Initial refund} \\
 & & 280 \text{ hours of instruction} & & \text{amount} \\
 & & \text{for which the student has paid} & &
 \end{array}$$

The Institution has met all requirements for the administration of any program under Title IV of the Federal Higher Education Act of 1965 (P.L. 89-329), extensions of that act, amendments to that act, and rules and regulations adopted under the act. If a student receives a student loan(s) to cover the cost of the program, any refund is to be returned to the lender or agency that guaranteed a loan to reduce the student's loan debt.

For the purpose of determining a refund, the student is deemed to have withdrawn from a course of instruction when any of the following occur:

- a) The student notifies the School of his/her withdrawal or the actual date of his/her withdrawal, whichever is later;
- b) The School withdraws the student as provided in the Catalog. (See Attendance and Grading Procedures.) (10-day rule)

The student is entitled to a refund of moneys not paid from federal student financial aid program funds.

For more specific information about refunds, refer to the Federal Refund Policy and Return of Aid section that can be found online in the Consumer Information Handbook, Addendum B Part 1: <https://southcoastcollege.edu/pdfs/ADDENDUM-B-Consumer-Handbook.pdf>

Graduation

Minimum Graduation Requirements for All Programs

A minimum CGPA of 2.0 or greater is required for graduation in all programs at South Coast College.

For program-specific graduation requirements, see the graduate requirements for the individual programs under the specific program categories..

Transfer-of-Credit Policy

Transferring Credits from South Coast College

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at South Coast College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree, certificate, or credits you earn in an educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your

educational goals. This may include contacting an institution to which you may seek to transfer after attending South Coast College to determine if your credits, degree, or certificate will transfer.

Students who transfer out of South Coast College need to contact their new school to see if any of their credits will transfer as South Coast College does not have any current articulation agreements with other schools concerning transfer of credits earned at South Coast College.

Transferring Credits to South Coast College

Advanced students transferring from another reporting school may enroll at any time. Credit will usually be given for comparable courses completed in other institutions upon receipt of the official transcript. The College reserves the right to administer equivalency examinations to determine proficiency and placement in both academic and speed classes. As of January 2, 2000, the school requires, in the Paralegal and Medical Assistant programs, that the student complete 50 percent of credits at this school for graduation unless special circumstances prevail. At the discretion of the College, an exception may be considered.

Procedure

Upon admission of a transfer of a student to South Coast College and receipt of official transcripts from the school or college from which transfer credit is sought, the Program Director or his/her designate will review the relevant transcript to determine whether and to what extent transfer credit will be awarded. Determination by the Program Director is final.

The Program Director or his/her designate will complete an evaluation form indicating:

- Name of school from which transfer credit is to be accepted.
- Name of the course for which transfer credit is to be allowed.
- Number of credits completed at the original school (indicating whether they were quarter or semester credits).
- Grade received at the school where course was taken.
- Equivalent South Coast College course for which the credit has been allowed; and
- Number of South Coast College quarter credits allowed.

The Program Director will then indicate the allowed transfer credit and sign and date the form.

Factors to be considered in the evaluation of transfer credit include the following general criteria:

- Transfer credit is generally awarded for academic course credit earned from court reporting schools, regionally accredited institutions, or from institutions that are candidates for regional accreditation if the course credit was earned during the candidacy period. In rare circumstances, course credit earned at other institutions, other than those listed above, may also be accepted in transfer.
- Only college level courses are transferable. Remedial and high school equivalent academic courses are not transferable, even though taken at a college or community college.
- Courses at other institutions often have no direct South Coast College equivalents but may be accepted in transfer in appropriate cases where they meet South Coast College curricula criteria.
- Transfer credit is allowed only for courses in which a grade of "C" or its numerical equivalent or a grade of "pass" was earned at the school where subject course was taken.

- Not more than 50 percent of the credits required for graduation from South Coast College will be accepted as transfer credit in the case students enrolled in the Paralegal and Medical Assistant programs unless special circumstances prevail.
- Students may be asked to provide official catalog course descriptions from the school where the course was taken, to clarify course content.
- Court Reporting program course requirements are directed to qualification for the California Court Reporters Board and the National Court Reporters Association. The requirements of these agencies are specific and particular and are not necessarily the equivalent of similar college courses. Regarding English, for example, emphasis is placed on grammar, punctuation, and the particular usage choices determined by these agencies. It is generally advisable that students take the English courses at South Coast College or at an equivalent court reporting college.
- Transfer credits will be listed as a "TC" on the student's transcript.

Standards of Student Conduct

Standards of Student Conduct

Students are expected to exercise respect and self-discipline at South Coast College. The following behaviors may result in dismissal from South Coast College:

1. defacing, removing, or mutilating any College property (library, resource centers, classrooms, restrooms, student lounge, administrative areas, and so on).
2. providing false information or misrepresenting information in any records, financial aid documents, or attendance sign-in sheets, whether inadvertently or deliberately.
3. engaging in any activity that causes a safety hazard at College, including but not limited to weapons possession.
4. disrespect toward another student, faculty/staff member or administrator, guest, or vendor.
5. engaging in a single serious incident or repeated less-serious incidents of intoxication from any substance, as well as possession of drugs or alcohol on college premises.
6. engaging in other types of unethical conduct.
7. engaging in the use of profanity on the College premises.

Procedures and Appeal Process for Unethical Student Conduct

A charge of unethical conduct must be made in writing, specifically stating the allegations against a student. Each instructor / staff member / administrator who has a charge must formally state the allegations in a letter to the Director. A copy of the letter will be directed to the appropriate Day/Night Instructional Administrator.

Should a student be charged by an instructor / staff member / administrator with unethical conduct, the student may make an appeal of this determination within 30 days in the following manner:

1. The student should meet with the instructor who made the allegation to discuss and attempt to resolve the problem.
2. If a satisfactory resolution is not reached, the instructor or student can petition for a meeting with the Day or Night Instructional Administrator. The petition request must be made in writing by either the student or the instructor to the Day or Night Instructional Administrator.
3. If after review by the Day or Night Instructional Administrator a satisfactory resolution has still not been reached, the matter may be appealed to the Arbitration Review Committee. This committee consists of members from the faculty and staff representing various departments. The Committee reviews all materials and prior decisions and comes to a resolution on the matter. The decision of the Arbitration Review Committee is final.

Consequences and Recourse

Should it be determined that a student has behaved in an unethical manner, the student may be subject to the following disciplinary actions, dependent upon the nature and scope of the offense as determined by the Committee:

1. The student may not receive credit for the work completed in the class.
2. The student may not receive credit for the class.
3. The student may be placed on **probation** for one quarter.
3. The student may be administratively withdrawn from the program.

Grievance Procedures

Grievance Procedures

South Coast College, in the administration of discipline, guarantees procedural fairness to an accused person, whether the person is a student, staff, faculty member, or administrator. In the pursuit of its policy of openness, accountability, and responsiveness to students, the College provides the following grievance procedures.

A file on each grievance reported, including the procedures followed and the final disposition of the case, is maintained.

Definition of a Grievance

A grievance is a complaint arising out of any alleged, unauthorized, or unjustified act or decision by a student, faculty member, administrator, or staff person, which in any way adversely affects the status, rights, or privileges of a member of the student body. The burden of proof shall rest with the complainant.

If students have a grievance and wish it to be recognized as such, a written complaint must be submitted to South Coast College on the College's petition form or in letter format.

The written grievance must clearly state the student's name, the nature of the complaint, the name(s) of all parties directly involved in the complaint, and any appropriate documentary evidence and be addressed to the director of the College.

Steps Toward Redress

Based upon the information presented in the grievance, steps toward redress shall take place as follows:

1. The student will be asked to take the matter up with the individual in question. It is hoped that the matter can be resolved at this level. If it cannot be resolved, the following step shall occur.
2. Informal discussions will take place between the complainant and the person against whom the complaint is being made and the Day/Night Instructional Administrator. Resolution shall be attempted at this level. If it cannot be reached, the following steps shall occur.
3. The grievance shall be scheduled for presentation to the Grievance Committee for hearing and appropriate action. The committee shall be comprised of two faculty members, representatives from the various departments on campus, and two students. The members on the committee will rotate.
4. A copy of the grievance shall be given in writing to the person(s) against whom the complaint is brought.
5. The committee shall review and consider documentary records which relate to the case, including the grievance and its supporting documentation, and any documentary evidence or statement by the person(s) against whom the complaint was filed. Both parties shall be present during the meeting.

6. Committee members shall arrive at a judgment in consultation among themselves. A majority vote of such qualified members may make recommendations as appropriate for disciplinary actions or for changes in policy to the appropriate administrative officials.
7. The findings of the committee are final. A written summary of the response shall be provided within 10 days of receiving the complaint.

Recourse after Hearing

If students have exhausted these procedures and the problems have not been resolved, they have the right to contact any of these entities.

In approaching an entity with a grievance, students are encouraged to take the following steps:

- Be sure to have exhausted all means of settling your issue with the school.
- Ensure that your complaint is in writing using the appropriate forms.
- Be sure to sign your complaint.

Complaint Procedures

ACCSC Student Complaint

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:

Program-Specific Procedures

Court Reporting Programs

Individual Progress

After the initial theory courses, individuals can progress at their own pace, completing as many skill levels as they can within a quarter.

Completion of a skill course level in the Court Reporting Program is obtained upon completion of skill proficiency testing and is not based upon a quarter-to-quarter schedule.

Individual progress in a high-speed machine shorthand program can vary widely. Even so, you are expected to meet minimum standards of progress.

Practice

Approximately 72 hours of practice outside of class is required to progress out of every 10 wpm skill level. Keep in mind that practice is different from evaluation.

Achievement Awards

Machine shorthand achievement certificates are awarded for theory and 40 wpm and for each 10-word increment above 40 wpm.

Attendance: Court Reporting

Attendance in all court reporting classes each day is essential for the successful completion of the court reporting program. As a result, students are required to have 100-percent attendance in all registered skill courses at the end of each quarter.

All class absences must be made up using equivalent and documented make-up time activities in order for students to achieve 100-percent attendance in all registered skill courses at the end of each quarter. Several options are available to students to make up the time related to a class absence. If the student does not make up the absences in skill classes, they are allowed to take tests, but tests will not be graded until the absences are made up.

In academic courses, the instructor's policy determines the number of absences the student may have before the student is dropped from the course. If they miss more than the instructor's policy allows, students are counseled and advised that if they do not make up the work, they will not pass the course in which they are enrolled.

Only a maximum of 20 percent of physical absences can be made up in a college quarter. In other words, students must have at least an 80 percent physical attendance in each of their registered classes for the college quarter.

Testing in Skill Courses

Required Number of Tests

Three official speed tests of a 5-minute duration and 97.5 percent accuracy are required to complete a speed level successfully up to and including the speed of 160 wpm.

From 170 to 200 wpm, the requirement is three skill tests one of which must be at a length of 7, 8, 9, or 10 minutes, depending on the goal speed. All tests must be at 97.5-percent accuracy.

Skill Test Type	Duration	Accuracy

2-Testimonial	5 minutes	97.5%
3-Testimonial	9 minutes	97.5%
200 Words Per Minute		
1-Literary	5 minutes	97.5%
2-Testimonial	5 minutes	97.5%
3-Testimonial	10 minutes	97.5%

Transcription Time

Each of these 10-minute tests (170-200 wpm) must be transcribed within two hours and thirty minutes.

Official skill tests are normally five minutes of dictation on unfamiliar material transcribed within 1 hour and 15 minutes.

The completed transcript together with the machine notes is turned in to the Grading Resource Center to be graded. An accuracy rate of 97.5 percent is always required for a passing grade.

Transcription Credits

Two transcription credits a week results in attendance credit for the time spent in transcribing the notes and is reflected in the AT700 Attendance on Friday.

***It is important to realize that approximately 72 hours of practice outside of class is required to progress out of each successive 10 wpm skill level.

Grading of Skill Courses

A skill goal class may be attempted until credit is earned.

Note: For skill classes, a numerical grade of 95 for pass or 55 for fail appears on the student's in-house transcript.

Repeated Courses

South Coast College does permit the repetition of goal speed classes, which can be taken up to three times for credit as push and trail (laboratory) classes on a pass (95) / fail (55) basis.

Steno Medical and Steno Legal classes can be repeated to obtain the required number of hours per week on the steno machine. Skill and accuracy, multi-voice, advanced theory, and theory reinforcement classes may be repeated to enable students to meet hourly machine requirements.

Audit Courses

Court Reporting students are allowed to audit the speed classes if they have sufficient credits to maintain the minimum number of required credit hours per quarter. Students may also audit academic classes they have passed.

Apprenticeships

When the reporting student reaches speed proficiency of 180 words per minute, the student is required to attend an advisement session with the Director of Court Reporting. During that meeting, the Director of Court Reporting will provide all the information that the student must do to complete the court reporting program. At that time, the student will be advised on how to make arrangements to sit in and report proceedings with a Certified Shorthand Reporter.

The student is to have 50 hours of court proceedings and depositions, of which a minimum of 10 hours shall be in either one.

A maximum of 10 hours of this training may be the reporting of mock proceedings sponsored by a law firm or by a law school accredited by the American Bar Association.

Note: These hours may be increased by the California Court Reporters Board (CCRB).

Qualifiers

To qualify to go to the State CSR Examination at South Coast College, you must have met the following minimum requirements outlined in the booklet *180 to the CSR*, which can be obtained from the Director of Court Reporting.

All students at 180 wpm are required to meet with the Director of Court Reporting to review and to acknowledge the requirements to complete the program. These requirements include the following:

1. All academic classes must be completed.
2. All speed requirements up to and including 200 wpm must be fulfilled.
3. All apprenticeship hours (50) and a 45 wpm typing test must be completed.
4. All tuition must be current.
5. Students must be cleared through the Registrar's Office **before** they sit in qualifying examinations.

If a student fulfills the above requirements at any time after the qualifying exams have started, he or she may attempt any exams that remain.

These minimum requirements will more realistically prepare the student to pass the CSR exam at 200 wpm.

The College reserves the right to review the student's notes to determine whether the Qualifier will be accepted.

Nonmatriculating Students

A nonmatriculating student is one who has completed a court reporting program and has qualified through either South Coast College or another court reporting school and is taking **only** speed classes.

Length of Course: Court Reporting

The certificate program in court reporting is a 43-month course for day students and a 56-month course for night students.

For students to complete the court reporting program in a timely manner, it is imperative that they attend all machine classes to which they have been assigned every day. The development of a skill depends upon consistency in building the skill. The College requires that you attend **all** machine classes that you have available each day. In doing so it is possible to complete the program before the time allotted for completion.

The court reporting program is a skill-based program that can be completed before the time allotted for completion.

Because this program is a skill-based program, there are no guarantees that the student will finish the program in the previously stated length of time. Completion of the program in a timely manner is totally contingent upon the individual's effort expended and adherence to the program in its entirety.

Adherence to the program includes attending the required number of theory and related classes, completing the required number of practice hours on the skill tutorial, and completing the homework assignments.

After theory classes, the student is expected to attend the required skill classes to which they have been assigned each day, practice on the skill tutorial, complete the required homework assignments each week, and complete a minimum of two typing credits. In addition, the student is expected to follow the methodology of the College with regard to building speed.

Note that the California Court Reporters Board (CCRB) requires that students practice a minimum of one hour each day after school hours. The National Court Reporters Association (NCRA) requires that students type a minimum of one paper each week. South Coast College requires a minimum of two papers a week for attainment of the weekly hourly requirement and attendance purposes.

Students who follow the prescribed College program are allowed to progress in the skill building classes as fast as their abilities permit. Consideration will be given to students who have moved through the speed levels rapidly to help them in completing the academic portion of the program.

Students entering the program must be aware that work schedules, family demands, personal problems, and other distractions will affect their progress in College. The program demands a consistent allotment of daily time to ensure success.

Legal Programs

Attendance Requirements for Legal Programs

Students enrolled in the legal programs must maintain 80 percent of attendance at all times. Students who miss courses more than 20 percent will have to make up the work and/or do extra credit work. Instructors reserve the right to require greater than 80 percent attendance. Students are counseled and advised that if they do not make up the work, they will not pass the course in which they are enrolled.

Externships

Legal externships provide the legal student with an opportunity to further his/her legal skills in a legal environment. The student receives hands-on training and learns the duties and expectations that may be required of legal support personnel. Students are required to submit a weekly log of their hours.

The paralegal externship is a course for which a grade will be entered on the academic transcript. Regular attendance is required as with any course. Therefore, students must submit their supervisor-initialed externship time sheets each and every week. Students will submit their time sheets to the Director of Legal Programs.

Length of Course: Paralegal

The **Paralegal Program** is an 18-month course for day students and a 24-month course for night students.

Medical Programs

Attendance Required for Medical Programs

Medical students must maintain 80 percent of attendance at all times. In the Medical Assistant Program, the 80 percent factor allows for **4 absences** a month. Students who miss more than that will have to make up the required work and/or do extra credit work. Students are counseled and advised that if they do not make up the work, they will not pass the course in which they are enrolled.

Externships

Medical externships provide the medical student with experience in a selected physician's office or healthcare facility. The student is supervised and evaluated by qualified medical personnel.

The Medical Assistant student must have an opportunity for an equal exposure to administrative and clinical experience. A list of skills to be evaluated will be presented to the supervisor of the healthcare facility. The student is required to meet and discuss learning with the instructor on a regular basis. The externship coordinator will visit the site periodically.

The medical assistant externship is a course for which a grade will be entered on the academic transcript. Regular attendance is required, as with any course. Therefore, students must submit their supervisor-initialed externship time sheets each and every week. Students will submit their time sheets to the Director of Medical Programs or Externship/Placement Coordinator. Students should avoid any potential

problems by submitting their time sheets to the Director of Medical Programs or Externship/Placement Coordinator every Friday.

Length of Course: Medical Assistant

The medical assistant program is a 9-month course for day students and 12-month course for night students.

Consumer Information

Consumer Information: Student Rights

In addition to the Catalog, South Coast College has prepared a Consumer Information Handbook Addendum B and an Annual Campus Safety and Security Report Handbook (with safety statistics) Addendum B that provides you with information regarding your student rights, consumer information, and safety and security that are all available online.

Before attending South Coast College, you will receive an enrollment packet containing the following:

- 01 an enrollment agreement, student's right to cancel, right to withdraw, refund calculation policy, transferability of credits, graduation requirement, tuition rate agreement, charges, renewal clause, certification of receipt of catalog and performance statistics, student tuition recovery fund
- 02 a link to the BPPE (SPFS) School Performance Fact Sheet and a hard copy
- 03 a link to the ACCSC Annual Report
- 03 DOE Federal Track Record Disclosure Form
- 04 CRB Disclosures required by Business and Professions Code (CRB) and brochure (Court Reporting Only)

Court Reporting Only:

In addition to what is provided to students in other programs, court reporting students receive a program length acknowledgment for court reporting and the Court Reporters Board Pamphlet on selecting the career of court reporting and selecting a court reporting school.

Cancellation of Enrollment Agreement

A newly enrolled student has the right to cancel his/her Enrollment Agreement without penalty and obtain a refund of charges paid through attendance at the first class session, or at the 7th calendar day after enrollment, whichever is later, exclusive of the nonrefundable deposit or application fee. If the enrollment agreement is cancelled for any reason – (1) rejection of enrolled applicant by the college; (2) the program is cancelled by the college; (3) the student does not start training – the school will refund the student 100 percent of any money paid, less a deposition or application fee, if applicable, not to exceed the amount of \$250.

Cancellation shall occur when you submit written notice of cancellation to the address of the school:

South Coast College
Attn: Admissions
2011 West Chapman Avenue
Orange, CA 92868

You can do this by mail, hand delivery, or by emailing admissions:

Email: admissions@southcoastcollege.edu

The written notice, if sent by mail, is effective when deposited in the mail properly addressed and with correct prepaid postage. Any written expression that you wish not to be bound by this agreement will serve as notice of cancellation of this agreement if provided to the school by the end of the first class day or on the seventh calendar day after enrollment, whichever is later.

Student's Right to Cancel

Students are advised that they have the following rights:

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session, or the seventh calendar day after enrollment, whichever is later.

A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance for ten (10) consecutive days. Not attending classes for ten consecutive days (excluding holidays) without excused absence is considered an **unofficial withdrawal**.

Cancellation shall occur when you give notice of cancellation to the school. The notice of cancellation need not take any particular form and however expressed, is effective if it indicates that you no longer desire to be bound by this agreement. If you cancel this agreement within the prescribed time period, the school will refund any money that you paid within ten (10) days after your notice of cancellation.

After the end of the cancellation period, you also have the right to stop attending school at any time; and you have the right to receive a pro rata refund if you have completed sixty (60) percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

2. If the Enrollment Agreement is cancelled, the school will refund the student 100 percent of any money he/she paid, less a deposit or application fee, if applicable, not to exceed two hundred fifty dollars (\$250), within ten (10) days after the notice of cancellation is received by the end of the first class session or the seventh calendar day after enrollment, whichever is later.
- If the College closes before you graduate, you may be entitled to a refund. Contact the following for information.

Withdrawing from College

After the cancellation period, you also have the right to stop attending school at any time, and you have the right to receive a pro rata refund for the part of the course not taken. Your refund rights are described in the Enrollment Agreement. If you have lost your Enrollment Agreement, you may ask the school for a copy of the Enrollment Agreement and for a description of the refund policy.

Official Withdrawal. An official withdrawal from college occurs when the student withdraws from college using the following procedure:

The student obtains a withdrawal form from the Financial Aid Office, completes the form, has the appropriate people sign the form, and completes an Exit Interview with the Financial Aid Department regarding the student's loans. An Official Withdraw fee (\$50) will be assessed.

Unofficial Withdrawal. An unofficial withdrawal from college occurs when the student does not notify the college that he/she is withdrawing. A fee of \$100 is assessed for unofficial withdrawals where the student does not properly notify the College of departure and attend an Exit Interview. A withdrawal may be effectuated by the student's written notice or by the student's conduct including but not necessarily limited to a student's lack of attendance for 10 consecutive days.

Students who are absent ten (10) consecutive days from the College (including externship) without notifying the College will be dropped from the College, and a \$100 withdrawal fee will be assessed. If allowed to be reinstated, the student returns at an increased tuition rate. Students in externship should avoid any potential problems by submitting their time sheets to their Program Directors or Externship/Placement Coordinator every Friday.

Disclosures

The Consumer Information Handbook also provides disclosures on the Student Right to Know Act, Institutional Security Policies, and Crime Statistics, Privacy of Student Records (FERPA), and so on. The catalog and all the various disclosures are located on the Student Resources Tab under the Federal Compliance of the South Coast College Website.

Payment of Tuition

School Costs

The South Coast College enrollment agreement lists the cost of tuition fees, books, supplies, and other specific fees when applicable that you are responsible for paying upon entering South Coast College. Other fees that may apply include the following: late fees for late tuition, returned-check fees, official withdrawal fee, unofficial withdrawal fee, restart fee, challenge examinations, and late registration fee. See Addendum A for the program-specific associated tuition and fees.

For a breakdown of the Cost of Attendance (COA), see the Consumer Information Handbook, Addendum B Part 1. The COA includes both direct and indirect costs associated with attending South Coast College. Direct costs include tuition, fees, books, and supplies. Indirect costs include room and board (based on living situation), transportation costs, and personal expenses.

Cash-Paying Students

Students who pay cash for tuition are not required to pay the entire amount in advance. Tuition is charged quarterly and billed monthly.

For students who wish to pay the entire tuition and institutional charges in advance, South Coast College accepts payment in full for tuition and fees after the student has been accepted and enrolled as of the date of the first class session disclosed on the Enrollment Agreement.

Paying in full creates a credit balance on the student's account until the student graduates. Every quarter, tuition is deducted from the credit balance. If the student withdraws, tuition charges are prorated and the remaining credit balance is refunded to the student upon graduation or departure.

Student Financial Assistance

Financial aid is available to students who qualify. South Coast College offers the following types of federal and state financial aid:

Grants

Grants are financial aid you do not have to pay back.

- Pell Grant
- Supplemental Educational Opportunity Grant (SEOG)
-

Work Study

Work Study gives financial aid students an opportunity to work and earn money to help pay for school.

- Federal Work Study (FWS)
-

Loans

Loans are borrowed money that you must repay with interest.

- Direct Loan
- Direct PLUS Loan

If the student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan, plus interest, less the amount of any refund; and if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from the federal financial aid funds.

Disclosures for State and Federal Financial Aid Programs

For student eligibility requirements and information on the application process, please read Addendum B of the Catalog (**South Coast College Consumer Information Handbook**). This publication along with the online disclosures contains all the consumer information that is required to be disclosed to the student pursuant to the applicable federal and state financial aid programs, including the following: Federal Refund Policy and Return of Title IV Funds; Net Price Calculator; Disclosures and Gainful Employment Programs; Drug and Alcohol Policies; Satisfactory Academic Progress; Clery/Campus Crime and Safety Information; Violence Against Women Act Policy and the Title IX Harassment Policy; Student Right-to-Know Act; Notice of FERPA rights; Emergency response and Evacuation; Financial assistance available to students; Information about the school's academic programs, costs, facilities, and policies; textbook information; loan counseling (Entrance and Exit Counseling); Misrepresentation; Voter registration; completion, graduation, transfer, retention, and placement rates.

The Financial Aid Office retains a staff of professionals who are available to assist students from the time they enter South Coast College until they are through the loan repayment process.

The schedule of total charges for a period of attendance and an estimated schedule of total charges for the entire educational program can be found in Addendum A of the South Coast College Catalog.

STRF (Student Tuition Recovery Fund)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF, and you are not required to pay the STRF assessment, if you are not a California resident or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Boulevard, Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Satisfactory Academic Progress

Campus Standards

Federal regulations require all institutions that participate in Title IV aid programs to define and monitor satisfactory academic progress (SAP) for all financial aid recipients. The standards must be the same as, or at least as stringent as, the SAP standards for non-financial aid recipients. The standards must be applied to all students, both full-time and part-time.

At South Coast College, the satisfactory academic progress standards are monitored in three areas:

1. Cumulative Grade Point Average (CGPA)
 2. Maximum Time Frame for Completion of Program (150%)
 3. Percentage of Credits to be Completed at Evaluation Points (67% of Attempted Credits or Clock Hours, whichever applies)
- SAP standards 1-3 are monitored for degree-seeking students in annual increments and for all other program students in quarterly increments. (**Note:** "Annual," as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)

Notification to Student

- Any student not meeting one or more of the SAP requirements will be notified in writing.
- The CGPA, percentage of completed credits, and maximum time frame are reviewed annually or quarterly, based on the students' start and repackaging date. At repackaging, the students are sent a letter asking them to come into the FAO for counseling.
- Written notification includes information on the consequences of not meeting SAP standards, how to reestablish eligibility, and the appeal process.
- In a situation where students regain financial aid eligibility, they will be notified in writing by the FAO and their financial aid files will be reactivated.
- The full process for each of the three SAP areas will be discussed later in this section.

Academic Norms

SAP standards for financial aid recipients are measured against the academic norms for all students in the three areas:

1. Cumulative Grade Point Average (CGPA)

The cumulative grade point average (CGPA) is based on a 4.0 scale as follows:

A=4	B=3	C=2	D=1	F=0
------------	------------	------------	------------	------------

Students must have a 2.0 CGPA at the end of each academic year for longer programs or at the end of each quarter for programs a year or under, and at each review period thereafter. A 2.0 or above is required for graduation in all programs.

Students who do not have a 2.0 CGPA at the end of each academic year, or at any annual review thereafter, will be taken off financial aid. Students who do not have a 2.0 CGPA at the end of a quarter will be placed on financial aid warning until the next quarter. Students who do not have a 2.0 CGPA at the end of the upcoming quarter will be taken off financial aid. These students can reestablish their

financial aid eligibility by either 1) attending without financial aid (paying cash) and bringing their CGPA back to a 2.0; or 2) appeal due to extenuating circumstances. The appeal process is discussed later in this section. Once a student regains his or her eligibility for financial aid, he or she will be notified in writing by the FAO and his/her financial aid file will be reactivated. Students who do not wish to pay cash while reestablishing eligibility or who do not have extenuating circumstances for an appeal will be academically dismissed.

2. Maximum Time Frame for Completion of Program

Federal regulations require schools to set a limit to the amount of time a student can work toward any degree or certification and maintain their financial aid eligibility. At SCC we use the maximum time frame allowed, which is 150% of the normal published program length. The time frame for each program measured in credits and clock hours is as follows:

Program	Normal Time (Credits)	Maximum Time Frame (Credits)
Court Reporting (Certificate)	177	265
Court Reporting Production Specialist, Emphasis Transcript/Document Production (Certificate)	96	144
Paralegal	96	144
Medical Assistant	36	54

Students who do not meet the maximum time frame requirement can file an appeal if they believe they have extenuating circumstances. The appeal process is discussed later in this section. Once a student regains his or her eligibility for financial aid, he or she will be notified in writing by the Financial Aid Office and his/her financial aid file will be reactivated.

3. Percentage of Credits Completed

To ensure that students are able to finish their program within the 150% time frame allowed, the FAO monitors the percentage of cumulative credits completed annually or quarterly. Students are required to complete 67% of all credits attempted during each evaluation point (annually or quarterly) depending upon the program. Students earning 67% of cumulative credits attempted are on pace to complete the program within the maximum time frame.

Students who are enrolled in either the Court Reporting Certificate program, **the Court Reporting Production Specialist, Emphasis Transcript/Document Production Certificate program**, or Paralegal Program AA degree who do not meet the percentage requirement at each evaluation point will need to file an appeal. Students in the Medical Assistant Certificate Program who do not meet the percentage requirement at the end of each evaluation point will be placed on financial aid warning for one quarter. If at the end of the quarter the student has not met the percentage requirement, he or she will have to

file an appeal. In order for the appeal to be approved, the student must meet with the program director for counseling and set up an Academic Contract outlining the steps they will be taking to improve their academic standing. If taken off financial aid, these students can reestablish their financial aid eligibility by either 1) attending without financial aid and bringing their percentage back up; or 2) appeal due to extenuating circumstances. The appeal process is discussed later in this section. Once a student regains his or her eligibility for financial aid, he or she will be notified in writing by the Financial Aid Office and his/her financial aid file will be reactivated. Students who do not wish to pay cash while reestablishing eligibility or who do not have extenuating circumstances for appeal will be academically dismissed.

Termination

Attending classes consistently is essential to the student's progress through the program. In accordance with federal requirements, if a student misses more than two weeks of school, he/she will be withdrawn from the program of study.

Evaluation of SAP Standards

The increment for SAP review varies due to the student's program and type of SAP standard being reviewed. The review increments are as follows:

1. Cumulative Grade Point Average (CGPA)
 - Certificate in Court Reporting, Certificate in the Court Reporting Production Specialist, Emphasis Transcript/Document Production; and Paralegal annually (**Note:** Annual, as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)
 - All other programs - quarterly.
2. Maximum Time Frame for Completion of Program
 - Certificate in Court Reporting, Certificate in the Court Reporting Production Specialist, Emphasis Transcript/Document Production; and Paralegal - annually (**Note:** Annual, as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)
 - All other programs - quarterly.
3. Percentage of Credits Completed
 - Certificate in Court Reporting, Certificate in the Court Reporting Production Specialist, Emphasis Transcript/Document Production; and Paralegal - annually (**Note:** Annual, as used for SAP, is 3 quarters for day students and is 4 quarters for night students.)
 - All other programs -quarterly.

Effect of Non-Academic Grades on SAP

Course withdrawals

Withdrawals result in a "W" grade. They are counted in credits attempted but not in credits completed and affect the student's 67% completion requirement as well as the maximum time frame calculation.

Incomplete grades

- South Coast College does not give a grade of Incomplete.

Repeated courses

- Repeated courses will be counted in the calculation toward the 67% required completion of credits and the credits that count toward reaching the maximum time frame length of a program, which is 150% of the normal program length.

Non-punitive Grades

SCC does not have non-punitive grades.

Non-credit

A goal class can be taken for a letter grade or non-credit.

Remedial Classes

SCC does not have remedial classes.

Transfer of Credits

- Students who transfer into SCC may have their academic credits reviewed for acceptance into their program. Courses that are transferred into a program will be counted toward the 150% maximum time frame that a student can compete in their program. Accepted transfer credits count as both attempted and completed hours.

Probation

Students may be on probation for various reasons, including but not limited to, excessive absences or not achieving academic or skill progress in accordance with satisfactory progress standards. The procedure is to first counsel the student with regard any issues that might cause a student to have to be placed on probation. Students placed on probation must satisfy the specific probationary requirements by the end of the probationary period in order to remain in the program. The final determination as to whether the requirements have been satisfied is up to the discretion of the Director.

Students in programs of one year or less who do not reestablish the SAP standards at the end of a warning period will be placed in a probation period during which they will have to have an approved appeal on file to continue receiving financial aid.

Students in programs longer than twelve months will not receive warning notices. If they are not meeting the Satisfactory Academic Progress standards at the time of their annual repackaging, they will not be repackaged. Students may appeal for reinstatement of aid if they feel they have extenuating circumstances. If an appeal is approved, students will be placed on a probation period and their SAP will be reviewed quarterly. Students may receive financial aid during a probation period. Students who fail to meet the SAP standards specified in their appeal during their probation period will be terminated from financial aid until such time as they get back to the level of SAP standards required at South Coast College.

Probation Periods

Students may appeal for reinstatement of financial aid if they feel they have extenuating circumstances. If an appeal is approved, the student will be placed on probation and his/her SAP will be reviewed quarterly. Students placed on probation may continue to receive Title IV funds for one payment period while the student is on financial aid probation. Students must meet the institution's SAP standards or have an academic plan developed by the institution to monitor SAP. Students who fail to meet the SAP

standards specified in their appeal or academic plan during their probation period will be terminated from aid until such time as they get back to the level of SAP standards required at South Coast College.

Appeal Process

Students may file an appeal if they believe there are mitigating circumstances why they did not meet the campus SAP requirements, whether for CGPA, percentage of credits completed, or maximum time frame. SCC defines mitigating circumstances as including, but not being limited to:

- An act of nature that results in the displacement of the student from his/her residence.
- A documented extraordinary medical condition/serious accident.
- Death of an immediate family member.
- Unusual circumstances beyond the student's control

Appeal procedure:

- The student writes a letter to the attention of the Director of Financial Aid that includes all mitigating circumstances involved as well as an action plan for improvement. "I had issues," is an insufficient explanation.
- Any documentation that can verify or help clarify the appeal should be attached.
- If the appeal is for exceeding the maximum time frame, a letter of support from your program director outlining your academic plan for the next enrollment period is also required.
- The appeal will be taken to the campus management committee for review and action. Students will be notified of their appeal outcome within 10 working days.

Appeal Approval

If an appeal is approved, the student's financial aid will be awarded/reinstated for a probationary period. If a student fails to meet SAP standards while in their probation period, he/she will be taken off financial aid. If, at the end of a probationary period, the student is still not meeting the SAP requirements, they will be taken off of financial aid. The student will be allowed to enroll as a cash paying student until they reestablish their SAP status. Students who do not wish to enroll in a cash payment status may be dismissed.

Appeal Denial

If an appeal is denied, the student will be taken off of financial aid. Students will be allowed to enroll as cash-paying until they reestablish their SAP status. Students who do not wish to enroll in a cash-payment status may be dismissed. Students who are at the maximum time frame for their program and are denied can only reestablish eligibility by transferring into a new program.

Dismissal

If the student fails to meet the probationary requirements for other than not achieving academic standards, the student may be suspended or dismissed.

Suspension

Suspension is a forced, temporary leave from South Coast College. There are three types of suspension:

1. Academic suspension is the result of poor academic performance, lack of attendance, or violation of academic regulations.
2. Disciplinary suspension is the result of serious personal misconduct.
3. Administrative suspension is the result of failure to meet South Coast College financial obligations or failure to comply with federal, state, or local regulations.

Suspended students may not:

- Register for courses
- Attend classes
- Use campus facilities
- Participate in Student Activities

Should a student disagree with the application of the Suspension Standards, he/she must first discuss the problem with the College director or program director. If still dissatisfied, the student may then proceed through the College grievance procedure set forth elsewhere in the catalog.

Effect of Change of Program on SAP

- If students wish to change from one program to another at SCC, they need to do so in writing. Requests are reviewed by the program director to determine whether any classes are transferable from the student's prior program into their new program.
- Only the classes that are transferred into the new program are used to calculate the student's SAP in the new program.
- All credits and grade points that are not accepted into the new program are "closed" and no longer used in the student's SAP calculation
- All program requirements for SCC students are outlined in the current SCC catalog.

Effect of Additional Degree on SAP

- If students wish to work toward an additional degree, they need to apply in writing. Requests are reviewed by the program director to see if any classes are transferable from the student's prior degree into their new degree.
- Only the courses that apply to the additional degree are used to calculate the students SAP in their new degree program.
- All credits and grade points that are not accepted into the new program will be "closed" and no longer used in the students SAP calculation

All program requirements for South Coast College students are outlined in this catalog.

Effect of Transfer of Credits on SAP

Students who transfer into South Coast College may have their academic credits reviewed for acceptance into their program. Courses that are transferred into a program will be counted toward the 150% maximum time frame that students can complete in their program. Transfer credits do not count in students' 67% completion rate or in their CGPA.

SAP Requirement for Program Graduation

- A CGPA of 2.0 or greater is required for graduation in all programs at South Coast College.
